

ARTSC 3301 : Art and Contemplation

Art and Contemplation focuses on how works of art—music, painting, sculpture, dance, photography, and film—reveal aspects of reality that surprise, startle, and provoke us to think. The poet, Dante Alighieri, considered art as the grandchildren of God inasmuch as men and women are His creations, and they in turn fashion earthly materials in forms that reflect the beauty of God. Such creation turns our gaze to beauty, and thereby to our Creator God. Students will come to embrace as their own Fyodor Dostoevsky's famous words, "Beauty will save the world."
