

EDUC 6336 : Educational Administrative Practicum II

This course is the second part of a field-based practicum. Students work under the supervision of a certified campus/district mentor and a university supervisor and will be expected to accrue a minimum of 80 hours of administrative tasks related to the 11 Texas Principal as Instructional Leader Competencies. In addition to the 80 hours, candidates will prepare an electronic portfolio that will showcase their projects and major works from their master's courses and practicum experiences.
