

BIOL 4195 : Biology Senior Thesis

This course is the third and final research course for all students seeking a Bachelor of Science in Biology or Cell and Molecular Biology. This writing intensive course will focus on the production of an undergraduate research thesis. Students will learn effective strategies for scientific writing and apply those lessons by writing about their own research. Students will be required to perform multiple revisions prior to final submission and will conduct extensive peer-to-peer review. Prerequisites: [BIOL 3321](#), [BIOL 3194](#), 3195 and 100 documented research hours with your Biology Faculty member.
