

# Hazing Policy

Hazing of any kind is inconsistent with the University's values and incompatible with the safe, healthy environment that the University of St. Thomas community expects. All members of this community share responsibility for creating and maintaining an environment which promotes the safety and dignity of each individual. Not only is hazing against the law, but the very act and its outcomes are detrimental to the type of leaders the institution strives to develop. UST is committed to providing a safe environment for all members of the university community and prohibits hazing by any student or student group.
