

# MSB 6303 : Business Law and the Spirit of the Enterprise

Introduces the U.S. legal system from the perspective of a business leader who must understand how laws affect potential courses of action available to the enterprise. The course provides an overview of the laws pertaining to: corporations, agency, contracts, property, product liability, and personal injury. It will also examines the “higher order thinking skills” successful chief executive’s exhibit in managing their enterprises. Whether it is a large public corporation, a small-to-medium private firm, the enterprise is a complex collection of risks and opportunities that must be managed intelligently.
