

MPPA 5302 : Decision Making for Public Policy

The objective of this course is to make the student a better producer, consumer, and evaluator of public policy analyses. It will strengthen decision making ability and skills regarding public policy issues. The course does not focus on methodology per se, but rather looks at the results of methodology as they frame and shape public policy issues. Thus the focus of the course is on the role of managers and executives in systematically seeking, organizing and analyzing information to address policy problems.
