

# ENGLC 1302 : Middle Ages and Renaissance

The Middle Ages and Renaissance develops the Core Curriculum in English through a writing-intensive introduction to beautiful, life-altering literary and philosophical works of the Middle Ages and Renaissance. Students will engage primary texts in a manner that hone our capacity to ask good questions, to interpret carefully, to develop the interior life, and to experience reality in all of its multi-layered richness, realizing the relationship of beauty and ugliness to truth and falsity.
