

# YSD 9382 : Contemporary Theological Issues

Contemporary Theological Issues will consider a selection of theological issues from the contemporary era and the response of one or more theologians to those issues. The course will present the figures and arguments of the various sides of the issues. Students successfully completing this course will be able to: 1) demonstrate familiarity with the various issues to be considered and 2) demonstrate a level of proficiency in analyzing and evaluating competing theological positions as they arose in specific times and places in response to those issues.
