

YPP 8203 : Parish Management

Parish Management and Administration aims to give the student a general overview of the management and administrative skills they will need to run a parish. This course will cover all aspects of parish accounting, human resources and staffing at the parish level, conflict resolution, long range/short range/short range planning as well as the undertaking of capital improvements and campaigns. This course is only open to Seminarians seeking ordination as Priests of the Roman Catholic Church.
