Core Curriculum: 60-90 Credits of Transfer

Bachelor Degrees

Academic Department

Core

This core sequence is for students who have transfer credit and Credit by Examination totaling 60-90 credit hours based on first semester enrolling at UST. Transfer Courses/test credit do not substitute for courses in the core, instead they determine which core pathway a student is taking, count towards the overall credits necessary to graduate and may count for specific courses in a major or minor. Enrollment begins with courses in section 1, but a student may start courses in section 2 or 3 as long as at least one course in section 1 is enrolled. Specific pre-requisites are listed next to the courses.
