

## CG 5324 : Mission of the Church

This course presents the origins of the Church in the mission of the Messiah, and the development of Christian understanding of the mystery of the Church. Special attention is given to the ecclesiology of Vatican II: the mystery of the Church with its hierarchical and charismatic gifts, the communion of saints, the Catholic Church's commitment to ecumenism and religious liberty, and the mission of the Church today. Some consideration will also be given to Catholic social teaching as an articulation of the Church's mission.

Prerequisite: Sacred Scripture, Church History.
