

2023-2024 Catalog

Human Services Management

Minor

Academic Department

Kolbe School of Innovation & Professional Studies

Mission of the Minor: Equip leaders with business acumen and strategic thinking so that they may transform human services organizations so that the people they serve will flourish.

Graduates with this minor will have requisite skills and experience to understand the business and leadership of for-profit and not-for-profit organizations. The program leads to a certification in Human Services Management.

Total Credits 18
