

# JPII 5315 : The Family and the Civilization of Love

After a brief review of the principles of theology of the body, this course will do a close study of Love and responsibility. The notions of Communion of persons, the law of free giving, and the vocation of marriage are a focus for the course. In *Evangelium Vitae* ("The Gospel of Life"), we study the role of the family in a civilization of love and the threats from a culture of death. The letter to Families and Apostolic letter, *Familiaris consortio* will be consulted as well.
