

# JPII 5345 : Final Project in John Paul II Studies

Required for MA. The final project will consist of a paper and a presentation. The students will study together a special topic in John Paul II. Studies selected by the professor. Common readings and bibliography will be provided. Following weeks of lectures, podcasts and discussions, the students will make presentations of 20-30 minutes to the professor and peers. The students will turn in a 15-page paper at the end of the semester.
