

FINA 6392 : Independent Research in Finance

This course is designed to provide in-depth study in a field of finance in which the student has completed at least 2 MSF (Master of Science in Finance) courses. Students work independently on assigned readings in a particular topic and discuss /write up results to the satisfaction of the directing faculty member. The course proposal must be submitted for approval in advance and will include proposed reading, original research, and a substantial written project. Students completing such a course will have several meetings with the supervising faculty member throughout the semester. In accord with the University policy, this course can be taken only by advanced and generally superior students and those needing such a course will have several meetings with the supervising faculty member throughout the semester. In accord with University policy, this course can be taken by advanced and generally superior students and those needing such course to complete degree requirements in a timely manner.
