

## 2023-2024 Catalog

### Economics

Bachelor of Business Administration

#### Program

Economics

The economics degree program exposes students to social science concepts central to business and governmental decision-making, society's allocation of resources, international relations among competing economies and ethics in commerce. The economics program encompasses micro and macroeconomics, international economics, money and banking, labor markets, cost benefit analysis, economic development and theory. Career opportunities for economics majors include the following:

- Consulting
- Commercial banking
- Investment banking
