# UNIVERSITY OF ST. THOMAS HOUSTON

2024-2025

*The University of St. Thomas makes every effort to include in the Graduate Catalog accurate and current information on policies, programs and courses. However, the University reserves the right to make changes considered expedient for its general well-being or that of any of its constituencies. Furthermore, the provisions of the Graduate Catalog do not constitute an irrevocable contract between any student and the University, and all provisions of the Graduate Catalog remain subject to revision at any time for any reason and without prior notice.*

*Note: For archived copies of previous catalogs, please contact the university library at [circulation@stthom.edu](mailto:circulation@stthom.edu) or the university registrar at [registrar@stthom.edu](mailto:registrar@stthom.edu).*

## The University

---

The University of St. Thomas (UST) is Houston's Catholic University, committed to the religious, ethical and intellectual traditions of Catholic higher education.

## Mission Statement

We are the University of St. Thomas, the Catholic University in the heart of Houston. We are committed to the Catholic intellectual tradition and the dialogue between faith and reason. By pursuing excellence in teaching, scholarship and service, we embody and instill in our students the core values of our founders, the Basilian Fathers: goodness, discipline and knowledge.

The University of St. Thomas is a comprehensive university, grounded in the liberal arts. Committed to the unity of all knowledge, we offer programs in the traditional liberal arts, professional, and skilled-based disciplines. Graduates of the University of St. Thomas think critically, communicate effectively, succeed professionally, and lead ethically.

## History of the University

The University of St. Thomas admitted its first freshman class, 40 men and women, on September 22, 1947. Of the ten faculty members, four were members of the Basilian Fathers, to whom the work of founding and

operating the University had been entrusted. The Basilians, a congregation founded in France in 1822, had been working in the Diocese of Galveston–Houston since 1900, when they established the College of St. Thomas, now St. Thomas High School.

Bishop Christopher E. Byrne of Galveston–Houston had long hoped that a Catholic university might be established in his diocese, and in May of 1945 he announced that such an institution was about to become a reality. For that purpose the T.P. Lee mansion, located in the 3800 block of Montrose Boulevard, was purchased as a home for the new University, to which a science building and classrooms were soon added. From here a series of non-credit courses was taught from November 1946 until Easter 1947 to introduce students to what would be the University of St. Thomas.

With experience that was both practical and theoretical, the Basilian Fathers, led by Father Vincent J. Guinan, first president of the University, and Father Wilfrid Dwyer, vice president, shaped the initial curriculum. Influenced by the writings of Cardinal John Henry Newman as well as by their Basilian experience in Canada at St. Michael's College, the Pontifical Institute of Mediaeval Studies and Assumption College, they determined that all students should pursue a broad program in liberal studies intended to serve as a solid basis upon which to build their lives and their careers in the community.

As a Catholic institution of higher learning, the University of St. Thomas is inspired by the teaching of Pope John Paul II's apostolic constitution *Ex Corde Ecclesiae*, and abides by the application norms prescribed by the American Bishops. Because of the University's institutional commitment to the Church, "Catholic ideals, attitudes and principles penetrate and inform its activities in accordance with the proper nature and autonomy of these activities," (*Ex Corde Ecclesiae*, 14). In its teachings and research, the University of St. Thomas is dedicated to the cause of truth and fosters the integration of knowledge, the dialogue between faith and culture, the ethical and moral implications of learning and the unique orientation to all study given by theology.

## Basilian Tradition

The Basilians at the University of St. Thomas, by their spirituality, philosophy of education and esprit de corps, promote a lively sense of the University's mission as a Catholic institution. Among the distinctive characteristics of the Basilian approach to higher education are:

- Recognition of the continuing significance of the Catholic intellectual tradition in shaping Western civilization;
- Commitment to an integral Christian humanism that embraces the liberal arts as well as all other areas of knowledge;
- Fidelity to the authoritative teaching of the Church;
- Respect for the contribution of St. Thomas Aquinas to the Church's intellectual life, especially to philosophy;
- Healthy respect for the life of the mind, a passion for the discovery of truth in every area and a conviction that faith must begin and end in a knowledge that bears fruit in love; deep appreciation of human dignity that calls for the education of the whole person: physically, intellectually, morally, socially and spiritually;
- Close association with and availability to students;
- Genuine concern to assist students who are economically or otherwise disadvantaged;
- Willingness to provide counseling and pastoral care, especially through sacramental celebration;
- Collaborative spirit that gratefully recognizes that the University is a common intellectual venture of students, faculty, staff and administration as well as other supporters and friends;
- Trust in God's grace and a willingness to carry out whatever labors are required for the good of the University without seeking recognition. In all their endeavors, the Basilian Fathers seek to enrich the University of St. Thomas with their presence, their talents and their prayer.

## Commitment to Faculty Excellence

Pursuing excellence in teaching, scholarship and service is a hallmark of the University of St. Thomas. In keeping with this commitment, the Center for Faculty Excellence was established. The mission of the Center is to provide faculty with resources and services that foster and support their success in teaching, research and service throughout all stages of their careers. The directors and participants of the Center for Faculty Excellence seek to develop a community of teachers and scholars to work collaboratively with all sectors of the University to accomplish that mission. Activities of the Center include conducting new faculty orientation, supporting faculty development workshops, facilitating faculty study days, hosting forums to discuss teaching practices, and providing support for individual members of the faculty.

## SACSCOC Accreditation Statement and Other Accreditations

### SACSCOC Accreditation Statement

The University of St. Thomas is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate, baccalaureate, masters, and doctoral degrees. The University of St. Thomas also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of the University of St. Thomas may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website ([www.sacscoc.org](http://www.sacscoc.org)).

All SACSCOC-accredited universities must apply for [reaffirmation of accreditation](#) every ten years.

### The following programs at UST are accredited:

#### School of Arts & Sciences

- BS in Biochemistry and Chemistry: American Chemical Society (ACS)
- BS in Cell and Molecular Biology: American Society for Biochemistry and Molecular Biology (ASBMB)

#### Cameron School of Business

- All Business Programs: Association to Advance Collegiate Schools of Business (AACSB)

#### School of Education and Human Services

- MS in Clinical Mental Health Counseling: Council for the Accreditation of Counseling and Related Educational Programs (CACREP)

#### Peavy School of Nursing

- The baccalaureate degree program in nursing, master's degree program in nursing, post-graduate APRN certificate program and Doctor of Nursing Practice program at the University of St. Thomas are accredited by the Commission on Collegiate Nursing Education (<http://www.ccneaccreditation.org>).

## University Seal

# UNIVERSITY OF ST. THOMAS HOUSTON

The colors of the University of St. Thomas are red and gold. On the seal, the golden cross of our faith symbolizes the divinity of Christ the King, while the background of red is for the humanity of Christ.

The dove and rayonnant sun in the first quarter are symbols of St. Thomas Aquinas. In the second quarter, the star is for the "Lone Star State" and for the Mother of Christ under the title "Star of the Sea." The hyacinth in the third quarter reminds us of San Jacinto, the river and battlefield near Houston where Texas won its independence. The second dove in the last quarter is the symbol of St. Basil, patron of the Basilian Fathers, who founded the University of St. Thomas.

Thereby, on the shield, St. Thomas and St. Basil, Doctors of the Western and Eastern churches, respectively, represent the universality of the Church. The motto, "Crescamus in Christo," reminds us that as we advance in knowledge and wisdom, we should also grow in love and service of Christ.

## Admissions Policies

---

### Graduate Admissions Overview

The University of St. Thomas admission process begins when the university receives the application and all supporting documents required by the program. Applicants must have earned the equivalent of a Bachelor's Degree from a regionally accredited institution to be eligible for graduate admission to the university.\*

Complete applications require submission of all supporting documents, official test scores and transcripts from all institutions attended. Each graduate program has additional specific admission requirements. Once all application materials are received, the graduate program will review the application and make an admission decision. Final admission decisions are at the discretion of the graduate program dean or director.

### Readmission of Discontinued Students

Students on inactive status for four consecutive regular (fall/spring) terms will have their enrollment discontinued, barring any program-specific procedures. Students on discontinued status will be required to complete the full admission application process.

Dismissed students will not be considered for readmission until one year has elapsed from the time of dismissal.

\*A limited number of mature applicants who do not hold an undergraduate degree may be admitted to the Master of Divinity or Master of Arts in Pastoral Studies degree programs. Admittance may be granted on the basis of non-credit theological study and/or experiences in ministry. These studies and experiences must demonstrate knowledge and skills that are equivalent to those of persons holding baccalaureate degrees.

## Information for All Applicants

### Required Documents

All applicants are required to submit the following documents:

- Graduate application
- Application fee of \$35
- Official Transcripts, in a sealed envelope, from all previous institutions of higher education attended. For applicants that received a foreign degree, a transcript evaluation will also be required. See International Applicants section for more information.

In addition to the items above, each graduate program has its own set of admission requirements. See table below:

| Program                               | Letter of Recommendation | Interviews | Test Scores   | Essay/Writing Sample | Resume/Work History Verification |
|---------------------------------------|--------------------------|------------|---|----------------------|----------------------------------|
| DNP                                   | Required                 | Required   | GRE/MAT optional  | Required             | Required + proof of RN license   |
| RN-MSN                                |                          |            |   | Required             | Required                         |
| MSN                                   |                          |            |   | Required             | Required + proof of RN license   |
| MBA, MIB, MPA, MSA, Optional MSB, MSF | Optional                 |            | Optional (Recommended if undergraduate GPA is below 3.3.) | Optional             | Optional                         |
| MCTM                                  | 3                        | Required   | GRE (Recommended if undergraduate GPA is below 3.3.)      | Required             | Required                         |
| MEAM                                  |                          |            |   |                      |                                  |
| MASPP                                 | 2                        |            |   | Required             | Required                         |
| MFA                                   |                          |            |   | Required             |                                  |
| EdD                                   | 3                        | Required   |   | Required             | Required                         |
| MEd, MAT                              |                          |            | GRE or MAT test if GPA between 2.75-2.99                  | Required             |                                  |
| MACEL                                 |                          | Required   | GRE or MAT test if GPA between 2.75-2.99                  | Required             |                                  |
| MASE                                  |                          |            |   |                      |                                  |
| MSCHMC                                | 2                        | Required   | GRE if GPA below 3.0                                      | Required             |                                  |
| MDSA                                  | 2                        |            |   | Required             | Required                         |
| MSADS                                 | 2                        |            |   | Required             |                                  |
| MAFC                                  | 3                        | Required   |   | Required             |                                  |
| MLA                                   | 2                        | Required   |   | Essay                | Recommended                      |
| MPPA                                  | 2                        |            | GRE   | Required             | Required                         |
| MSM                                   |                          | Audition   | GRE   |                      |                                  |
| MAT                                   | 2                        |            |   |                      |                                  |
| MAPS                                  | 2                        |            |   | Required             |                                  |
| MASE                                  |                          |            |   |                      |                                  |
| MDiv                                  | 2                        |            |   |                      |                                  |
| JPII                                  | 1                        |            |   | Required             |                                  |

| Program        | Letter of Recommendation | Interviews | Test Scores | Essay/Writing Sampl | Resume/Work History Verification |
|----------------|--------------------------|------------|-------------|---------------------|----------------------------------|
| MA Philosophy  | 3                        |            | GRE         | Required            |                                  |
| PhD Philosophy | 3                        |            | GRE         | Required            |                                  |

## Graduate Examinations

Some programs may require an official graduate test for admission into their programs. Applicants should check with their program at [www.stthom.edu/gradadmissions](http://www.stthom.edu/gradadmissions) to verify if a test is required for admission. Official test scores must be received directly from the testing agency. The following tests may be required by the graduate programs:

**GRE Services** – 1-800-GRE-CALL or [www.ets.org/UST](http://www.ets.org/UST) Institution Code: 6880

**GMAT Services (Cameron School of Business)** – 1-800-GMAT-NOW or [www.mba.com/UST](http://www.mba.com/UST) Institution Code: JGH-49-57

**MAT Services** – 1-800-622-3231 or [www.millersanalogies.com/UST](http://www.millersanalogies.com/UST) institution code: 2256

## Deadlines

Applications should be submitted by the priority deadline to guarantee review by the graduate program. Applications may be reviewed after the deadline on a case by case basis.

## Admissions Decisions

After receiving the admissions application, fee, transcripts, and other required supporting documents, the graduate program will review the application and make an official admissions decision. Graduate students can be placed into one of the following categories:

**Regular Admission** – Student has submitted all of the required documents for admission and met all of the program’s admission criteria.

**Conditional Admission** – Student has either not submitted all of the required documentation for admission or has not met all of the admission criteria. Graduate programs may have additional requirements upon admission for students admitted in this status.

**Denial of Admission** – Student has not met the criteria for admission into the program.

## Acceptance Deferral Policy

A one-year deferral may be granted to admitted students who request to defer enrollment in writing for up to one year due to serious medical difficulties, military service, serious and unforeseen family emergency, or to make a volunteer service commitment not to exceed two semesters.

## Readmission

Applicants who decide to defer their application must do so in writing prior to the intended start date and have two years to reactivate it, barring any changes to the graduate program admission’s standards. Supporting documents and the application fee will remain on file during this period. After two years, a new application must be submitted.

## Changing Degree Programs

Students who wish to pursue a different degree after being accepted to another UST graduate program, must submit a new application and any supporting documents required by the new degree program. The new degree program will make a separate admissions decision and admission is not guaranteed.

## Second Master's Degree

Students who wish to pursue a second master's degree program from UST must submit a new application and any supporting documents required by the new degree program. Students will not be required to submit new transcripts or pay an additional application fee. The new degree program will make a separate admission decision and admission is not guaranteed. The student must meet the degree requirements of the new degree program to which they are admitted. Students are not permitted to seek the same degree more than once.

## Immunizations

Texas law requires students under the age of 22 (unless they are enrolled in a fully online program) to submit proof of a Bacterial Meningitis vaccine within the last 5 years or submit the appropriate exemption form. The immunization record can be submitted to the Office of Health Promotion & Wellness. Records can be emailed to [wellness@stthom.edu](mailto:wellness@stthom.edu) or faxed to 713-525-3514.

Contact the office of HPW with any questions about the immunization requirement or the exemption process at 713-525-3513 or email [wellness@stthom.edu](mailto:wellness@stthom.edu).

## Admission of Graduate International Students Transcripts

International applicants should provide the diploma/degree certificate, which contains the original seal or signature of the school's registrar/officer. To ensure timely processing, these items should be submitted at the time of application. All international applicants must possess the equivalent of a U.S. Bachelor's Degree.

## Transcript Evaluation

The University requires a GPA evaluation of all foreign transcripts. The Registrar's office will provide a GPA evaluation of foreign credentials for students who have applied to the University of St. Thomas. These evaluations will be an internal document, permanently retained in the student's record, for the sole purpose of admissions at UST. The results of the evaluation will be available to review upon request. If there is a disagreement about the conclusion of the evaluation, the student will be asked to have an outside evaluation performed at their own cost, by a NACES-approved evaluation company. Alternatively, the student may choose to decline UST's internal foreign credential evaluation and provide an academic credentials evaluation conducted by a NACES-approved evaluation company at his or her own expense.

If a program requires or a student wishes to transfer specific course credit(s), a course-by-course evaluation would need to be performed by a NACES-approved evaluation company.

Should an applicant choose an external evaluation company, the university prefers one of the following:

- World Education Services/212-966-6311/[www.wes.org](http://www.wes.org)
- Global Credential Evaluator's/979-690-8912/[www.gcevaluators.com](http://www.gcevaluators.com)
- Span Tran Educational Services, Inc/713-789-6022/[www.spantran-edu.com](http://www.spantran-edu.com)
- SDR Education Consultants/713-460-3525/[www.usteducation.sdr.credentialconnection.com](http://www.usteducation.sdr.credentialconnection.com)
- Any other National Association of Credential Evaluation Services (NACES) evaluation service, <http://www.naces.org>

## English Proficiency

International applicants, except those who are from countries where English is the only official language, those that have earned a degree from a regionally accredited US institution, or those that earned a degree in a country where English is the official language of instruction, are required to submit proof of English proficiency.

\*The University of St. Thomas prefers the following options to verify English proficiency:

- Test of English as a Foreign Language (TOEFL) [www.ets.org/toefl](http://www.ets.org/toefl) UST institution code: 6880
- The TOEFL is required for MED applicants seeking Texas teacher certification
- International English Language Testing System (IELTS): [www.ielts.org](http://www.ielts.org)
- Level 112 issued by the English Language Center (ELS) in Houston, TX: [www.els.edu/houston](http://www.els.edu/houston)
- Pearson PTE Academic <http://pearsonpte.com/PTEAcademic/Pages/home.aspx>

Please note that exceptions to the requirements above may arise if the university has an existing MOU agreement with a partnering international institution.

## Admission of Veterans or Dependents of Veterans

The University of St. Thomas is approved to offer eligible veterans and dependents of veterans the academic courses of study published in the University catalog and bulletins. Eligible students must apply for admission to the University following the procedures for their appropriate academic category.

The Director of Veteran Services is the first point of contact for students who are veterans or dependents and can be reached at 713-525-2101. The Director of Veteran Services will assist the eligible applicant in processing the documents pertaining to veteran educational benefits, including the initial application for benefits. Once admitted, continuing students who receive these benefits are required to contact the Veteran Success Center each semester prior to or during the registration process. The veteran/dependent must also have the approval of the Veteran Success Center when making changes to his/her approved courses during any semester of enrollment.

## Graduate Transfer Credit (A.04.05)

### Scope

All faculty and graduate students.

### Purpose

To allow the consideration of transfer credit from regionally accredited colleges/universities.

### Policy

The University of St. Thomas accepts transfer credit from regionally accredited universities toward the completion of graduate degrees. The specific transfer credit rules this policy governs are published annually in the relevant academic catalog. Amendments to these rules may be proposed by Deans or Program Directors as needed, following best practices in their respective academic fields. These amendments are sent to the Graduate Council for final review and approval. All rules ensure that at least one-third of the credit hours required for a graduate or a postbaccalaureate professional degree are earned through the University of St. Thomas.

The Registrar maintains a table showing the maximum number of transfer credits accepted into the different graduate programs at the University, to be found here: [Graduate Transfer and Credit Limits](#).

Transfer courses must be equivalent in content and credit hours to the University's listed curriculum requirements. Completion of a [Graduate Transfer Credit Approval Form](#) with the needed approval is required to be considered for transfer credit. Students wishing to receive transfer credit from foreign institutions must submit translated copies of syllabi or valid documentation from a [NACES-approved evaluation company](#). Students who are currently enrolled and wish to enroll in a class at another university for transfer credit at UST must obtain prior approval from the director of the program in which they are enrolled.

The graduate program may exempt a student from certain core/required courses with substitution to avoid duplication of content and to permit the student to broaden his or her educational background by taking an alternative course. Such course exemptions are considered by each graduate program director based on an appropriate group of closely related college-level courses completed with a grade of B or higher.

Students who already hold a graduate degree from the University of St. Thomas may be required to complete as few as 24 hours to obtain a second master's degree from the University. The specific number of hours required can be higher depending upon the specific courses completed in the prior graduate program and the specific requirements of the second degree.

## Credit for Prior Learning (A.04.06)

### Scope

All students.

### Purpose

The University of St. Thomas (UST) acknowledges the value of what students have learned outside formalized collegiate study, including through work and military experiences. UST defines Credit for Prior Learning (CPL) as translating students' prior education, career, or military experience into credit toward classes in their academic degree program at UST (*In accordance with SACSCOC Standard 10.8, UST publishes policies for evaluating, awarding, and accepting credit not originating from the institution. The institution ensures (a) the academic quality of any credit or coursework recorded on its transcript, (b) an approval process with oversight by persons academically qualified to make the necessary judgments, and (c) the credit awarded is comparable to a designated credit experience and is consistent with UST's mission.*).

### Policy

Through its CPL program, UST grants university-level credit for the successful completion of one or more of the following, up to the maximum of credits accepted at UST:

- Credit by Examination/Standardized Exams
- Evaluation of Non-College Education and Training
- Discipline-Specific Challenge Exams
- Discipline-Specific Portfolio Assessment

Refer to UST Transfer Credit policy for graduate programs and for undergraduate programs for maximum accepted credit by transfer into UST degree programs.

Credit for prior learning will not satisfy the University's residency requirement for a student's degree program.

Students will not receive credit for prior learning and credit for equivalent UST courses, transfer courses, or any other source of equivalent credit. For example, a student who received credit for ACCT 1341—Principles of Accounting I through completion of the course at UST or transfer credit will not receive credit through a prior learning assessment for the same course (ACCT 1341).

A student seeking credit for prior learning within their chosen degree program at the University should consult with the Office of Academic Advising and/or the chair of the academic department offering the program to discuss the exact degree requirements.

The Procedures for determining and awarding Credit for Prior Learning are available at [CM Browse Folders \(stthom.edu\)](http://www.stthom.edu).

### Credit by Examination/Standardized Exams

Please refer to [Credit by Examination policy \(A.02.01\)](#).

### Evaluation of Non-College Education and Training

UST recognizes the value of learning that occurs in formal instructional programs offered by non-collegiate entities and informal experiences, such as voluntary work (for example, marketing work for a non-profit organization). When available, UST relies on the evaluation of such programs from reputed and established organizations (for example, the American Council on Education (ACE)).

If such evaluation is unavailable, students should submit materials following the guidelines for Discipline Specific Portfolio Assessment; please see the section below.

### Discipline-Specific Challenge Exams

Challenge exams are developed and administered by UST's academic departments. Each department determines courses for which they would offer challenge exams. The cost is set by the Office of Academic Affairs in consultation with the Business Office and reviewed annually.

### Discipline-Specific Portfolio Assessment

A student may prepare and present a portfolio of work reflecting the knowledge and skills gained outside of the classroom. Each department determines courses for which they would accept portfolios for assessment of prior learning. The portfolio will be evaluated by faculty or external subject matter experts, as determined by the department chair or program director, to assign credit for prior learning. The Office of Academic Affairs, in consultation with the Business Office, sets the cost for portfolio assessment, which is reviewed annually.

## Finances

---

### Tuition and Fees

Tuition and fees are subject to change. Please refer to our Student Financial Services webpage at [www.stthom.edu](http://www.stthom.edu) for current tuition and fees information.

**Graduate Tuition per school for academic school year 2021–2022** (please contact St. Mary's for their tuition)

MBA, MIB, MPA, MSA, MSADS, MSB, MSF per credit hour \$1163

MEAM and MFA per credit hour \$600

|                           |                                |
|---------------------------|--------------------------------|
| MA and PhD – Philosophy   | per credit hour \$600          |
| MDSA, MLA, MASPP and MPPA | per credit hour \$765          |
| MEd, MACE, MACEL, and MAT | per credit hour \$832          |
| MAFC, MSM, MASE and JPII  | per credit hour \$407          |
| MSCMHC                    | per credit hour \$676          |
| DNP                       | per credit hour \$768          |
| RN-MSN, MSN               | per credit hour \$600          |
| Audit                     | 50% of per credit hour tuition |

To calculate the per-course tuition charge, multiply the second digit in the catalog number by the appropriate per credit charge. For example: HIST 5313 would have a charge of  $3 \times 1163 = \$3,489$ .

### Tuition, Fees, Parking & Books - All Inclusive

|  |          |
|--|----------|
| M.Ed. (off campus)                     | \$45,000 |
| MCTM (Exclusive of select travel fees) | \$35,000 |

### Fees

|   |             |
|---|-------------|
| Activity Fee: *                             |             |
| Full-time (9 credit hours or more)**        | \$100       |
| Part-time (less than 9 credit hours)        | \$60        |
| Summer term                                 | \$27        |
| Application                                 | \$35        |
| Company Deferment                           | \$75        |
| Diploma (copy)                              | \$50        |
| International Student Fee (each term)       | \$112.50/yr |
| International Student Postal Fee (one time) | \$75        |
| Late Registration                           | \$50        |
| Late Payment Fee                            | \$200       |
| New Graduate Student Fee                    | \$100       |
| Official Transcript Fee(each)               | \$8.25      |
| Parking Fee Fall or Spring semester         | \$100       |
| Parking Fee Summer semester                 | \$60        |
| Same Day Transcript Fee (each)              | \$25        |
| Technology Fee Graduate - Students          | \$160       |

\*Audit students are not required to pay activity fees.

\*\*The following programs are considered full-time based off 6 credit hours or more): Master of Arts in John Paul II Studies and Master of Fine Arts in Creative Writing.

### Room and Board

For information on room and board rates, contact the Director of Residence Life at 713-525-3836 or [residencelife@stthom.edu](mailto:residencelife@stthom.edu).

### Payment of Accounts

Students should check the status of their account online through myStThom via the University website at [www.stthom.edu](http://www.stthom.edu) and logging into their myStThom. The jUSTPay button, accessed through the Student Self Service link, provides access to make online payments, set up direct deposit, set up a payment plan, view a bill and set up an authorized payer. Tuition, fees and other charges not covered by loans, grants, scholarships or other means must be paid by the payment deadline for the term for which the student is registering. Students

not meeting these deadlines or making these arrangements for payment will be subject to administrative dismissal from the University. The University also reserves the right to dismiss students administratively should they not honor payment arrangements.

The University of St. Thomas e-mail account is the University's primary means of contact with the student, who should check it regularly for important University updates.

## Refunds

Refunds will be made to students officially withdrawing according to the schedule posted on the University of St. Thomas website. Note that "day" refers to class days and includes holidays (and Saturdays in the 14 week session).

Students may set up direct deposit for refunds via their myStThom account by accessing the JUSTPay link through their Student Center page. Direct deposit refunds will be processed Monday-Friday. Paper checks will only be processed on Fridays and will be mailed out to the student address on file. Students will not be able to pick up refund checks from the Cashier's Office.

Please see the [Student Financial Services webpage](#) for refund dates.

## Payment of Tuition and Fees

### Terms and Conditions

By enrolling at the University of St. Thomas, students understand that they must follow the formal add/drop and withdrawal procedures of the University and that non-attendance does not automatically withdraw them from a course or from the University. Furthermore, enrollment indicates that students agree to pay all collection expenses, including reasonable attorney's fees, which the University may incur if they do not fulfill the payment obligations as set for them by their enrollment. The cost of collection expenses may be up to 50% of the balance due.

Payment or payment arrangements are due prior to the start of the semester. Tuition, fees and other charges not covered by financial aid or other means must be paid by the due date. Students not meeting payment deadlines, not making sufficient payment arrangements or not honoring payment arrangements made will be subject to a late payment fee and/or administrative withdrawal from the University.

### Cash or Checks

The University accepts cash and checks with the proper identification. Checks returned for any reason will be charged a \$30 returned check fee.

### Credit Cards

Credit card payments (American Express, MasterCard, Visa and Discover) may be made online via myStThom at [www.stthom.edu](http://www.stthom.edu) through a third-party servicer. A convenience fee will be assessed for each credit card payment. The University of St. Thomas does not accept credit card payments.

### E-Checks

E-check payments are available online via myStThom at [www.stthom.edu](http://www.stthom.edu) without a convenience fee. E-checks are utilized with the banking information available on most paper checks.

### Payment Plans

The University offers a monthly payment plan option administered by a third party for tuition, fees, campus housing and meal plans. The plan is an interest-free way to pay educational expenses in monthly installments during the academic term. There is a \$35 participation fee for each payment plan and a \$30 missed payment fee when applicable.

Payment plans must be set up prior to the start of the semester. Payment plans are set up online through the student's myStThom account via the University's website at [www.stthom.edu](http://www.stthom.edu). The student must be registered for the term and have a balance for the term to set up the payment plan. Any anticipated financial aid for the term is deducted from the charges, and the balance is divided among monthly payments for the rest of the term. Payments are made directly via direct debit or direct credit card charge. Credit card payments will be assessed a convenience fee for each transaction. Students who fail to fulfill the obligations they have agreed to under a payment plan are ineligible to enroll in the payment plan in subsequent semesters and may be administratively withdrawn from the University.

### **Company Deferments**

The University allows students to defer tuition and fee charges until the end of the term if they are eligible for employer tuition reimbursement programs. At the time of registration, eligible students must submit to the Office of Student Financial Services a letter from the employer certifying eligibility for the program for the current term as well as the percentage of reimbursement granted. Any percentage of tuition not covered by the employer reimbursement must be paid at the time of registration. Students are required to sign a promissory note and pay a non-refundable \$75 fee per deferment by cash or check. Students who fail to fulfill the obligations they have agreed to under a company deferment plan are ineligible to enroll in a company deferment plan in subsequent semesters and may be administratively withdrawn from the University.

## **Financial Aid**

---

The University of St. Thomas believes that qualified students who wish to attend should not be prevented from doing so for financial reasons. Through financial aid programs, the University seeks to put educational costs within the reach of every student qualified for admission. Although the University expects students and families to finance the cost of education to the fullest extent possible, it makes every effort to assist those who need help.

Eligibility for each type of assistance varies, depending on the source of funds. All students attending the University who meet the eligibility requirements listed below qualify for some form of financial aid. Assistance offered by UST includes institutional and state grants, low-interest federal loans and work study.

The Office of Scholarships and Financial Aid has counselors available to assist students as they complete the application process. For additional information concerning application procedures, the determination of need, or financial aid programs, contact the Office of Scholarships and Financial Aid at 713-525-2170 or by e-mail at [finaid@stthom.edu](mailto:finaid@stthom.edu).

All students who believe they will need assistance to attend UST are encouraged to submit financial aid applications. Application procedures are outlined below.

### ***Applying for Financial Aid***

To apply for financial aid, all applicants must complete the Free Application for Federal Student Aid (FAFSA). The FAFSA form is available beginning Oct.1. Normal processing time of the FAFSA by the Department of Education is approximately 1 week.

FAFSA on the Web is a free U.S. Department of Education Website for completing a FAFSA online and submitting it via the Internet. Students must file the Free Application for Federal Student Aid online at [www.studentaid.gov](http://www.studentaid.gov). UST's school code, 003654, must be entered on the form. The FAFSA is signed electronically after the student (and parent, if applicable) first obtains a U.S. Department of Education ID, also at [www.studenaaid.gov](http://www.studenaaid.gov)

Applicants selected by the Department of Education for verification must also submit additional documents to the Office of Scholarships and Financial Aid, which may include IRS Tax Transcripts and Verification Worksheets, before any offer of financial aid can be prepared.

Other supplemental information will be requested as needed by the Office of Scholarships and Financial Aid. Students must have a completed financial aid file with all necessary documents, be regularly admitted to the University, and have met the minimum Satisfactory Academic Progress before any financial aid awarding may begin.

Financial aid awards are not made prior to admission to the University. Students are encouraged to pursue admission at the earliest possible point but should not wait for an admission decision before beginning the financial aid process.

### ***Eligibility Requirements***

Students seeking need-based financial aid must:

1. Have a high school diploma, Home School Equivalent or GED equivalent
2. Be admitted as a degree-seeking student
3. Be enrolled for at least half-time (6 credit hours, minimum)
4. Be a U.S. citizen or eligible non-citizen (I-551, I-151, I-94, I-688) or have certificate of naturalization
5. Maintain satisfactory academic progress (details in following section)
6. Not be in default on a federal loan or owe a refund on a federal grant

### ***Satisfactory Academic Progress (SAP)***

At the University of St. Thomas, all students applying for federal financial aid must meet the satisfactory academic progress academic progress guidelines have all elements and components of the regulation. This policy is as follows:

Satisfactory academic progress for financial aid purposes is defined as meeting all of the following:

1. Successful completion of 75% of all credit hours attempted
2. Minimum grade point average
  1. Undergraduate – first semester GPA, 1.70-1.99; second semester Cumulative GPA, 1.80- 1.99, third semester Cumulative GPA, 1.90-1.99, fourth and subsequent semesters Cumulative GPA, 2.00 and above.
  2. Graduate: 3.00 Cumulative GPA
3. Requirements for degree must be completed within a specified time: 180 credit hours attempted for undergraduates and 54 credit hours attempted for graduates.

"W", "I", and "F" grades will be calculated into the GPA as credit hours attempted with zero qualifying points earned. Courses passed with "P" grades will be counted into courses attempted but not into the GPA.

## Grants (Graduate)

Grants are awarded on the basis of financial need and do not require repayment. Grant funds are provided by the University of St. Thomas and by the federal and state governments. Financial aid award packages will include grant funds whenever regulations, University policies, and funding levels permit.

**Tuition Equalization Grant (TEG):** A state-sponsored program for Texas residents who meet state-specified eligibility requirements. Maximum award amount is established annually. TEG awards are contingent on state appropriations.

**Teacher Education Assistance for College and Higher Education (TEACH) Grant:** For students who agree to serve as a full-time teacher for a minimum of four years in a high-need field in a public or private elementary or secondary school that serves low-income students. Grant will be converted into a Federal Direct Unsubsidized Stafford Loan for any student who does not fulfill the teaching obligation within the required timeframe.

## Loans (Graduate)

Loans are often a part of a financial aid offer. The following long-term, low-interest loan programs provide students with an opportunity to defer the cost of their education.

**Federal Stafford Loan:** Unsubsidized low-interest, long-term loans provided by the William D. Ford Federal Direct Loan Program. Students must be enrolled half-time (6 hours to receive loan). Repayment begins six months after graduation or when the student ceases to be enrolled at least half-time.

**Graduate Plus Loans (PLUS):** Credit-based low-interest loans available to graduate students based on educational cost.

**Jewish Family Services Loan Fund:** A short-term, interest-free loan program available to all students for any related educational expense. The maximum loan amount is \$300. Applications are available in the Business Office.

## Work-Study/Campus Employment

The work-study program provides on- and off-campus jobs for students who need help to meet a portion of their living and educational expenses. Funding for the work-study programs is provided by the federal and state governments as well as the University of St. Thomas. Work-study awards are based on need.

- **Federal Work-Study:** A federal program that provides on-campus jobs for qualified students based on demonstrated need and is awarded by the Office of Scholarships and Financial Aid. Students receive paychecks for work performed.
- **Texas College Work-Study Program:** A state funded work-study program for eligible Texas residents. Students receive paychecks for work performed.
- **Campus Employment:** A number of positions are available on campus for students who desire to work. Such positions can be secured through the Career Services Office and are not part of financial aid awards.

## Financial Aid Appeals (Graduate)

Students who do not meet the satisfactory academic progress guidelines will be notified and will receive additional information regarding appeals. Students who believe that extenuating circumstances have affected the denial of financial aid have the right to appeal in accordance with the Financial Aid Appeal Process. In order to appeal, the student must complete an appeal form. All appeals must be submitted prior to the twelfth day

of classes (census date) for the term in which the student is seeking financial assistance. The Financial Aid Appeal Committee will review the appeal forms and will decide whether to reinstate student eligibility. The committee reserves the right to restrict the number and types of courses a student may take.

Following a reinstatement, the Office of Scholarships and Financial Aid will review the student's grades at the end of the period of reinstatement. The student will be required to complete each semester with a 3.0 GPA. A student who fails to meet this requirement will be denied financial aid for the upcoming semester, and appeals will not be accepted a second time. Repeated appeals are considered a violation of the intent of the satisfactory academic progress guidelines. If a student's appeal is denied, the student will be required to successfully complete 6 credit hours (of an academic nature) using his or her own financial resources before the committee will review the student's academic transcript again.

The decisions of the Financial Aid Appeals Committee are final, and subsequent appeals for the current academic term will not be accepted. The Financial Aid Appeals Committee's decisions may stipulate conditions and restrictions. If they are not followed explicitly, individuals forfeit their financial aid eligibility for the remainder of the academic year.

The Financial Aid Appeals Committee is scheduled to review completed appeal forms prior to the academic year or pending term. Students wishing to participate in the appeals will be notified of their eligibility to appeal and must submit the Scholarship appeal form or the Financial Aid appeal form to the Office of Scholarships and Financial Aid by the date listed on their notification.

### **REPAYMENT POLICY**

The federal government mandates that students who withdraw from all classes may keep only the financial aid they have "earned" up to the time of withdrawal. Title IV funds that have been disbursed in excess of the earned amount must be returned by the University and/or the student to the federal government.

The Office of Scholarships and Financial Aid will perform a calculation to determine the amount of aid earned by the student that he or she may keep (for example, if the student attended 25% of the term, the student will have earned 25% of the aid disbursed). The unearned amount (total aid disbursed minus the earned amount) must be returned to the federal government by the University and/or the student. Thus, the student could owe aid funds to the university, the government, or both. The Office of Scholarships and Financial Aid will notify and provide instructions to students who are required to return funds to the government.

### **EXIT INTERVIEW**

Loan recipients who graduate, withdraw from the University, or who cease to be enrolled at least half-time are required to complete an exit interview. It is the student's responsibility to complete his/her interview. Loan exit interviews must be completed online at [studentaid.gov](http://studentaid.gov), under the loan repayment menu.

### **REVISION AND CANCELLATION OF AID**

The University reserves the right to review, revise or terminate financial aid awards at any time due to changes in the student's financial and/or academic status; failure to comply with federal/state laws and regulations, including financial verification/audit procedures; or University policies, including those expressed in these publications, The Student Handbook or The Financial Aid Policies and Procedures Manual. In addition, financial aid awards are subject to revision should the annual allocation of funds to the University from the federal government or the State of Texas be reduced below anticipated funding levels or should limitations be placed on funds intended for student financial aid purposes.

### **PROFESSIONAL JUDGMENT**

While the method for determining a student's need for federal student aid is defined by law, the law does give the financial aid administrator the opportunity to use his or her professional judgment in some limited circumstances. Special circumstances might be loss of employment, reduction of earnings, estrangement from parents, divorce or death of parent/spouse. If students believe they have a special circumstance that should be reviewed, they are encouraged to visit with their financial aid counselor.

### **AID DISBURSEMENT PROCEDURE**

Financial aid funding is posted to the students account upon verification of enrollment and continued satisfactory academic progress (see Satisfactory Academic Progress), with the exception of Work-Study funds, which students must earn through actual employment. All financial obligations owed to the University will be deducted from any accepted student assistance. Financial obligations are the total amount owed regardless of any existing plan. The Business Office will issue any resulting credit balance to students via direct deposit to their bank account, or by check.

Since refunds may not be available until after classes have begun, students should be prepared to pay any initial expenses from other sources.

## **Repayment Policy**

The federal government mandates that students who withdraw from all classes or otherwise fail to complete any attempted classes during a semester may only keep the financial aid they have "earned" up to the time of withdrawal or non attendance. Title IV funds that have been disbursed in excess of the earned amount must be returned by the university and/or the student to the federal government.

The Office of Scholarships and Financial Aid will perform a calculation to determine the amount of aid earned by the student that he or she may keep (for example, if the student attended 25% of the term, the student will have earned 25% of the aid disbursed). The unearned amount (total aid disbursed minus the earned amount) must be returned to the federal government by the university and/or the student. Thus the student could owe aid funds to the university, the government, or both. The Office of Scholarships and Financial Aid will notify and provide instructions to students who are required to return funds to the government.

## **Exit Interview**

Loan recipients who graduate, withdraw from the University, or who cease to be enrolled at least half-time are required to complete an exit interview. It is the student's responsibility to complete his/her interview. Loan exit counseling should be completed online, at [studentaid.gov](http://studentaid.gov) under the Loan Repayment tab.

## **Revision and Cancellation of Aid**

The University reserves the right to review, revise or terminate financial aid awards at any time due to changes in the student's financial and/or academic status; failure to comply with federal/state laws and regulations, including financial verification/audit procedures; or university policies, including those expressed in these provisions, The Student Handbook or The Financial Aid Policies and Procedures Manual. In addition, financial aid awards are subject to revision should the annual allocation of funds to the University from the federal government or the State of Texas be reduced below anticipated funding levels or should limitations be placed on funds intended for student financial aid purposes.

## **Professional Judgment**

While the method for determining a student's need for federal student aid is defined by law, the law does give the financial aid administrator the opportunity to use his or her professional judgment in some limited

circumstances. Special circumstances might be loss of employment, reduction of earnings, estrangement from parents, divorce or death of parent/spouse. If students believe they have a special circumstance that should be reviewed, they are encouraged to visit with their financial aid counselor.

## Aid Disbursement Procedure

Financial aid funding is posted to the student's account upon verification of enrollment and continued satisfactory academic progress (see Satisfactory Academic Progress), with the exception of Work-Study funds, which students must earn through actual employment. All financial obligations owed to the university will be deducted from any accepted student assistance. Financial obligations are the total amount owed regardless of any existing plan. The Business Office will issue any resulting credit balance to students in the form of a refund. Refunds are not generally available until three or four weeks after classes have begun, students should be prepared to pay any initial expenses.

# University Life

---

## Athletics

In 2006, UST returned to intercollegiate athletics by beginning a women's volleyball program. After one season, the Celts were joined by men's soccer. The University further expanded into college athletics by adding men's basketball in 2009. In 2011, women's basketball and men's and women's golf were added to the department. Women's Soccer first competed in the fall of 2014 and Cross Country (men and women) will be offered in the fall of 2018.

The University was formerly a member of the National Association of Intercollegiate Athletics (NAIA) and the Red River Athletic Conference (RRAC). The NAIA promotes education and development of students through intercollegiate athletic participation and competition. Member institutions, although varied and diverse, share a common commitment to high standards and to the principle that participation in athletics serves as an integral part of the total educational process.

In the fall of 2019 St. Thomas will begin competing in the National Collegiate Athletic Association (NCAA) and Division III. Having already received an official invitation to become a member of the Southern Collegiate Athletic Conference (SCAC), UST will become a full-time official member of the SCAC in 2023-2024.

The UST Athletic Department is committed to creating a first-class environment by recruiting, developing, and retaining outstanding student-athletes who will maximize their potential intellectually, socially, and athletically while at St. Thomas. We are dedicated to providing the resources and leadership for our student-athletes to succeed in competition and in the classroom. We graduate champions! For more information about athletics, contact the Athletic Department at 713-831-7214.

University of St. Thomas Athletics: [www.ustcelts.com](http://www.ustcelts.com)

## Bookstore

The bookstore is owned and operated by Follett Higher Education and is located in Moran Center to serve UST students and faculty. In addition to textbooks, new and used, it sells school supplies, clothing and various other items.

### Hours of Operation

Monday - Thursday: 9:00 a.m. - 6:00 p.m.

Friday - Saturday: 9:00 a.m. - 3:00 p.m.

Holidays, summer hours, and extended hours will be posted on the school calendar and bookstore website.

## Campus Ministry

The Office of Campus Ministry provides liturgical worship and spiritual activities in the Catholic tradition at the Chapel of St. Basil, the heart of the University of St. Thomas. Students are encouraged to get involved in campus liturgical programs, retreats, Bible studies, and volunteer service experiences to integrate more fully their spiritual and academic development. All members of the University community are invited to participate in the services of Campus Ministry.

At the beginning of each Fall semester, the campus-wide traditional Mass of the Holy Spirit draws the campus community together to dedicate the academic year to the wisdom and guidance of the Holy Spirit. At the beginning of each Spring semester's campus-wide Mass of St. Thomas Aquinas the campus community prays for the guidance of the patron of the University of St. Thomas.

The Basilian Fathers and visiting priests celebrate two daily Masses in English, two Sunday Masses, and a weekly Mass in Spanish throughout the academic year. The Sacrament of Reconciliation is offered five days a week.

Campus Ministry sponsors weekly Eucharistic Adoration, that is fundamental to UST campus spirituality and growth. Students, faculty and staff participate by spending an hour of Eucharistic Adoration each week praying the Divine Mercy Chaplet and Rosary throughout the academic semesters.

In the R.C.I.A. (Rite of Christian Initiation for Adults) program during the academic year, Campus Ministry prepares student, staff and faculty for their reception of the sacraments of Baptism, Confirmation and Holy Eucharist at the Easter Vigil, and for deeper study of the Catholic faith.

Campus Ministry supports these UST Catholic student groups: the Knights of Columbus, Celts for Life, Augustine Without Walls, Theology of the Body, Bible Studies, and the Society of Macrina. Campus Ministry also collaborates with other UST departments to assist University members in current issues and volunteer service activities.

### *The Chapel of St. Basil the Great*

The Chapel of St. Basil is the center of the University's spiritual life and mission. The location of the Chapel of St. Basil and the Doherty Library at opposite ends of the academic mall represents faith and reason in dialogue at this Catholic University.

The Chapel's name is derived from St. Basil the Great, the patron saint of the Basilian Fathers-- the Catholic religious congregation that founded the University of St. Thomas. The Basilian Fathers are dedicated to education and evangelization through the charism of Jesus Christ, the teacher.

Designed by Philip Johnson, the Chapel is a prominent place of prayer and worship for the University community. The Chapel of St. Basil is world renowned for its post-modern architecture that creates a sacred silence of space. As such, the Chapel attracts national and international visitors interested in this Houston landmark. Tours may be booked through the Campus Ministry Office by phone: (713) 525-3589 or email: [campusministry@stthom.edu](mailto:campusministry@stthom.edu).

## Career Services and Testing Center

Career Services offers a variety of activities, events and services to assist students and alumni with career planning and job searching. In addition to services directly related to career issues, Career Services also works with students who need assistance in selecting academic majors. The Career Services office oversees the

Student Employment Program and, in collaboration with the Office of Alumni Relations, manages Insights, a mentoring program that matches graduating students with UST alumni. For more information, call 713-525-3160, or visit [www.CeltCareers.com](http://www.CeltCareers.com).

Career Services available include:

- Career counseling
- Career resource library
- Résumé writing assistance
- Interview skill development
- Job search correspondence
- Career assessments
- Online job and internship listings
- Job fairs and other career events
- On-campus recruiting
- Salary information

The Testing Center administers academic makeup tests and tests for students granted special accommodations by the Committee for Academic Accommodation. For more information and to view the complete testing policy, visit [www.CeltCareers.com](http://www.CeltCareers.com). To schedule a testing appointment, visit the Testing Center on the second floor of Crooker Center or call 713-525-3160.

## Counseling and Disability Services

Counseling and Disability Services (C&DS) provides academic accommodations for students with disabilities. The University abides by the Americans with Disabilities Act of 1990 (ADA) and the ADA Amendments Act of 2008, Section 504 of the Rehabilitation Act of 1973 and other legal mandates that stipulate qualified students with disabilities receive reasonable accommodation to ensure equal access to programs and opportunities at the University. The University must balance the individual's right to receive equal access and the University's right to ensure the integrity of its programs. Disabilities may be defined by the following:

- Learning disabilities
- Health impairments
- Physical limitations
- Psychiatric disabilities

Students should set an appointment with professional staff at C&DS to review the nature and history of the disability as well as present concerns related to the academic environment. The procedure for Disability Services is as follows:

1. If a student believes he/she may qualify for reasonable accommodations due to an impairment that creates a disability, the student will be asked to supply current professional diagnostic documentation of the disability and the student's needs. Appropriate documentation identifies the disability and indicates how it substantially limits current major life activities (e.g., learning, working, walking, seeing, hearing) as related to the academic environment. For students who have not had a previous professional evaluation or documentation, referrals may be provided.
2. To receive reasonable accommodations, the Committee for Academic Accommodation reviews the student's request. Students must sign a release of information after which the Committee will review the documentation and determine reasonable accommodations to meet the student's needs in the academic

environment. Each student's situation is individually assessed and reviewed. Information regarding accommodations is shared with UST faculty, staff, or administration only on a "need-to-know" basis and will be handled discreetly.

3. Once the student has been approved to receive accommodations, letters outlining the accommodations will be made available for the student to distribute to instructors and academic advisors. Each semester the student must request a new set of letters to ensure continuation of academic accommodations. If testing accommodations are granted, C&DS will notify the office of Career Services and Testing.

Students are encouraged to notify C&DS if problems arise related to their disability and receiving accommodations. Students should follow grievance procedures outlined in this publication to advance complaints related to disability issues.

The University strives to resolve differences through informal procedures whenever possible. Student complaints regarding Section 504-based academic accommodations or general access issues should be directed to the Executive Director of Counseling and Disability Services, who functions as the University's Section 504 Coordinator for students. For grievances regarding employment concerns at the University, complaints should be directed to the Associate Vice President of Human Resources.

More information is available at [www.stthom.edu/counseling](http://www.stthom.edu/counseling). For an appointment or additional information, contact Counseling and Disability Services at 713-525-2169 or 713-525-6953.

## Disability Nondiscrimination Policy (S.01.01)

### Scope

All Students.

### Purpose

To comply with Section 504 of the Rehabilitation Act of 1973.

### Policy/Procedure

#### 1. Counseling Services for Students

Counseling and Disability provides various services for students related to personal and emotional adjustment, mental health, developmental issues, academic skill-building and crisis intervention. Confidential services are provided at no cost for currently enrolled University students, are generally short-term, and follow a brief intervention model. Counselors will assess the nature and extent of a student's concern and make appropriate recommendations. Services offered include initial assessment, consultation, individual and group counseling, crisis intervention, academic support, campus outreach, and referral information. More information is available at [www.stthom.edu/counseling](http://www.stthom.edu/counseling). For an appointment or additional information, contact C&DS at 713-525-2169 or 713-525-6953.

#### 2. Disability Services for Students

Counseling and Disability Services also provides academic accommodations for students with disabilities. If a student has a documented disability, reasonable and appropriate academic accommodations for students who qualify under Section 504 of the Rehabilitation Act of 1973 are available to ensure equal access to programs and opportunities at the University. Disabilities may be defined by the following:

- learning disabilities
- health impairments
- physical limitations

- psychiatric disabilities

Students should set an appointment with professional staff at C&DS to review the nature and history of the disability as well as present concerns related to the educational environment. For information regarding the procedures required to obtain academic accommodations at UST, please refer to the UST Undergraduate Catalog or visit our website at: [www.stthom.edu/counseling](http://www.stthom.edu/counseling). For an appointment or additional information, contact C&DS at 713-525-2169 or 713-525-6953.

### 3. Disability Nondiscrimination Policy

It is the policy of the University of St. Thomas not to discriminate on the basis of disability in admission and access to, or treatment or employment in its program or activities, as required by Section 504 of the Rehabilitation Act of 1973, as amended, (involving disability discrimination), and the implementing regulations. If you have any questions regarding this policy, please contact the following persons:

#### Section 504 Coordinators

- Primary for Students: Executive Director of Counseling and Disability Services (713) 525- 3162
- Primary for Faculty and Staff Employees: Associate Vice President for Administrative Services (713) 525-3813
- Secondary for Students: Vice President for Student Affairs (713) 525-3570
- Secondary for Faculty and Staff Employees: Vice President for Finance (713) 525-6960

University of St. Thomas  
3800 Montrose Boulevard  
Houston, Texas, 77006

If you believe you may have been discriminated against in violation of this policy, please immediately contact the Section 504 Coordinators, the Office of Human Resources or the Office of Student Affairs for a copy of the University's Discrimination Grievance Procedures.

### 4. Discrimination Grievance Procedures

The University of St. Thomas has adopted an internal grievance procedure providing for the prompt and equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act of 1973, as amended (involving disability discrimination). Information will be kept confidential to the extent possible. The Section 504 Coordinators will maintain the files and records related to all complaints filed, the written findings, and resolutions. The Executive Director of Counseling and Disability Services will maintain files and records for students; the Associate Vice President for Administrative Services will maintain files and records for faculty and staff employees. Federal law strictly prohibits any retaliation against a person who exercises the right to file a complaint of discrimination. Retaliation is prohibited whether or not the complainant prevails with the complaint. Charges of retaliation shall be treated as separate and distinct from the original complaint of discrimination and may be filed utilizing this grievance procedure.

### 5. Complaints

**a. Disability Discrimination of Students.** Complaints by students involving disability discrimination should be filed with the Section 504 Coordinator. The Section 504 Coordinator for students is the Executive Director of Counseling and Disability Services. Location: Office of Counseling and Disability Services, Crooker Center, second floor. Telephone: (713) 525-3162

**b. Disability Discrimination of Faculty and Staff Employees.** All disability discrimination complaints by faculty or staff employees should be filed with the Associate Vice President for Administrative Services. Location: T.P. O'Rourke Hall, first floor Telephone: (713) 525-3813

**c. Discrimination Grievance Officers.** The persons designated above to receive complaints under these procedures shall be referred to as Discrimination Grievance Officers. If the designated Grievance Officer is the accused party, the complaint may be filed with the other Grievance Officer or the Vice President for Student Affairs (for students) or the Vice President for Finance (for faculty and staff employees).

**d. Complaints by Mail.** Complaints may also be mailed to the appropriate Discrimination Grievance Officer at the following address:

**University of St. Thomas  
3800 Montrose Boulevard  
Houston, TX 77006**

The complaint and its envelope should be marked "Confidential."

## 6. Procedure for Complaints

a. Contents of Complaint. Complaints must be filed in writing with the Discrimination Grievance Officer and must contain:

1. Name and address of the person making the complaint ("Complainant").
2. A brief description of the alleged discriminatory action or actions.
3. The date or dates of the alleged discriminatory actions.
4. The person or persons alleged to have engaged in the discriminatory action or actions.

**b. Deadline for Filing the Complaint.** The complaint must be filed with the appropriate Discrimination Grievance Officer within 30 days after the Complainant becomes aware of the alleged discrimination. (Processing of allegations of discrimination that occurred before this grievance procedure was in place will be considered on a case-by-case basis, or under other appropriate grievance procedures.)

**c. Informal Resolution.** The Grievance Officer will notify the appropriate Vice President of the complaint, if deemed necessary. If the accusing individual is a student, the Executive Director of Counseling and Disability Services will address the complaint. If the accusing individual is a faculty or staff employee, then the Associate Vice President for Administrative Services will address the complaint. The Grievance Officer shall determine whether the matter may be promptly resolved informally (for example, when the complaint arises from miscommunication between the parties, or when the accused party admits wrongdoing and agrees to take appropriate corrective action). Informal resolution will be attempted as soon as possible and need not wait for the written response of the accused party, unless deemed appropriate by the Grievance Officer. If the Associate Vice President for Administrative Services is the accused party, the Complainant will contact the Vice President for Finance instead of the Associate Vice President for Administrative Services. If the Executive Director of Counseling and Disability Services is the accused party, the Complainant will contact the Vice President for Student Affairs instead of the Executive Director of Counseling and Disability Services. If the area Vice President is the accused party, the Grievance Officer will contact the President instead of the Vice President.

**d. Response.** The accused party will be provided a copy of the complaint and will provide the Grievance Officer a written response within five business days after receiving a copy of the complaint. The Grievance Officer may waive the requirement for a written response if the matter has been informally resolved.

**e. Investigation.** If it appears that the matter cannot be informally resolved, the Grievance Officer will proceed with the investigation. The investigation may be informal, but shall be impartial and as thorough as appropriate under the circumstances. The Complainant and the accused party shall be given an opportunity to

submit evidence relevant to the filed complaint. The Grievance Officer may also interview persons who the officer believes may have knowledge bearing on the matter and may require the Complainant or accused party to provide additional documentation, information or evidence that the officer deems appropriate.

**f. Determination and Resolution.** The Grievance Officer will prepare written recommended findings as to the validity of the complaint and will, after consultation with the area Vice President, recommend resolution of the complaint, if any (“Recommendation”). The Recommendation will then be given to the area Vice President, who will make the final decision and communicate the decision to the Complainant and the accused party (“Determination”).

**g. Reconsideration.** Either party may appeal the Determination by filing a notice of appeal (“Notice”) with the President of the University. The Notice must be filed within five business days after receipt of the Determination, and must include a copy of the Determination and a description of the issues being appealed. Copies of the Notice shall be provided by the appealing party to the Grievance Officer and the appropriate area Vice President. The Grievance Officer will provide a copy of the Notice to the other party. The other party may file a rebuttal statement to the appeal within five business days after receipt of the Notice. The President (or designee) shall review the matter and take any appropriate action, including, but not limited to affirming, modifying or reversing the Determination or requiring that additional investigation be performed. The President shall provide a written decision to both parties, the appropriate area Vice President and the Grievance Officer.

## Emergency Preparedness

### **Emergency Notification System:**

The University of St. Thomas utilizes an Emergency Notification System (ENS) to communicate important alerts and emergency response information to students, faculty and staff. The ENS system will enable campus leaders to schedule, send and track personalized voice messages to as many as six phone numbers per person, and immediately sends messages via four different modes of communication: voice messages, text messages, email messages, and messages to TTY/TDD receiving devices for the hearing impaired. Update your contact information via the University’s portal, myStThom to receive Emergency Alerts.

## Health and Wellness

### **Local Health Clinics and Resources:**

The University of St. Thomas has a partnership with the University of Texas Health Services (UTHS), a comprehensive, high-quality medical facility located less than three miles from campus in the Houston Medical Center. Enrolled students may access medical care through UTHS. UTHS accepts most major insurance plans. Students should call UTHS to schedule an appointment at 713-500-3248 and must present a valid UST student identification card at the clinic upon arrival to receive services. UTHS is located at 7000 Fannin, Suite 1620, Houston, Texas 77030. [www.uthealthservices.com](http://www.uthealthservices.com). There are also several walk-in clinics available at local pharmacies within walking distance to the UST campus, along with several urgent care facilities within two miles of the UST campus.

There are also several walk-in clinics available at local pharmacies within walking distance to the UST campus, along with several urgent care facilities within two miles of the UST campus. See the UST webpage for more details or contact the Health Promotion & Wellness Office.

**Nurse Health Line:** Not feeling well? Not sure what to do? Call us and we’ll help you decide. Registered Nurses are available 24 hours/7 days. Call 713.338.7979

- Speak with a nurse when you are uncertain about what to do about a particular health concern.
- Get help with deciding where and when to go for treatment.

- The service is free and available to all Harris County residents, regardless of whether you have insurance or a doctor.
- Bilingual staff or interpreters will assist you.

The Nurse Health Line is funded by the 1115 Medicaid Waiver for the benefit of all Houstonians and is endorsed by the Houston Department of Health and Human Services.

## Jerabeck Activity and Athletic Center

The John D. Jerabeck Activity and Athletic Center (JAAC) is the focal point for the University of St. Thomas intercollegiate athletics, campus recreation, and physical fitness activities. It houses the Department of Athletics, the Department of Recreational Sports and the Department of Health Promotion & Wellness.

The JAAC has a basketball/volleyball arena with bleacher-seating capacity for more than 800 spectators, three racquetball/handball courts, men's and women's locker rooms, a weight room, a fitness room, a dance room and several large classrooms. Outdoor facilities at the JAAC include a swimming pool, a half-court basketball court and a sand volleyball court.

The JAAC is open seven days a week, excluding holidays. The University encourages its entire community of students, faculty, and staff to participate in the many activities that the JAAC offers.

### Sport Clubs

The Assistant Director of Recreational Sports is responsible for managing the recognition of and advising of sport club activities. Questions concerning sport clubs should be forwarded to the Sport Club Association President at 713-525-3874 or to the Assistant Director of Recreational Sports at 713-942-5036, [recsports@stthom.edu](mailto:recsports@stthom.edu). Following is the current list of recognized sports clubs:

Coed Cheerleading

Coed Fencing Coed Martial Arts Coed Running

Coed Sand Volleyball Coed Table Tennis Coed Tennis Coed Ultimate Frisbee

Coed Biking Men's Basketball Women's Soccer

## John H. Crooker University Center

Crooker Center is the hub of student co-curricular activities and the location of many offices. These include Student Affairs, Career Services, Counseling & Disability Services, Dean of Students, Student Activities, Academic Advising, Tutorial Services, Campus Ministry, and Dining Services. Some of these offices comprise the Mendenhall Achievement Center. Additional student offices include the Executive Student Organization Office which included Campus Activities Board, Campus Initiatives, Campus Community, Student Body President, Student Government, and Treasury, as well as the Registered Student Organization. Crooker Center is also the location of the Council of Clubs Room, Old Bookstore Lounge and the Ahern Room.

## Libraries

**The Robert Pace and Ada Mary Doherty Library**, the main University library, has over 260,000 volumes and access to over 150,000 electronic books, 225 databases, and access to over 80,000 periodical titles. The library provides various study areas, including silent reading areas, for students and faculty. The Doherty Library uses the Horizon automated library system and has online resources available through the library Website (<http://library.stthom.edu>). The Doherty Library participates in the TexShare cooperative library program. TexShare allows students to have borrowing privileges at most university and college libraries in Texas through the use of a TexShare card.

**The Hugh Roy Marshall Graduate Philosophy Library**, especially strong in resources for the study of Thomism, contains approximately 11,000 volumes in the area of medieval philosophy, theology and history. This collection supports the graduate program of the Center for Thomistic Studies, stressing a historical understanding of Aquinas texts and a rigorous rethinking of this thirteenth-century wisdom in the light of twenty-first-century problems and realities. The Graduate Philosophy main collection is located on the second floor of the Doherty Library and all students can consult it. The Special and Reference collections of the Graduate Philosophy Library, located in Doherty Library's second floor Hugh Roy Marshall Room, has restricted access.

**The Music Library** is located on the second floor of Cullen Hall. It contains more than 3,000 scores, both vocal and instrumental, as well as access to three different audio databases that include over 20,000 tracks. The Music Library is located on the second floor of Cullen Hall. It contains more than 3,000 scores, both vocal and instrumental, as well as access to three different audio databases that include over 20,000 tracks. There are also 450 LP records in this library's reserved section.

**The Cardinal Beran Library** at St. Mary's Seminary is an integral part of the University's Graduate School of Theology. It has approximately 62,000 volumes, current subscriptions to 203 journals, 8,033 bound volumes of periodicals, 1,523 pamphlets, and 991 audio-visual items. Special collections include selected primary resources of the late eighteenth and early nineteenth century Catholic writers and a collection of historical pamphlets for catechesis of the laity. The library has been the beneficiary of the personal collection of former Bishop Wendelin J. Nold and the Blessed John Henry Newman resources from UST scholar, Fr. Richard Schiefen, CSB as well as books from retired Bishop Vincent M. Rizzotto and Archbishop Emeritus Joseph A. Fiorenza. Additionally, there are developing collections of primary resources relating to Vatican II and a collection of Catholic Fiction. Theological titles in Spanish and Vietnamese are obtained when available. To access the resources available in the Cardinal Beran Library, go to [www.smseminary.com/library](http://www.smseminary.com/library).

## Parking and Bicycle Regulations

The Moran Center Parking Garage, located at the corner of West Alabama and Graustark (entrance on Graustark) is available to students, employees and visitors. Parking permits are available each semester as well as a daily parking rate. Permits may be purchased on line.

Street parking is available on and around campus. Be sure to follow all parking regulations and signs.

The University promotes bicycling for ease and the health and environmental benefits. For the safety of the University community, we have adopted the following regulations:

- Bicycles must be parked only at bicycle racks.
- Bicycles may not block pedestrian traffic nor be chained to stairwells or arcade columns. Violators may have their bicycle chained (\$25 removal fee) or removed by Security. The University will not be held responsible for damaged locks.
- Riding a bicycle on principal pedestrian sidewalks, through building walkways (inside or outside), or other pedestrian paths is not permitted. Riders are expected to dismount when using pedestrian-only walkways.
- UST Security bike patrol officers are exempt from these limitations when performing official duties.

For information, call the University Police and Security at 713-525-3888 or email [security@stthom.edu](mailto:security@stthom.edu).

## Student Affairs

The Division of Student Affairs supports the mission of the University and the Basilian Catholic tradition through programs, policies, and services that offer valuable learning experiences and promote development of the whole person. Student Affairs is comprised of the following offices: Campus Ministry, Career Services,

Counseling and Disability Services, the Office of the Dean of Students, Health Promotion and Wellness, Intercollegiate Athletics, Residence Life (which includes Guinan and Young Halls), Recreational Sports (including the Jerabeck Activity and Athletic Center), Student Activities, the Office for Student Success, and the University Police Department.

The Mendenhall Achievement Center, located on the second floor of Crooker Center, was established at the University of St. Thomas in 2008 as the result of a gift to the University from Trini Mendenhall, the former owner of Fiesta Mart, Inc., and a former board member of the University of St. Thomas. The Center is comprised of a professional support team that works collaboratively to provide a comprehensive approach designed to assist students with achieving their goals.

Services within the Mendenhall Achievement Center include Academic Advising, the Career Services and Testing Center, Counseling and Disability Services, Tutorial Services, and the Office for Student Success. In addition to its central location, students benefit by having these support services in one location.

The Office of Student Affairs, located on the second floor of the Crooker Center, also helps coordinate the Student Government Association, the Student Activities Board, the Council of Clubs, and management of the Crooker Center, and oversees the Code of Student Conduct. The Office of Student Affairs issues UST Identification Cards; schedules room reservations for the Old Bookstore in Crooker Center, as well as the Crooker Center corridor spaces; and keeps students aware of campus events and activities through semi-weekly email announcements. Offices of the Vice President for Student Affairs, the Assistant Vice President of Campus Life, and the Dean of Students and Assistant Vice President for Student Success are located in the Office of Student Affairs.

For information on any of the above, or if you have concerns or ideas, please contact our office at 713-525-3570.

## Student Organizations and Activities (Grad)

The Graduate Student Association's (GSA) mission is to represent and support the interests of the University's current and future graduate student community by supporting scholarly activities and providing leadership, service, and social opportunities for its members. The GSA exists to enrich the experience of the University's graduate students and interested undergraduate students. The GSA accomplishes these objectives by responding to the changing collective needs of our primary constituents. The GSA is designed to serve all UST students. The Graduate Student Association includes the Graduate Senate, Graduate Clubs System and the Graduate Programming Board.

There are a variety of student clubs and organizations on campus for both undergraduate and graduate students. To find a complete list of clubs and organizations on campus, visit the Office of Student Activities in Crooker Center. Additionally, there are clubs and organizations specific to students in the various graduate programs on campus.

The University of St. Thomas provides technology to its students for academic and personal use. UST students can utilize high speed Internet access from a campus-wide network. UST's wireless network covers the majority of the campus and allows for guest access as well.

The University offers several online services to students, including Webmail, registration, access to class schedules, grades, online payment services, and an online learning management system for distributed and distance learning initiatives. Student organizations and clubs are eligible for web space and email accounts.

Most classrooms have integrated instructor stations and media projection systems that are permanently installed. Several classrooms are equipped with student computer workstations.

The primary student computing lab, located in the Doherty Library for ease of access, provides computers and printers that access common instructional applications. In addition, computers designated for student use are available in the Tutorial Services Center, Language Lab, Guinan Residence Hall, and several other departmental laboratories, such as Chemistry and Psychology. Students may also use their own computers with the wireless network.

## Tutorial Services Center

The goal of the Tutorial Services Center is to help students become more self-sufficient and confident with their learning skills. To that end, the TSC offers comprehensive peer tutoring for students currently enrolled at UST. All tutors must meet specific academic requirements, be recommended by UST faculty, and undergo a certified training program in a variety of academic subjects and general writing skills. The Tutorial Services Center (TSC) is certified by the College Reading and Learning Association (CRLA) under its International Tutor Training Certification Program (ITTCP). The ITTCP recognizes and reinforces successful tutoring services by setting common high standards for tutor skills and training. TSC tutors receive ongoing specialized training and are certified in three areas, Regular, Advanced and Master, depending on their experience.

Besides providing assistance in content areas, tutors help students understand general concepts; for example, what are the elements of fiction or how does a democracy differ from a republican form of government? Though tutors do not edit writing assignments, they guide students through the process, pointing out problems such as unclear thesis statements, grammar errors, and weaknesses in organization and development. The word “tutoring” is often associated with remedial help. However, even students who are doing well in a subject area visit the TSC in order to put the finishing touches on an assignment, to let an objective reader make useful suggestions, or to get confirmation of a job well done. We are happy to provide such reinforcement and to be a part of someone’s academic success.

The TSC also offers weekly workshops in thesis development, paragraph organization, the research paper process, writing a successful essay examination, and identifying academic integrity issues. This information is posted on the TSC Website, the UST APP, and in weekly Campus Announcements. Our Website also includes learning links that students may access for further assistance.

As part of the Mendenhall Achievement Center, a complex of centralized services for students, the TSC is committed to student success at the University of St. Thomas. Located in 207 Crooker Center, the TSC is open Monday–Thursday, from 9:00 A.M. – 7:00 P.M. and Friday, from 9:00 A.M. – 2:00 P.M.

The [TSC Website](#) provides comprehensive information and answers many student questions. You may contact us at [tutoring@stthom.edu](mailto:tutoring@stthom.edu), through the UST APP, or by calling 713.525.3878.

## University Police

The University Police Department offers the University safety and peace of mind by providing security and assistance 24 hours a day. Services provided include:

- Emergency Preparedness Website
- Emergency Call Boxes located throughout the campus
- Security Escorts
- Personal Safety
- Shuttle Services
- Parking Policy
- Pay My Fine
- Campus Event Security

The Police Department Office is located on the first floor of Moran Center Parking Garage. University Policy can be reached by dialing 3888 from any campus phone; or 713 525 3804 and at [police@stthom.edu](mailto:police@stthom.edu).

## Academic Information

---

### Definition and Determination of Credit Hours (A.00.00)

#### Scope

The following course types are covered by this policy.

- Classroom-based: Scheduled contact occurs primarily face-to-face in a classroom setting.
- Faculty-directed independent learning: Scheduled contact occurs via faculty supervision of students pursuing directed study for credit for such activities as capstone projects, independent work for distinction, or graduate thesis and dissertation requirements.
- Place-or practice-based: Scheduled contact occurs in non-classroom locations such as corporations (internships), schools, or clinics.
- Blended: Scheduled contact is a defined mixture of face-to-face and distance/online interactions.
- Online: Scheduled contact is mediated entirely online.

#### Purpose

Academic credit provides the basis for measuring the amount of engaged learning time expected of a student enrolled in traditional classroom settings, laboratories, internships, clinical fieldwork, online and hybrid courses, and other experiential learning. The credit hour value is an amount of work represented in intended learning outcomes and verified by evidence of student achievement to include contact time, the educational experience, and out-of-class preparation by the student.

#### Definition of a Credit Hour

The faculty of the University of St. Thomas (UST) determine the amount of credit awarded for undergraduate and graduate courses based on the unit of semester credit hour in accordance with federal and state rules.

UST adheres to the Carnegie unit for contact time, which is 750 minutes for each credit awarded: 14 weeks of classroom time totaling 2,100 minutes of instruction plus the 150 minute exam.

The University of St. Thomas (UST) defines a credit hour in accordance with federal regulation 34 CF 600.2 and the Texas Administrative Code, Title 19, Chapter 4, Subchapter A, Rule 4.6 [1]. As outlined by federal regulation:

A credit hour is an amount of work represented in intended learning outcomes and verified by evidence of student achievement that is an institutionally established equivalency that reasonably approximates not less than:

(1) One hour of classroom or direct faculty instruction and a minimum of two hours of out of class student work each week for approximately fifteen weeks for one semester hour of credit, or

(2) At least an equivalent amount of work as required in paragraph (1) of this definition for other academic activities as established by the institution including laboratory work, internships, practica, studio work, and other academic work leading to the award of credit hours.

The Texas Administrative Code (TAC) stipulates that “traditionally delivered three semester credit hour courses should contain 15 weeks of instruction (45 contact hours) plus a week for final examinations so that such a

course contains 45 to 48 contact hours "**depending on whether there is a final exam.**" Additionally, "courses delivered in shortened semesters are expected to have the same number of contact hours and the same requirement for out-of-class learning as courses taught during a normal semester"

## Determination of the Amount and Level of Credit Hours

The faculty of each academic department or program review process ensures that the amount and level of credit awarded for undergraduate and graduate courses are compatible with sound academic practice in their particular academic disciplines and their professional judgment applied to the following criteria:

- The student learning outcomes of the course
- The amount and quality of work required by the student learning outcomes for the course
- The sophistication of course content relative to the content of: (a) other courses in the discipline; (b) the same or comparable courses in the discipline at other institutions; and (c) other courses in the curriculum in general
- Any recommendation that may come from the chief academic officer, or an academic department
- Any relevant guidance that may be available from sources such as the American Association of Collegiate Registrars and Admissions Officers (AACRAO)

The Undergraduate Curriculum Committee is responsible for reviewing and approving the amount and level of credit recommended by the faculty for all undergraduate courses leading to the baccalaureate degree, whether on-campus, off-campus, or online. The Graduate Council is responsible for reviewing and approving the amount and level of credit recommended by the faculty for all graduate courses.

## Guidelines for the Assignment of Credit

For courses offered during a typical 15-week semester, the combination of scheduled contact and independent student effort must be equivalent to at least 3 hours per week per credit hour. The guidelines should be adjusted accordingly a) for shorter courses, b) as directed by external agencies such as specialized accreditors, or c) as warranted by the standards of the discipline.

In a **face-to-face course**, credit hours are generally based on the hours per week the students spend in the classroom or lab, or "contact hours" with the students. A course that meets for three 50-minute periods per week during a full 15-week semester is considered 3 credit hours.

For **online and blended learning courses**, the hours per week is calculated by Time on Task. Faculty developing courses in these modalities estimate how long it will take the average student to complete all of the assignments to achieve the student learning outcomes for that week, including reading assignments, videos, quizzes, discussions, and group work.

## Level of Credit

The level of credit indicates the progressive complexity of coursework. Courses numbered 1000 contain entry level information for students beginning their academic degree. These are introductory courses that constitute the beginning of college work and do not require previous college experience (no pre-requisites are required). Typically, these courses would be taken by freshmen. Each level above that contains higher levels of disciplinary content. 2000 level courses have a higher level of disciplinary content than 1000-level courses. 3000- and 4000- level courses are typically the final courses students would take in their bachelor degree and the level would be the highest level of learning that should occur for the bachelor degree level.

This pattern of progressively more disciplinary content and complexity continues for Masters and Doctoral level courses, which carry course numbers at the levels of 5000, 6000, 7000, and 8000.

# Degree Plans and Application to Graduate (A.01.01 NGP)

## Degree plans and Application to Graduate

The Academic Advisement Reports are reviewed as part of the student's intent to graduate. These reports are located in the portal and show the courses a student has taken to complete the degree requirements.

Students must complete the online intent to graduate process according to the following schedule:

- First Monday of November for graduation in the following Spring or Summer semesters.
- First Monday of April for graduation in Fall of the following semester.

December and May graduates and summer graduation candidates may choose to participate in the annual May Commencement.

## Student Responsibilities

Students are responsible for keeping their own records and for knowing the University's policies and regulations, those of a general nature as well as those pertaining to their particular program of studies. The ultimate responsibility for the student's academic program and orderly progress through the University curriculum rests with the student. If anyone advises a student contrary to the University's stated policies and regulations, the student should consult the dean of the school involved or the Registrar.

# Classification - Undergraduate (A.02.03)

## Scope

All Undergraduate Students.

## Purpose

To define the number of hours required to be classified a freshman, sophomore, junior or senior

## Definitions

### A. Course Numbers:

Courses are identified by subjects and four-digit numbers. The first digit indicates the level of a course. A "1" indicates first-year or entry level, while "3" and "4" indicate upper-division and typically presume prior completion of courses beginning with "1" or "2." The second digit indicates the number of credit hours earned for successful completion of the course. The final two digits indicate the departmental sequence. Thus, Chemistry 1341 is a first-year chemistry course carrying 3 credit hours, and Chemistry 1141 is a first-year course carrying 1 credit hour. These two courses are lecture and lab for first-year General Chemistry and together total 4 credit hours.

### B. Credit Hours

The unit of measurement for academic work is the credit hour, representing fifty minutes of class lecture or contact time per week for one semester. Two to four laboratory clock hours are usually required for earning 1 credit hour in a laboratory course.

## Policy/Procedure

### 01. Classification

A student's classification is based on the total number of credit hours successfully completed: freshman, 0 through 29 hours; sophomore, 30 through 59 hours; junior, 60 through 89 hours; senior, 90 hours and above.

**APPROVED: Board of Directors**

**Date of Original Formation: 9/1/2010**

**Revision Number:**

**Revision Date:**

**Effective Date:**

## Course Numbering System (A.02.02-3 NGP)

Courses are identified by subjects and four-digit numbers. The first digit indicates the level of a course. Graduate level courses are numbered from 5000-9000. In most cases the second digit indicates the number of credit hours earned for successful completion of the course. The final two digits indicate the departmental sequence.

## Grading Policy (A.02.04)

### Scope

All Students

### Purpose

To describe grades and grade point values.

### Definitions

#### A. Course Numbers

Courses are identified by subjects and four-digit numbers. The first digit indicates the level of a course. A "1" indicates first-year or entry level, while "3" and "4" indicate upper-division and typically presume prior completion of courses beginning with "1" or "2." The second digit indicates the number of credit hours earned for successful completion of the course. The final two digits indicate the departmental sequence. Thus, Chemistry 1341 is a first-year chemistry course carrying 3 credit hours, and Chemistry 1141 is a first-year course carrying 1 credit hour. These two courses are lecture and lab for first-year General Chemistry and together total 4 credit hours. If a course ends with a character of 'X', this denotes that the course uses a non-degree grading basis (does not factor into the GPA). If a course ends with a character of 'V', the credit hours of the course are variable. For variable-credit classes, the 2nd digit will be a zero.

#### B. Credit Hours

The unit of measurement for academic work is the credit hour, representing fifty minutes of class lecture or contact time per week for one semester. Two to four laboratory clock hours are usually required for earning 1 credit hour in a laboratory course.

## Policy/Procedure

### 1. Grading and Point Equivalents

A = 4.00 grade points per credit hour

A- = 3.70 grade points per credit hour

B+ = 3.30 grade points per credit hour

B = 3.00 grade points per credit hour

B- = 2.70 grade points per credit hour

C+ = 2.30 grade points per credit hour

C = 2.00 grade points per credit hour

C- = 1.70 grade points per credit hour

D+ = 1.30 grade points per credit hour

D = 1.00 grade points per credit hour

F = 0.00 grade points per credit hour

P = Credit earned without impact on the student's GPA. See the policy on Pass/Fail Option.

I = Incomplete. At the discretion of the faculty member, a grade of "I" may be assigned to a student who has successfully completed [i.e., with at least a passing grade] a majority of the work of the class and who has an unavoidable and compelling reason why the remainder of the work cannot be completed on schedule. Incomplete grade requests can only be submitted after the end of the formal withdrawal ("W") period. Upon the completion of the work within the next regular semester at the time prescribed by the faculty member, the faculty member will award the student a letter grade, including the possibility of an "F." An "I" grade that is not replaced by a letter grade or an "IE" grade by the end of the grade deadline in the subsequent regular semester will automatically become a grade of "F."

IE = Incomplete Extended. At the discretion of the faculty member, a grade of "IE" may be assigned to a student for one semester if the situation warrants. The "IE" grade that is not replaced by the end of the grade deadline of the semester in which it expires will automatically become a grade of "F."

DS = Passing, Stopped Attending. Same grade point calculation as "D." Denotes that the student stopped attending but did not officially withdraw. This is an internal classification for tracking purposes and will appear on the transcript as an "D".

FN = Failure, Never Attended. Same grade point calculation as "F." Denotes that student never attended but did not officially withdraw. This is an internal classification for tracking purposes, and the official grade will appear as an "F" on the transcript.

FS = Failure, Stopped Attending. Same grade point calculation as "F." Denotes that student never attended but did not officially withdraw. This is an internal classification for tracking purposes and will appear on the transcript as an "F".

S = Satisfactory progress. This grade is reserved for a course that typically goes beyond one semester. A final grade is posted upon completion of the work.

W = Withdrawal or drop from a course without jeopardy or effect on GPA, in the period beginning with the 13th day of classes and ending with the last day of the 11th week of a regular semester, or as specified on the Academic Calendar for courses in other sessions. Failure to withdraw officially from any or all courses within the specified period to withdraw with a "W" can result in a grade of "F."

WF = Withdrawal or drop from a course after the end of official withdrawal period, ending on the last day of classes for the term. Equivalent to "F" grade, earning 0.00 grade points per credit hour and impacting term and cumulative GPA.

AUD = Audit only; no credits earned.

NGS = No grade submitted. This is a temporary notation used when a faculty member has not submitted a grade by a prescribed deadline. The course grade is pending. The faculty member will report the actual course grade by means of their myStThom account or the official Grade Change Form. NGS has no negative impact on a student's term or cumulative GPA.

The description and interpretation of the letter grades is as follows:

A, A- = Excellent (unusual and superior achievement)

B+, B, B- = Good (above average, articulate achievement)

C+, C = Satisfactory (average work)

C-, D+, D, DS = Passing (below standard)

F, FN, FS = Failing

The GPA is calculated by adding the total number of grade points earned and then dividing by the total number of hours attempted at the University.

To achieve the minimum GPA required for a degree, the student must have obtained at least twice as many grade points as hours attempted at the University of St. Thomas. Courses taken outside the University of St. Thomas are not calculated in determining grade point averages.

## 2. Final Semester Grades

Semester grades and cumulative statistics are available at the end of each semester on myStThom. Faculty members are not authorized to post final grades or release them to students by any other means. Students should review their grades carefully. A course grade may not be changed after one year following completion of the course.

**APPROVED: Board of Directors**

**Date of Original Formation: 9/1/2010**

**Revision Number: 2**

**Revision Date: 04-19-2023**

**Effective Date: 12/07/2023**

## Absences and Withdrawals (A.02.05)

### Scope

All Students.

### Policy/Procedure

#### 01. Withdrawals due to Absence from Class

Frequent unexplained absences may result in a student being administratively withdrawn from the course or in a grade reduction or failing grade, at the discretion of the faculty member, in accordance with the faculty member's attendance policy included on the course syllabus. Please note, however, that non-attendance does not automatically withdraw a student from a course or from the University. Students should follow the formal add/drop and withdrawal procedures of the University for any courses which they do not wish to attend.

#### 02. Withdrawal from the University

At any time prior to the last day of the semester, a student may officially withdraw from the University by completing the Withdrawal/Discontinue Statement Form from the Registrar's Office.

Financial aid recipients must also notify the Office of Scholarships and Financial Aid. Students receiving veteran's benefits must notify the Veteran Success Center.

As with dropping individual courses, failure of a student to withdraw officially within the specified period to withdraw with a "W" can result in the awarding of "F" or "WF" grades for all courses. Petitions for any exceptions to these rules due to extenuating circumstances must be made in writing to the Academic Committee via the Academic Petition Form. Students are strongly encouraged to consult with their academic advisors, financial aid counselors, and student accounts counselors prior to any type of withdrawal. A student who has withdrawn from the University must contact the Admissions Office regarding readmission.

#### 03. Medical Withdrawals

Students wishing to secure a medical withdrawal must submit an official doctor's note on letterhead indicating the diagnosis, length of time they were under the doctor's care, and the doctor's recommendation along with the Medical Withdrawal Request Form located on the Registrar's webpage. All documentation must be submitted to the Registrar no later than the last day of classes for the applicable term.

Refunds will be considered on an individual basis for students who stopped attending classes before October 1 for the fall semester and March 1 for the spring semester. Because the summer term has multiple sessions

with different start/end dates, refunds for classes taken in those sessions will be at the discretion of the Registrar. Medical withdrawals may be made after these deadlines with a resulting grade of "W," but no refunds will be granted.

The Office of Scholarships and Financial Aid will follow federal guidelines in determining refund procedures for all federal programs. Institutional and State Aid that was applied to any tuition charge will be reviewed on a case-by-case basis and will be subject to reduction and/or cancellation prior to any tuition refund being issued.

If a medical withdrawal is approved, any course(s) in the term where a final grade has not been earned and officially recorded as of the approval date will be marked with a "W" grade. No partial withdrawal will be allowed. Students who have secured a medical withdrawal may not return to the University without their doctor's written approval.

## Final Examinations (A.02.06 NGP)

### Scope

All Undergraduate Students.

### Purpose

To explain the policy for dealing with final examinations that are missed or need to be rescheduled.

### Policy/Procedure

#### 01. Rescheduling Final Examinations

A student who is scheduled to take three or more final examinations in one day may petition the dean of the school in which he/she is enrolled to have the overload examination(s) rescheduled. The Dean's Office will arrange the rescheduling with the faculty member.

#### 02. Absence from Final Examinations

A student who is compelled by illness or other seriously adverse circumstances to be absent from a semester final examination will receive, at the discretion of the faculty member, the grade of "I" or "F." A missed final examination resulting in an "I" grade will be made up after the semester has ended.

**Effective Date:**

## Repeating Courses (A.02.07 NGP)

### Scope

All Undergraduate Students.

### Purpose

To describe the policy for repeated courses.

### Policy/Procedure

#### 01. Repeating Courses

A student may repeat a course taken at the University provided that the original grade was lower than “B” (3.00). Course grades for both the original and the repeated attempts will appear on the student’s transcript; however, the grade of the repeated course replaces the original grade in the computation of the GPA, and the credit hours attempted will be counted only once. A notation on the transcript will indicate repeated courses.

A course taken at the University of St. Thomas may not ordinarily be repeated outside the University. A student may petition the Academic Committee to repeat a failed (or one with a grade below “B”) course at another college or university if compelling reasons prevent repeating the course at UST. If permission is granted, credit hours will transfer to the University, but the original grade of “F” and hours attempted will remain in the computation of the student’s GPA. To replace the original grade of “F” and hours attempted in the GPA computation, a course must be repeated at the University of St. Thomas.

The University of St. Thomas is not obliged to grant credit for any course repeated at another institution for which a student has not received the required approval.

A student who withdraws from the University of St. Thomas for one or more semesters, repeats courses at another school, and then returns to the University will not be allowed to use these courses to replace the courses previously taken at the University.

**APPROVED: Dr. Robert Ivany**

**Date of Original Formation: 9/1/2010**

**Revision Date:**

**Effective Date:**

## Academic Integrity (A.02.11)

### Scope

All Students.

### Purpose

To describe academic dishonesty and its consequences.

### Policy/Procedure

The University of St. Thomas strives to provide a learning environment that is rooted in academic and ethical behavior and embraces the Basilian Fathers’ core values of goodness, discipline and knowledge. Students are

therefore expected to act with honesty and integrity in their pursuit of academic excellence. Every offense against academic honesty seriously undermines the teaching-learning process for which the University exists, and such offenses will be dealt with seriously.

## Definition

Academic dishonesty includes but is not limited to:

1. Cheating on an assignment, examination or test; for example, by copying from another's work or using unauthorized materials before or during the test, including the use of electronic devices;
2. Plagiarism, which represents as one's own the work of another, whether published or not, without acknowledging the precise source;
3. Participation in the academic dishonesty of another student, even though one's own work is not directly affected;
4. Any conduct which would be recognized as dishonest in an academic setting.

## Charge of Academic Dishonesty

Faculty and/or exam administrators who consider that they have a valid case of academic dishonesty against a student must inform the student of the charge and the resulting penalty which is at the discretion of the faculty member. The faculty member will submit the charge, penalty and supporting documentation to the Dean of Students and the Registrar using the Academic Dishonesty form on the portal after the act has been discovered and investigated but no later than the date when course grades are due for the semester or academic session. Record of the offence will be kept by the Registrar's office as an official academic record. Each case will be treated as a matter of deferred adjudication; if and when the student graduates, the record will be expunged. A student wishing to appeal the academic dishonesty charge must write a letter of appeal within seven days of receiving the Report of Academic Dishonesty. The Registrar will forward the appeal and all supporting documents pertaining to the case to the Academic Committee.

## Second Case Offenses

When a second charge of academic dishonesty has been upheld against a student, the student shall be dismissed from the University. The transcript will note "Dismissed for Academic Dishonesty," along with the date. Readmission to the University may be considered under extraordinary circumstances through a written appeal to the office of the Provost.

### **APPROVED:**

**Date of Original Formation: 2/14/2013**

**Revision Number:**

**Revision Date: 4/22/17**

**Effective Date: 03/06/18**

## Incomplete Grade (A.02.13)

### Scope

All Undergraduate and Graduate Students

### Purpose

To outline the policy for incomplete grades.

## Definition

A grade of Incomplete ("I") may be given at the discretion of the instructor to students who are making satisfactory progress in a course but will not be able to complete course requirements by the end of the term. Incompletes are typically given for emergency situations which prevent the student from completing course requirements.

## Procedure

### 01. When assigning an "I" grade and Contract

Instructors must provide students with an Incomplete Grade Contract that outlines the work to be accomplished before the "I" can be converted to a final grade and specifies a deadline date; the contract constitutes an agreement between instructors and students. A copy of the contract should be submitted by the instructor to the Registrar's Office by the grading deadline of the semester. The Registrar will verify the "I" grades that have been posted on the student's record and verify that the incomplete contract has been received by the instructor.

### 02. Time Limit of "I" Grade

A grade of "I" must be resolved by the student within the time limit outlined in the Incomplete Grade Contract. If additional time is warranted, the "I" may be extended for one regular (fall/spring) semester by changing the "I" grade to an Incomplete Extended ("IE"). The instructor must request the extension by submitting a completed grade change form to the Registrar's Office no later than the end grade deadline of the semester in which the "I" grade expires. The "I" and "IE" grades that have not been changed to letter grades by the end of the grade deadline of the next semester (fall/spring) will automatically become a grade of "F" or the grade specified in the incomplete contract. If an "IE" needs to be extended, a grade change form must be completed by the instructor and signed by the instructor and Dean.

### 03. Re-Registration

Students should not re-register for courses in which they have received grades of Incomplete.

### 04. Academic Standing

"I" and "IE" grades are not calculated in the GPA and do not affect a student's academic standing. An "I" or "IE" that is changed to a letter grade or automatically converted to an "F" will affect a student's academic standing at the end of the semester in which the grade change is completed.

### 05. Incomplete Grade Reminders to Faculty

The Registrar's Office will send an email to faculty and students to remind them of outstanding "I" grades. The faculty will contact students to remind them of the contract that was signed and when the student should submit the required assignment(s).

**APPROVED: Board of Directors**

**Date of Original Formation: 9/1/2010**

**Revision Number: 1**

**Revision Date: 05-25-2023**

**Effective Date: 12/07/2023**

# Family Educational Rights and Privacy Act of 1974 (FERPA) (A.03.02)

## Scope

All Students (undergraduate, graduate, off-campus and distance learners).

## Purpose

To describe FERPA responsibilities and requirements.

## Policy/Procedure

Under the [Family Educational Rights and Privacy Act of 1974](#), the University is free to release information about students categorized as “directory-type information.” Students have the right to restrict the disclosure of this information by completing and submitting a Request to Prevent Disclosure of Directory Information form to the Registrar’s Office. Once this request has been submitted to the Registrar’s office, the restriction to disclose directory information will remain in effect until the student submits a request to the Registrar’s office to revoke the original request. Copies of the policies and procedures governed by this Act are also available for review in the Registrar’s Office.

The following is a brief summary of the policy that relates directly to student records held by individual faculty members:

1. All students and former students of the University have access to their own individual records for the purpose of inspection and review, with certain specified exceptions. The exceptions pertaining to records in the possession of faculty are the following: personal and educational notes and records in the sole possession of the faculty author and not revealed to any person other than a substitute agent of the faculty member (for example, notes of conferences with students kept by faculty members for their own use); records authorized by the student to be written confidentially (for example, letters of recommendations; see item 5. below).
2. In general, a student’s grades or other records may not be released to a third party without the student’s specific written authorization. Exceptions to this rule include officials, faculty and staff employed by the University who have a “legitimate educational interest,” parents or guardians who certify that a student is carried as a dependent for federal income tax purposes, and other appropriate persons if their knowledge of such information is necessary to protect the health and safety of the student or other persons.
3. Students may not remove items from their records, nor may they obtain copies of records that can be obtained from the original source of the record.
4. Students may challenge the release of any information directly relating to them. The challenge is restricted to inaccurate, misleading or otherwise inappropriate records and information. Regulations specify an initial informal hearing and, if requested by a participant, a subsequent formal hearing to determine the accuracy and pertinence of the challenged information.
5. All recommendations placed in educational records after January 1, 1975, are available to the student except in cases in which the student waives, in writing, the privilege of examination.

# Academic Regulations for Veterans and Dependents (A.05.01)

## Scope

All Students Receiving VA Educational Benefits

## Purpose

To outline academic regulations for veterans or their dependents.

## Policy/Procedure

Academic regulations for veterans and dependents of veterans are administered by the Veteran Success Center under the supervision of the VA Certifying Official. Eligible veterans and dependents receive monthly payments for their entitlement based on the course work for which they enroll. In compliance with U.S. Veterans Administration regulations, students who receive educational benefits from the VA must meet and maintain certain standards. Students must select courses with care, making certain that each course meets VA requirements. For this reason, students receiving VA educational benefits are required to consult with their academic advisors and submit a copy of a signed degree plan to the VA Certifying Official. Students must notify the VA Certifying Official of their continued enrollment every semester, and also of any changes in their registration during the semester. The following are the requirements that must be met in order to receive VA monthly payments:

1. A student receiving VA educational benefits must pursue a program of single objective only. Double and joint majors or programs are not allowed unless approved by the VA.
2. No course may be taken as a remedial, deficiency or refresher course without proper documentation.
3. Each course must fulfill a requirement for graduation in the degree program;
4. No course may be taken as an "audit" course.
5. No course may be a repeat of a course for which credit has already been received;
6. Each course must be completed and assigned a grade that will be used to compute GPA and count toward the degree. Withdrawal from courses without mitigating circumstances and with the result of no credit or grade being awarded will cause benefits to be terminated retroactively from the beginning date of the semester, creating an over-award and the possible obligation to repay the Veterans Administration.

All students receiving VA educational benefits must maintain "satisfactory progress" by achieving the required minimum cumulative GPA, based on the total hours attempted. The University of St. Thomas will not prohibit attendance or impose penalties to GI Bill® eligible students while waiting on VA payments if a Certificate of Eligibility has been submitted to the Veteran Success Center.

To ensure satisfactory progress, transcripts of those students receiving VA benefits will be monitored at the end of each semester. Should the student complete a semester with a GPA below the required minimum, a warning notice will be given to the student advising that satisfactory progress is not being maintained and that he/she will be placed on academic probation for one semester. A student who incurs academic probation for two consecutive semesters or who incurs academic suspension for any semester shall be reported to the VA regional office as making unsatisfactory progress. VA benefit payments will be terminated due to unsatisfactory progress. A student whose benefits are terminated because of unsatisfactory progress, and who is permitted to re-enroll in the University, must apply to the Veterans Administration to request reinstatement of educational benefits.

## Regulations for International Students (A.05.02)

### Scope

International Students in F-1 Student Visa Status.

### Purpose

To outline requirements for international students in F-1 visa status. This is not an exhaustive list of related federal and University policies.

### Policy

In addition to complying with the general academic regulations of the University, nonimmigrant students in F-1 student visa status must follow the regulations in this policy. Students are responsible for consulting the Office of International Services and Study Abroad (OISSA) and to understand and comply with all applicable requirements in order to maintain their lawful status. Failure to comply with federal regulations may result in violation of their F-1 status.

#### 01. Full-Time Enrollment

F-1 status international students are required to maintain a full-time enrollment status each fall and spring semester (12 hours undergraduate or 9 hours graduate<sup>1</sup> with exceptions for programs listed in A.02.022) and make normal academic progress in their academic program. Students beginning in a summer session must enroll full-time in their initial summer session at UST. No more than one online course or three credit hours can be counted towards their enrollment minimum each semester. International students must obtain authorization from OISSA for an eligible reason before dropping below a full-time course load, taking a leave of absence from their program, or withdrawing from the University. If a student takes only one course in the last semester, it cannot be online.

#### 02. In-Person Attendance Requirement for Hyflex Courses

Unless otherwise specified by federal regulations, international students holding F-1 student visas are required to attend class regularly and in-person in the physical classroom and cannot attend class in a fully online modality.

#### 03. Employment Authorization

Enrolled F-1 students are eligible to work on-campus for up to 20 hours/week during spring and fall semesters. More than 20 hours/week is permitted during official school breaks. They may not work off-campus without prior authorization from OISSA or the U.S. Citizenship and Immigration Services.

#### 04. Reporting Requirement and Timely Requests

F-1 International students are required to provide updated physical address, phone number, major and minor to OISSA within 10 days of change. Students must reply to OISSA's requests for information and documentation and submit any necessary requests to OISSA in a timely manner.

## 05. Health Insurance

All F-1 international students are required to enroll in the University's international student health insurance plan unless they already have health insurance that meets the waiver requirements and obtain approval for a waiver.

### Definitions

*Credit hours* is the unit of measurement for academic work is the credit hour, representing fifty minutes of class lecture or contact time per week for one semester. Two to four laboratory clock hours are usually required for earning 1 credit hour in a laboratory course.

*Distance education* is a formal educational process that uses one or more technologies to deliver instruction to students who are separated from the instructor and to support regular and substantive interaction between the students and the instructor synchronously or asynchronously.

A *distance education course* (i.e., online course) is defined as one in which the instructional content is delivered exclusively via distance education.

A *distance education program* (i.e., online program) is a program for which all the required coursework for program completion is able to be completed via online courses.

A *hybrid course* is defined as one in which a minimum of one third (but less than 100%) of instructional content is delivered via distance education.

A *hyflex course* is defined as a live course that is also streamed live on the Internet. Students may be in person or remote.

**APPROVED: Dr. Richard Ludwick**

**Date of Original Formation: 09/01/2010**

**Revision Number: 2**

**Revision Date: 02/09/2024**

**Effective Date: 12/20/2024**

## Academic Warning Analyses (RV)

The University is concerned when students perform at a deficient level. The Academic Warning Notice was developed to help students in academic difficulty. Faculty members at the University of St. Thomas can now provide interventions to these students through an online referral process known as Academic Warning Notices. Notices can be completed at any point of the semester, but can be especially relevant during the weeks close to midterm examinations. A faculty member completes an online form detailing reasons for the academic difficulty, such as performance or behavioral concerns or deficient skills, and recommends actions for improvement. Once submitted, Academic Warning Notices are emailed to the student, the student's academic advisor, and the referring faculty member for follow up. Academic Warning Notices do not become a part of students' permanent records but provide information and awareness so that they may address their difficulty and aid in our campus retention efforts.

## Course Scheduling (RV)

Since the majority of graduate students are professionals, the majority of graduate courses are offered in evening. Most courses are offered at least one time during a two-year period.

## Employment (RV)

### On-Campus

F-1 visa holders do not require authorization from our office in order to work on-campus and are eligible to apply the moment they arrive. Work is limited to 20 hours/week while school is in session; more than 20 hours/week is permissible during school breaks and the summer semester.

## Curricular Practical Training (CPT)

### Eligibility:

Students must have been lawfully enrolled as a student on a full-time basis (graduate 9 credit hours) for at least one academic year. This means that you must have completed at least two semesters during which you should have established and maintained good F-1 status. If your program requires immediate participation, there are exceptions for some graduate students.

### Restrictions:

CPT consisting of 20 hours or less per week is considered part-time. Any employment over 20 hours per week is considered full-time. Students who engage in one year (12 months cumulative) or more of full-time CPT are automatically ineligible for Optional Practical Training (OPT).

For more information regarding CPT, please see an International Student Advisor.

## Optional Practical Training (OPT)

### What is it?

Optional Practical Training (OPT) grants an eligible F-1 student an opportunity to work full-time for twelve consecutive months (anywhere in the U.S.) in a field that is related to their degree program at each degree level (Bachelors, Masters and Ph.D). Students remain in F-1 status at the University of St. Thomas even though they may be working elsewhere in the U.S. Students with only their thesis option left should consult with an International Student Advisor.

### Eligibility

Like CPT, students must have been lawfully enrolled as a student on a full-time basis (graduate 9 credit hours) for at least one academic year. This means you must have completed at least two semesters during which you have established and maintained good F-1 status. If you have completed 12 months of full-time (more than 20 hours/week) CPT you become automatically ineligible for OPT.

## Veterans Readiness and Employment (RV)

The Texas Rehabilitation Commission offers assistance for tuition and required fees to students having certain physical or emotional handicaps, provided vocational objectives selected by the handicapped persons have been approved by appropriate representatives of the commission. Through this state agency other rehabilitation services are available to assist handicapped persons to become employable. Applications for assistance should be made to the nearest rehabilitation office.

# Study Abroad Programs

University of St. Thomas's study abroad programs extend learning beyond the classroom and country borders. As they journey through the world, the program participants discover diverse cultures, create lasting friendships, gain a global perspective and discover their purpose. We offer programs at various destinations and for all undergraduate majors. There are two types of programs as detailed below. For more information, please refer to [www.stthom.edu/studyabroad](http://www.stthom.edu/studyabroad) or contact [studyabroad@stthom.edu](mailto:studyabroad@stthom.edu).

## Individual Exchange Programs

UST's Individual exchange programs allow undergraduate students to study for one semester or for an academic year at one of UST's partner universities abroad. We have partnerships with universities around the world and the current list can be found at [www.stthom.edu/studyabroad](http://www.stthom.edu/studyabroad). Although some local language proficiency is encouraged, it's not required at most of our partner universities as they offer courses in English. Courses taken at partner universities are considered in residence at UST and the grades are posted to equivalent UST courses. Students continue to pay UST tuition and fees during the exchange programs and the programs don't impact their existing financial aid. At least one year of study at UST, good academic standing and good disciplinary standing is required to apply. Participating students are responsible to consult with their financial aid advisor to plan financially for their study abroad programs. A study abroad advisor will advise students on additional study abroad scholarship opportunities. While opportunities for graduate students are limited, some may be eligible for some exchange programs.

## Faculty-Led Group Programs

The University of St. Thomas offers numerous opportunities each year for students to study abroad with their fellow UST students as part of a course. Some faculty-led programs offer graduate courses. These programs are led by UST faculty members, usually last 1-3 weeks, and occur during the winter break, spring break, or the summer. They consist of on-campus course requirements prior to departure as well as lectures and excursions abroad. The faculty-led study abroad course offerings and their locations vary from year to year. Students are responsible for the course tuition that is typically included in the flat rate tuition for fall and spring semesters and the determined trip cost for each program. Eligibility include good disciplinary standing and any applicable course pre-requisites. Visit [www.stthom.edu/studyabroad](http://www.stthom.edu/studyabroad) to view the current list or contact [studyabroad@stthom.edu](mailto:studyabroad@stthom.edu).

# Certification, Certificate, Continuing Education Units, and Workshops and Speakers

## Definitions

### Certification

A certification is a credential offered by an external body to the University to our students or other constituents (it can be offered formally or informally through the University, yet it belongs to an external body): For example, Cisco certification would be offered through Cisco to our students or to others; the certification will come from Cisco, and Cisco will house the record of the earned credential.

### Certificate

A certificate is a focused, structured, and interrelated set of courses that enhances the undergraduate/graduate experience in an emerging academic area, addresses a professional development need, or provides preparation for a degree program. A certificate is an internally generated credential from a department or school within the University of St. Thomas, is credit bearing, and resides on the academic transcript.

## Continuing Education Unit

A Continuing Education Unit (CEU) is a unit of instruction defined as “contact hours of participation in an organized continuing experience under responsible sponsorship, capable direction, and qualified instruction” (IACET 2017). Continuing education units are maintained through the Registrar’s Office and are recorded on a co-curricular or CEU-specific transcript separate from the academic transcript. The university follows AACRAO guidelines for the transcription of continuing education credit.

## Workshops and Speakers

A workshop is a meeting in which a university department, school, or recognized UST club or organization offers material through speakers, activities, and discussion to achieve knowledge or skills in a particular subject or project. Speakers are those who present at a workshop or lecture hosted by a department, school, or recognized UST club or organization.

## Guidelines for Certificates

1. Certificate students are not eligible for participation in the Commencement ceremony or similar graduation ceremonies.
2. All certificate program applicants must follow the standard admissions requirements for the school and career to which they are being admitted to enroll in the certificate program.
3. There is no minimum or maximum credit hours applied to a certificate program. This decision in the case of each certificate is decided by the parenting program for the certificate but must be reviewed and approved by the Chair and Dean responsible for the program. In other words, the total number of credit hours is decided by the school responsible for the certificate program.
4. Transfer credit hours may apply to a certificate program. The percentage of credit hours applied may be the decision of the school responsible for the program but must be approved by the Dean of the School and reviewed by the VPAA, both who hold veto authority.
5. A certificate is a stand-alone credential. For clarification, concentrations and tracks are areas of specialty that reside within a degree program. A concentration is 12 credit hours for undergraduate work and nine credit hours for graduate work, while a track is nine credit hours for undergraduate work.
6. Courses taken as pass/fail in a certificate program cannot be used to substitute for similar graded courses in a degree-seeking program.
7. Since certificates are considered a type of degree, any additions/changes/deletions to certificates are approved through the relevant curricular approval body (i.e., Undergraduate Curriculum Committee, Grad Council, Max Guiding Coalition).
8. There are no SACSCOC concerns or considerations.

# Academic Standards

---

## Good Academic Standing GRAD (A.02.10 NGP)

Students who perform at a deficient level may be placed on probation or be dismissed from the University. Students are placed on probation to allow them to refocus their attention and activities to correct their deficiencies. If students do not correct their deficiencies, they may be dismissed from the University. Students who manifest severe deficiencies in their performance may be dismissed without having been on probation.

Graduate students must maintain a cumulative GPA of 3.00 or better in their course work at UST (excluding the School of Theology). Students whose cumulative GPA falls below 3.00 will be placed on academic probation. Students who are on academic probation must earn a minimum 3.00 semester GPA on course work each subsequent semester until the grade- point deficiency is removed. Only course work taken at UST will be applied toward the grade point deficiency. Grade changes made for students on probation will not affect the

academic standing for that semester. Students who leave the university on academic probation will be readmitted on academic probation. Academic probation will be posted to the semester in which the cumulative GPA falls below 3.000 and will begin with the first class meeting of the next semester. Academic probation will be noted permanently on students' academic records.

The Registrar will notify the student's academic advisor that the student is on probation. A probation hold will be placed on the student's myStThom account that will be released by the advisor. Students on academic probation may be required to carry a restricted course load and/or repeat courses as well as perform other activities prescribed by the advisor or dean to address deficiencies. Students unwilling to accept the conditions of their probation will be dismissed. The academic advisor will make recommendations to the appropriate dean or the Registrar concerning the student's compliance with the learning contract and the need for dismissal.

Students who have manifested severe deficient performance may be dismissed from the University. Students who are on academic probation and earn less than a minimum 3.00 semester GPA will be dismissed from the University. During academic dismissal, students may not enroll, audit or visit classes at the University. Academic dismissal will be noted permanently on students' academic records.

Students may also be dismissed if they are on probation and are unwilling to accept the conditions of their probation or do not conscientiously fulfill the conditions of their probation. On these matters the student's academic advisor will make recommendations to the dean or the Registrar.

Other reasons may justify dismissal, including academic dishonesty and violating certain norms of conduct expected of students. (See Student Handbook published by the Office of Student Affairs.)

A student who has been dismissed for academic reasons may apply for readmission to the University after one year. The dean of the student's school will review readmission applications and sets the conditions for readmission. These may involve the student taking only prescribed courses or a limited load. In all cases the student will be readmitted on a conditional basis and on probation. The student's academic advisor will monitor the student's progress in meeting the conditions of readmission set by the Admissions Committee.

## **Records and Transcripts (A.03.01 NGP)**

### **Scope**

All Undergraduate Students.

### **Purpose**

To define policy pertaining to academic records and transcripts.

### **Policy/Procedure**

Students admitted to the University with incomplete academic files must complete their files before October 15th for the fall semester and March 15th for the spring semester. Those who fail to comply with this requirement will be denied registration for subsequent semesters until the files are complete.

### **Records**

The Registrar of the University is responsible for maintaining official student educational records.

## Changes to Academic Records

A student who questions an enrollment record (including a grade) as recorded in the Office of the Registrar has a period of one year from the date in which the course was completed to challenge its accuracy. At the end of one year the permanent record will become the absolute record, and changes may not be made.

## Student Access to Records

Students wishing to review their educational records must make written request to the Registrar via the FERPA – Request to Inspect and Review Education Records form found on the myStThom student portal (UST Resources > Student Documents > Forms > Registrar), listing the items they wish to review. Only records covered by the Family Educational Rights and Privacy Act of 1974 will be made available. The Registrar will respond within 45 working days of receiving the written request.

## Transcripts

Requests for official transcripts must be made online through our third party vendor, Parchment. Official transcripts are not released without the student's consent. The processing of a transcript request normally takes two working days and is generated at a cost of \$11.25 for each official transcript, to be paid at the time of the request. No transcript will be released if a University hold that prevents its release exists on the student's record. To be official, paper transcripts must bear the signature of the Registrar and be printed on official transcript paper, and the envelope seal must not be broken. Digital transcripts will be digitally certified by and sent through Parchment. Only official transcripts are sent outside the University.

**APPROVED: Dr. Richard L. Ludwick**

**Date of Original Formation:**

## Graduate Degree Requirements (A.04.03)

### Scope

All graduate students.

### Purpose

The University of St. Thomas awards the following graduate degrees:

- Master of Arts
- Master of Business Administration
- Master of Divinity
- Master of Education
- Master of Fine Arts
- Master of Healthcare Administration
- Master of Liberal Arts
- Master of Public Policy and Administration
- Master of Sacred Music
- Master of Science
- Doctor of Education
- Doctor of Nursing Practice
- PhD in Philosophy

This document describes general policies on minimum degree requirements and allowable credits for these graduate degrees. Degree requirements for specific graduate programs are managed by that program and may be different from the minimum requirements described here.

## Definitions

SACSCOC defines an academic program as “a credential as defined by the institution” (*from notes on SACSCOC Standard 8.2a in the SACSCOC Resource Manual for the Principles of Accreditation*). An academic program is a combination of courses and related activities organized to achieve specific learning outcomes defined by the university and ‘leading to a for-credit credential including a degree, diploma, certificate, or other generally recognized credentials’ (*from Appendix B: Glossary of Terms in the SACSCOC Resource Manual for the Principles of Accreditation*).

A graduate degree program consists of a coherent body of study beyond the baccalaureate degree that includes a meaningful progression of coursework and, for most programs, includes a final culminating experience or an integrated experience across the curriculum. Examples of culminating experiences include a thesis, dissertation, or other creative work, capstone project, comprehensive examination, or supervised field experience. Integrated learning experiences connect concepts and experiences across the curriculum to form a meaningful whole.

## Policy

### 01. Requirements for Graduate Degrees

- Graduate degree requirements consist primarily of graduate-level coursework at the 5000 level and above.
- A minimum cumulative grade point average (GPA) of 3.00 is required to earn a graduate degree.
- Students seeking a graduate degree will ordinarily follow the degree requirements of the catalog in effect at the time of their first matriculation into the University, or they may follow the requirements of any subsequent catalog in effect during their continued enrollment. Students who leave the University for four or more consecutive regular semesters (fall and spring) and subsequently re-enroll must follow either the degree requirements of the catalog in effect at the time of their re-enrollment or the requirements of any subsequent catalog in effect during their continued enrollment.
- Ordinarily, a student must follow all the requirements of the catalog chosen. Exceptions may arise if program requirements must be revised to implement new educational standards recommended or required by federal or state agencies, professional societies, or the University’s faculty.
- At least one-third of the credit hours required for the graduate degree must be earned through instruction offered by the University of St. Thomas.
- Students must file for graduation the semester prior to graduation via myStThom. The Office of the Registrar will post the dates by which a graduating student should file for graduation.
- All financial obligations to the University must be satisfied before the University issues a diploma to a student.

### 02. Additional requirements for Master’s Degrees

In addition to the requirements listed above (in 1) that apply to all graduate degree programs:

- Master’s degree programs must include a minimum of 30 credits. A master’s program may require more than this minimum.
- A student must complete all work for the master’s degree within six years of first enrollment. Periods spent on leave or out of status are included in these limits. Exceptions to time to degree will be made at the program level.

## 02.1 Additional Master's degree

- A student who already holds a graduate degree from the University of St. Thomas may be required to complete as few as 24 hours to obtain a master's degree. The specific number of hours required will depend upon the specific courses completed in the prior graduate program and the specific requirements of the second degree (between 24 and 60 hours).
- Students planning to earn an additional Master's degree should consult the appropriate department chair to develop a degree plan before first registration at the University.

## School of Education and Human Services Doctor of Education Program (EdD) Student Handbook

Revised July 2023

### The Mission

Faithful to the mission of the University of St. Thomas and the core Basilian values, the Doctor of Education Program is rooted in the Catholic intellectual tradition and the dialogue between faith and reason, tradition and modernity, and theoretical and practical concerns, UST's EdD program provides virtue-based leadership training grounded in life-long character formation developed in a supportive and collaborative community driven by an authentic notion of human flourishing and the principles of Catholic social teaching and fidelity to the Catholic Magisterium and the principles of *Ex Corde Ecclesiae*.

### The Program

The EdD program is a three-year, year-round, full-time, multi-track, Saturday-only, online, and in-person program. Cohorts of 25 students are admitted for a summer start. Applicants will have a master's degree, professional experience, and a commitment to academic research and writing. Targeted students will be from the following fields: education, non-profit, corporate, human resources, medical, law and law enforcement, and student affairs.

### The Degree Plan

#### Five Concentrations

- Educational Leadership
- Higher Educational Leadership
- Strategic Leadership
- Human Resources Leadership
- Law, Society and Criminal Justice

**The Core (42 Credit Hours)**

EDUC 8362 Qualitative Methods  
EDUC 8361 Quantitative Methods  
EDUC 8364 Mixed Methods  
EDUC 8363 Statistics  
EDUC 8366 Philosophical Foundations  
EDUC 8351 Leadership and the Soul  
EDUC 8354 Social Justice  
EDUC 8369 Interdisciplinarity and Leadership  
EDUC 8357 Administration I  
EDUC 8358 Administration II  
EDUC 8380 Dissertation Introduction  
EDUC 8384 Dissertation Completion (9 Credit Hours)

**Educational Leadership**

EDUC 8352 History of Education I  
EDUC 8356 History of Education II  
EDUC 8367 Law and Leadership  
EDUC 8359 Organizational Change

**Higher Educational Leadership**

EDUC 8334 Assessment and Evaluation of Programs  
EDUC 8367 Law and Leadership  
EDUC 8336 Theories, Models and Practice of Student Services  
EDUC 8337 Foundations of Leadership in Higher Education

**Strategic Leadership**

EDUC 8339 Models of Leadership  
EDUC 8338 Strategic Management  
EDUC 8359 Organizational Change  
EDUC 8367 Law and Leadership

**Human Resource Leadership**

EDUC 8333 Theory and Function of Human Resources  
EDUC 8332 Staffing and Succession Planning  
EDUC 8331 Human Capital and Strategy  
EDUC 8335 Human Resources and Law

**Law, Society, and Criminal Justice Leadership**

CRIM 8350 Philosophy of Criminal Justice  
CRIM 8352 Advanced Criminology  
CRIM 8354 Public Policy and Social Justice  
CRIM 8356 Victimology and Social Justice

**Admissions Requirements**

Admission will be granted on a competitive basis. Candidates will be admitted who meet the academic qualifications and have a professional background that demonstrates a strong potential for success. Furthermore, they must exhibit an appropriate disposition and express a commitment to character-based leadership and the principles of Catholic education, in addition to meeting the following requirements:

- An online EdD application
- A baccalaureate degree and master's degree from accredited institutions with a GPA in graduate study of 3.25 or above
- Official transcripts of all undergraduate and graduate work
- Professional CV/resume describing prior work experiences
- Two recommendation letters
- A 500-words written essay
- An interview with one or more EdD program faculty members may be included in the admission process

### **Additional Requirements for International Students**

- Completion of the equivalent of a four-year bachelor's degree and a two-year master's degree from a regionally accredited institution (course work taken at technical or non-university affiliated institutions may not be considered for academic credit), with transcripts officially evaluated.
- School or university must be officially recognized by the Ministry of Education in the applicant's home country as a degree-granting institution
- Transcripts written in a language other than English must be accompanied by an official translation
- International students are responsible for satisfying visa requirements
- Submission of official scores from the Test of English as a Foreign Language (TOEFL) with a minimum score of 90 (Internet-based test) or 580 (paper-based test)
- F1 Visa students, due to government regulations, must attend all classes in person

### **Deadline**

The deadline for submission of all applicant materials for review is May 1 for the summer start, though applicants are encouraged to submit materials early to ensure consideration for admission and to pursue potential financial aid and scholarship opportunities.

### **Transfer Credit**

Two non-research methods doctoral-level courses (not exceeding 6 credit hours) taken as a matriculated student from a regionally accredited institution five or fewer years prior to admission with a grade of "B" or better may be transferred into the program, subject to the approval of the Program Director. Certification coursework taken beyond a master's degree will not be considered for transfer. Transfer credits must be approved by the Director at the time of admission and align with the program.

### **Employee Applicants**

Employees seeking to apply for the EdD should reference the policies in the Tuition Remission Benefit Handbook. Due to the high demand and limited availability in the capped cohorts, "admissions will give priority to applications from paying students who are applying for master's level programs, doctorate programs or high-demand undergraduate programs over applications from employees who have applied for a tuition remission education benefit." (no.3) If space remains for employee applicants, the below procedures, approved by Grad Council, will be followed for all qualified applicants, both new prospective students as well as those already enrolled in the program.

Employees will be interviewed by the SEHS Dean and the EdD Program Committee no earlier than April 15 and receive a decision no later than May 15 will be given no access to the reasoning of the committee's decision. Employees will be assessed on speaking, writing, disposition, academic and professional experience, and adherence to mission.

### **Program Requirements**

#### **Expectations**

- Minimum GPA of 3.0 for graduation

- Minimum of 2.7 for research courses
- Courses with substandard grades (D or F) must be retaken within one calendar year at student's expense (may include retaking a course as an independent study)
- Probation will result for any of the following reasons:
  - Substandard grade in any course (D or F)
  - Failure to make up a substandard grade within one calendar year
  - GPA below 3.0

### **Grading Policy**

The UST grading policy for the EdD program is as described in the UST Graduate Catalog. As noted there, "Graduate students must maintain a cumulative GPA of 3.00 or better in their course work at UST. Students who have completed nine UST semester credit hours and whose cumulative GPA falls below 3.00 will be placed on academic probation."

### **Incomplete Grading Policy**

A grade of Incomplete ("I") may be given at the discretion of the instructor to students who are making satisfactory progress in a course but will not be able to complete course requirements by the end of the term. Incompletes are typically given for emergency situations which prevent the student from completing course requirements.

The University of St. Thomas maintains a policy in regards to petitioning for an Incomplete grade ("I"). The complete policy is available to all students online. Policies regarding probation and dismissal are also accessible in the graduate catalog. The process for management of probation is described below. The EdD program allows students to formally appeal dismissals by submitting the Academic Dismissal Appeal Form with supporting documents to the Graduate Program Chair. The Appeal will be reviewed by the EdD Program Committee.

### **University Academic Policies**

UST provides comprehensive information on Academic Policies that apply to all graduate students, and thus to the EdD students. These are available online in the UST Graduate Catalog and include policies on the following topics. Students are advised to access this information and the Graduate Program Chair provides direction and guidance regarding the implementation of these policies within the EdD Program.

- Student Complaints
- Academic Integrity Policy
- Academic Warning
- Academic Probation
- Academic Dismissal
- Repeating Courses
- Incomplete Grade Policy
- Adding, Dropping and Changing Classes
- Withdrawal (Including Medical Withdrawal)
- Absences from Final Exams
- Academic Record Changes
- Student Access to Records

### **Grievance and Complaint Procedure**

Grievance on the part of any student will be processed as described in the University of St. Thomas Graduate Handbook and Graduate Student Grievance Procedures available at the University of St. Thomas School

website. This includes but is not necessarily limited to grievances pertaining to probation, dismissal from a graduate program, or improper handling of financial aid. Allegations of discrimination or sexual harassment will be handled according to the Office of Equal Opportunity.

### **Academic Probation**

The Registrar will notify the Director that the student is on probation. A probation hold will be placed on the student's myStThom account which can be released by the Director, who will meet with the student and develop a learning contract for the student to remediate the deficient academic performance. Students on academic probation, to address deficiencies, may be required to repeat courses at their own expense. Students unwilling to accept the conditions of their probation will be dismissed. The Director will notify the Registrar concerning the student's compliance with the learning contract and the need for dismissal. As noted above, the student can formally appeal a dismissal by submitting the Academic Dismissal Appeal Form with supporting documents to the Graduate Program Chair. The Appeal will be reviewed by the EdD Program Committee.

### **Academic Dismissal**

Dismissal from the EdD program can result from substandard performance as determined by the Director. The following reasons can serve as grounds for initiating procedures for academic termination: unsatisfactory progress, poor academic performance, failure to remediate, excessive time in completing degree requirements, and poor disposition.

### **Leave of Absence**

Because the program is sequential, any breaks in study are disruptive. Under special circumstances, with the approval of the Director, graduate students may apply for a one-year leave of absence and return with the next cohort where they left off in the program. Leaves of less than one year are prohibited. Assuming appropriate documentation is provided, the circumstances justifying a leave include but are not limited to personal or family medical conditions, call to active military duty, maternity leave, or death in the immediate family. The rationale must be documented by the applicant using the official University form.

### **Readmission**

A student who has not been granted a leave of absence and who fails to register for coursework for a period of three years will be dropped from the program and cannot petition for reinstatement. In this case, the student must reapply through the normal admissions process to gain admission to the program. Readmission does not change the student's original entry date. Time to degree will be calculated from date of first entry.

### **Reinstatements**

Students who have not been registered for at least one graduate credit hour at UST that contributes to degree requirements (as determined by the graduate program) in an academic year are considered inactive. To regain active student status, students may petition the EdD Director for reinstatement. Additionally, students will need to apply for reinstatement and pay reinstatement fees to continue their degree. Reinstatements are available to students who have been inactive for up to three years. Students who have not been enrolled for any credits in their graduate program for a period longer than three consecutive years are not eligible for reinstatement and must apply for readmission to the university.

### **Receipt of Handbook and Policies**

Each student must sign the official form indicating they have read and accept the procedures, policy, and guidelines presented in this handbook.

## **The Dissertation**

The EdD dissertation is an original scholarly research document that addresses a problem of practice. It is traditionally divided into five chapters.

1. **INTRODUCTION:** The Introduction overviews the purpose of the study by stating the problem, detailing the background of the problem, and the significance of the study. Moreover, terms are defined, and assumptions and limitations are clearly explained, and the chapter provides a summary of results and their implications.
2. **LITERATURE REVIEW:** This chapter seeks to conduct an overview of the relevant literature on the topic (either chronologically, historically, theoretically, or thematically), analyzing strengths and weaknesses and synthesizing key insights.
3. **RESEARCH METHODOLOGY:** This chapter focuses on the methodology employed in the study (qualitative, quantitative, or mixed methods) and discusses the research design, research questions, data collection, participants, and analysis.
4. **RESULTS AND ANALYSIS:** This chapter discusses in detail the results of the student's research, using statistics, tables, charts, and graphs to describe and summarize key findings to arrive at actionable conclusions.
5. **DISCUSSION AND CONCLUSIONS:** This chapter provides a summary of findings to illustrate the importance of the study and discuss implications, strengths, and weaknesses, as well as offer suggestions for future research and recommendations for the practical application of the study.

## **The Chair and Committee**

Students will be assigned a dissertation Chair according to the needs of their topic at the beginning of the Year 2 Fall semester. The Chair will guide the dissertation process, setting timelines, reading drafts, and making edits and substantial suggestions.

The dissertation committee consists of a minimum of three UST full-time faculty members. An (external) academic with appropriate experience outside UST may become a committee member if recommended in writing with an attached CV and approved by the Director. The committee will convene twice during the dissertation process, at the proposal and defense.

The Director of the EdD has final authority to recruit and approve chairs to ensure they have the appropriate expertise and the ability to serve throughout the dissertation process. Subject-related matches will be attempted by the Director as much as possible. Students should follow the APA style guide, which will be discussed in EDUC 8380 Dissertation Introduction.

Students will take EDUC 8380 in the Spring semester of Year 2, followed by three sequential semesters of EDUC 8384 Dissertation Completion (9 total Credit Hours) in Year 3. EDUC 8384 is a pass/fail research course in which students work with their Chairs to write all five chapters of the dissertation from proposal to final defense. Students who fail EDUC 8384 Dissertation Completion for any reason, including lack of progress or substandard work, will be required to repeat it at their own expense, thus delaying graduation. Students may not finish early and are required to have 9 Credit Hours of EDUC 8384.

## **Academic Honesty Policy**

Every offense against academic honesty seriously undermines the teaching-learning process for which the University exists, and such offenses will be dealt with expeditiously according to the following criteria:

Definition: Academic dishonesty includes but is not limited to:

- Cheating on an examination or test; for example, by copying from another's paper or using unauthorized materials before or during the test.

- Plagiarism, which represents as one's own the work of another, whether published or not, without acknowledging the precise source.
- Knowing participation in the academic dishonesty of another student, even though one's own work is not directly affected.
- Any conduct which reasonable persons in similar circumstances would recognize as dishonest in an academic setting.

The penalty for an incident of academic dishonesty is, at the discretion of the faculty member, either a mark of zero for the work in question or the grade of "F" for the course.

### **Procedures for cases of Academic Dishonesty**

Faculty who considers that they have a valid case of academic dishonesty against a student must inform the student of the charge and penalty in writing, using the Report of Academic Dishonesty Form available from the Registrar. The faculty member will inform the student no later than the date when course grades are due for the semester or other academic session. If necessary, the faculty member will send the student a copy of the report by certified mail. The student has the right to appeal the facts of the charge but not the penalty.

### **Procedure Without Appeal**

- The original signed report will be submitted for the record to the Registrar, who will keep it in a locked confidential file until the student graduates.
- The case will be treated as a matter of deferred adjudication; only when the student graduates, will the record be expunged.

## **Course Descriptions**

### **CRIM 8350 Philosophy of Criminal Justice**

Focuses on general questions about the criminal justice system: what is the nature and proper scope of the criminal justice system? How should the criminal justice system enforce laws? Why do societies punish and is it effective? What is the philosophy of social control? Examples of criminal justice initiatives are related to the theories studied.

### **CRIM 8352 Advanced Criminology**

Examines the criminological, criminal justice and administration of justice theories. Includes an analysis of the interrelatedness of justice theories and recent theoretical developments.

### **CRIM 8354 Advanced Public Policy and Social Justice**

Explores different approaches to public policy and analysis, the diverse conceptions of the goals and objectives that should be served by policy, and the appropriate role of the policy analyst. Policy consequences are addressed as to indirect and/or subtle incentives and disincentives. Special attention is devoted to applying Catholic social justice to contemporary developments in law enforcement, corrections and judicial policy and planning.

### **CRIM 8356 Victimology and Social Justice**

Examines patterns and trends in victimization. Identifies the categories of people facing the greatest risks and assesses victim-blaming arguments that invoke facilitation, precipitation and provocation. Analyzes the handling of street crime victims by the criminal justice system and explores Catholic social justice in the fair treatment, empowerment in decision making, restitution and compensation.

### **EDUC 8331 Human Capital Strategy**

This course examines the external challenges and trends facing contemporary human resource management

and the importance of aligning human resource strategy, goals, performance, and budget with organizational strategy, values, and culture. Students will examine the role of HR in an organization's competitive advantage and sustainability and the relationship of human capital management with long-term strategic success.

#### EDUC 8332 Staffing and Succession Planning

This course examines the process of identifying, retaining, and developing talent to accommodate organizational growth and restructuring as well as employee separation, promotion, and retirement. Key themes discussed are training, development, career planning and management, and replacement management.

#### EDUC 8333 Theory and Function of Human Resources

This course examines and overviews current methods and practices of human resource management and the importance it plays in organizational competitiveness, effectiveness, and sustainability. Attention will be given to central issues such as recruitment, selection, training, evaluation, compensation, and retention.

#### EDUC 8334 Assessment and Evaluation of Programs

This course examines the purpose and practice of assessment as well as the central issues relating to quality assurance, improvement, and the alignment of policy and mission to the evaluation and assessment of academic and non-academic programs. Data management, accreditation, programmatic alignment, and the development of outcomes and measures will all be examined.

#### EDUC 8335 Higher Education Leadership and Law

Legal issues relating to higher education leadership are examined, including those regarding students, administration, and faculty. Important aspects of federal and state law to provide students with basic concepts and vocabulary of higher education legal issues, including contract law, employment law, obligations and workplace rights, conflict management, dispute resolution, and employee benefits.

#### EDUC 8336 Theories, Models, and Practice of Student Affairs

This course focuses on various theories and models of leadership in student affairs as well as key issues relating to student engagement and success, including the development and oversight of programs and services as well as resource management, enrollment, advising, and counseling.

#### EDUC 8337 Foundations of Leadership in Higher Education

This course examines the history of higher education leadership and administration in the United States as well as philosophies that have guided it the development and evolution of institutions. Students will analyze contemporary challenges and trends.

#### EDUC 8338 Strategic Management

Strategic management is the process of setting goals, procedures, and objectives in order to make a company or organization more competitive and innovative. Strategic management has a history that dates to antiquity. Students in this course gain knowledge about strategic management and leadership by studying historical examples of successful and unsuccessful organizational strategies period this course examines the evolution of strategic management in the 19th, 20th and 21st centuries.

#### EDUC 8339 Models of Leadership

This course examines key theoretical problems regarding leadership that have occupied moral and political thinkers from Plato and Aristotle to St Thomas Aquinas and the American Founders: The second half of the course will look at leaders in action, charting the efforts of politicians, intellectuals, grassroots activists, and moral and spiritual leaders to respond to the challenges of their time and shape the worlds in which they live.

#### EDUC 8351 Leadership and the Soul

Leadership and the Soul examines the spiritual dimension and impulse of leadership in the modern era. Tying in anthropological themes introduced earlier in the program, both primary and secondary texts include

treatments of various attempts at integrating spirituality into education (such as the Ignatian notion of education and the work of Elizabeth Anne Seton), relevant Catholic encyclicals, as well as American movements like the Puritan schools and the foundation of Ivy League institutions. Various leadership models and styles are examined that highlight the spiritual dimension of leadership.

#### EDUC 8352 History of Education I

This course examines the historical roots of Christian education beginning with development of ancient Greek schools through the Renaissance to the Enlightenment. Figures and movements include Augustine, the development of the school at Aachen, the cathedral schools, and the rise of the liberal arts to the French encyclopedists.

#### EDUC 8356 History of Education II

This course is an exploration of the history of education in America from the colonial era to the present day, focusing on key payers, essential movements, and underlying philosophical concepts.

#### EDUC 8758 Administrative Leadership 2

This course examines the management of finance and facilities. Topics include developing and overseeing a budget, financial forecasting, maintaining, and developing streams of revenue. Also, students will study facilities management, needs assessment, and construction management, and learn to assess and address other administrative, financial, and facility needs.

#### EDUC 8359 Organization Change

This course focuses on how organizations change and the role of leadership in organizational transformation with an examination of models and causes of change. Institutional analysis and the mobilizing of resources are treated as well as the nature of institutions themselves. Especially emphasized are the change implementation process, necessary leadership qualities, and the leadership theory that undergirds change, both institutional and individual.

#### EDUC 8361 Quantitative Methods

This course focuses on descriptive and quasi-experimental methods design with mention of experimental design. Students learn the purpose, appropriate research questions and hypotheses associated each method, and strengths and weaknesses of each method.

#### EDUC 8362 Qualitative Methods

This course examines the qualitative strategies of inquiry (case study, participatory action research, interpretive practice and social action, grounded theory, narrative theory, ethnography, clinical research) and acquaints students with various qualitative designs and methods. The course will familiarize students with the debates around qualitative inquiry; address ethical dimensions of doing qualitative studies; and students will explore methods for collecting and analyzing qualitative data by conducting a small-scale study.

#### EDUC 8363 Statistics

This course provides a survey of fundamental descriptive and inferential statistics through an introduction of basic concepts and terminology, including chi-square, analysis of variance, Pearson correlation, and regression analysis. Using statistical software as an analytical tool, students investigate educational issues and phenomena applying a variety of statistical methods resulting in understanding the difference between significance and meaningfulness of data.

#### EDUC 8364 Mixed Methods

This course introduces the student to a way to integrate both quantitative and qualitative methods to study complex research questions that require a multi-faceted, multi-perspective approach. Students learn how mixed methods complement each other and be able apply mixed methods approaches to data collection and analysis.

#### EDUC 8356 Social Justice

This course aims to introduce students to the Catholic notion of social justice, rooted in Catholic social teaching and the Catholic tradition of theological and political thought, offering comparisons to various secular models. The anthropological foundations of social justice will be stressed, and students will read widely in the tradition, from ancient writers to modern encyclicals.

#### EDUC 8757 Administrative Leadership 1

This course examines the nature and function of administrative leadership, emphasizing the concept and practice of human relations management through a study of models of organizational culture and administrative leadership. Special attention is paid to the theory of management, as well as conflict, project, and strategic management.

#### EDUC 8367 Law and Leadership

This course presents an in-depth examination of federal and state law as it relates to both public and private schools. Topics will include basic legal concepts, relevant court cases, identification of resources, and the application of principles to the crafting of policies and procedures.

#### EDUC 8366 Philosophical Foundations of Leadership

This course examines the nature of the human person, which constitutes the foundation of leadership theory. Students will study the mind, will, passions, imagination, and memory. Central to this study will be the pursuit of virtue and authentic human flourishing. This course draws on the ancient and proved sources of human experience, especially found in the works of Thomas Aquinas.

#### EDUC 8369 Interdisciplinarity and Leadership

Interdisciplinarity and Leadership examines the complex interplay of experience and formal learning that inform exemplary leadership. Students learn to synthesize learning from a wide array of sources and integrate their learning with their personal experience to make prudent and wise decisions.

#### EDUC 8380 Dissertation Introduction

In this class, students will be introduced to the EdD dissertation, examining all the major components and stages of the process, including the chapters, IRB and proposal defense and data collection and analysis, as well as APA formatting.

#### EDUC 8384 Dissertation Completion

In this class, students will work with their chairs to write their dissertations. The What's chair will guide the student through the writing of all five chapters, as well as IRB and proposal defense, data collection and analysis, and final submission and defense.

### About UST

The University of St. Thomas (UST) is Houston's Catholic University, committed to the religious, ethical and intellectual traditions of Catholic higher education. For more than 75 years, we've been graduating students like you into successful careers in medicine, education, business, public administration and more – throughout Houston and across the globe.

Our student body reflects the rich diversity of the city itself. We welcome undergraduate and graduate students of all faiths and of no faith.

The campus is located in Houston's Museum District and Innovation Corridor, a diverse and vibrant urban environment with professional opportunities. We're just steps from downtown and the famed Texas Medical Center where many students perform prestigious internships.

## School of Education and Human Services Masters Program/ School Level Policies

The School of Education and Human Services supports the successful progress of all graduate students. If students demonstrate unacceptable progress related to academic or professional dispositions within the graduate program, faculty members will complete a Fitness for the Profession Dispositions Form. This report will be reviewed by the Associate Dean of the Graduate Program and Dean for further recommendation. Appropriate action will be taken if a second report is filed on a student and the Associate Dean of the Graduate Program will convene a Student Hearing Committee to discuss recommendation for program continuance or dismissal.

### Academic Standing

A student is considered in good academic standing if a grade point average of at least a 3.0 (B) is maintained each academic semester. At the graduate level, student grades below a 3.0 represent inadequate mastery of course material or requirements. When a student's grade point average falls below a 3.0, he or she is placed on academic probation until the GPA is raised above 3.0. In some situations, this may require re-taking one or more courses to raise the GPA. If the student's grade point average falls below a 3.0 after two subsequent semesters, the student is dismissed from the program. Students must maintain a GPA of 3.0 to graduate from the university.

## Grade Appeals

Grade appeals must be made in writing first to the student's professor. If this cannot be resolved at this level, then it is forwarded to the program director or chair. Finally, if this cannot be resolved, it is sent to the Associate Dean of the Graduate Program in the School of Education and Human Services.

## Appeals for Policy Waivers

All appeals for policy waivers must be put in writing to the Associate Dean of Graduate Programs in the School of Education and Human Services.

## Time Limit

All requirements for the master's Program must be completed within the eight-year time limit. This includes course work and two years' experience in an educational and/or professional setting. Exceptions and waivers may be appealed to the School of Education and Human Services Advisory Council.

## Multiple Specializations/Additional MEd Degree

Students holding a UST Master of Education degree and desirous of earning an additional specialization resource area/M.Ed. must complete a minimum of 18 hours or all courses that constitute the resource area, whichever is greater. The second resource area and date completed will be added to the transcript; the original degree conferral date will remain unchanged.

Students holding a Master of Education degree from another accredited college or university and desirous of earning an additional specialization resource area/M.Ed. must complete a minimum of 18 hours or all courses that constitute the resource area, whichever is greater. They must also complete the 6-hour core of two research classes unless they are seeking Educational Leadership only. At the discretion of the program director, up to 6 graduate hours may be admitted in transfer from the prior institution(s) awarding the prior Master of Education degree.

In all instances of a second specialization and/or degree, all coursework included in the new resource area and/or degree must be completed in a maximum of eight years.

## University Administration

### President's Office

- Dr. Richard L. Ludwick - President
- Gita P. Bolt, JD - Chief Legal Counsel

### Academic Affairs

- Dr. Chris Evans - Vice President for Academic and Student Affairs
- Dr. James Monaghan - Associate Vice President of Academic and Student Affairs and Director of Online Education
- Dr. George Harne - Executive Dean, School of Arts and Sciences
- Dr. Thomas Behr - Division Dean, School of Arts and Sciences
- Dr. Andrew Hayes - Division Dean, School of Arts and Sciences
- Fr. Paul Lockey - Division Dean, School of Arts and Sciences
- Dr. John Palasota - Division Dean, School of Arts and Sciences
- Dr. Vinita Ramaswamy - Interim Dean, Cameron School of Business
- Dr. Ana-Lisa Gonzalez - Dean, School of Education and Human Services
- Dr. Lachandra Landry - Associate Dean, Graduate Education
- Dr. Claudine Dufrene - Executive Dean, Carol and Odis Peavy School of Nursing
- Dr. Kristina Leyden - Division Dean, Carol and Odis Peavy School of Nursing
- Dr. Lucindra Campbell-Law - Division Dean, Carol and Odis Peavy School of Nursing
- Mr. James Piccininni - Dean, Libraries
- Dr. Nicole Walters - Dean, Kolbe School of Innovation and Professional Studies
- Dr. Rebecca Dowden - Associate Dean, Kolbe School of Innovation and Professional Studies
- Mr. Lee Holm - Director, Academic Advising and Enrollment Services
- Dr. Constantina Michalos - Director, Tutorial Services
- Dr. Michael Boler - Director, Honors Program
- Dr. Eric Botts - Director, Center for International Studies
- Dr. Brian Carl - Director, Center for Thomistic Studies
- Ms. Lori Gallagher - Director, Center for Irish Studies
- Dr. Kevin Stuart - Director, Center for Faith and Culture
- Dr. John Hittinger - Director, Institute for John Paul II Studies
- Dr. Chris Born - Director, Assessment and Institutional Effectiveness
- Ms. Janice Adamson - Director, Office of Grants and Sponsored Research

### Student Affairs

- Mr. Ben Nguyen - Assistant Vice President of Student Affairs and Dean of Students
- Ms. Ana Alicia Collins Lopez - Assistant Dean of Campus Life
- Ms. Paula Marsh - Director, Career Services
- Mr. Ivan Navarro - Director, Counseling and Wellness Services
- Ms. Angie Maxey - Director, Access and Disability Services
- Ms. Shundeez Faridifar - Director, Student Leadership and Engagement
- Fr. Eduardo Rivera, CSB - Chaplain, Campus Ministries

### Finance

Mr. Jose Luis Del Aguila - Interim Vice President for Finance

- Mr. Keith Scheffler - Controller
- Mr. Richard Shuman - Bursar

## Marketing and Enrollment Success

- Vice President of Marketing and Enrollment Success
- Ms. Lynda McKendree - Dean, Scholarships and Financial Aid
- Mr. Nathan Dugat - Registrar
- Ms. Sara Johnson - Director, Admissions
- Ms. Trisha Ruiz - Senior Director, Veteran Success Center
- Mr. Daniel Garcia - Director, Rising Stars Program
- Mr. Christopher Zeglin - Associate Vice President of Enrollment Marketing and Operations Marketing and University Relations
- Ms. Sandra Soliz - Director, Communications

## University Advancement

- Ms. Dawn Koenning - Vice President for University Advancement and Chief Development Officer
- Ms. Meredith McCrary - Associate Vice President of Development
- Ms. Kelly Ford - Senior Director, Advancement Services
- Ms. Jacquelyn Olexa - Director, Stewardship and Annual Giving
- Ms. Mallory Peterson - Director, Corporate Relations
- Ms. Amy Youngblood - Director, Alumni Relations

## International Relations and Engagement

- Dr. Hans Stockton - Associate Vice President, International Relations & Engagement
- Ms. Dora Zhang - Director, International Services and Study Abroad

## University Services

- Dr. Carla Alsandor - Chief University Services Officer
- Mr. H.E. Jenkins - Assistant Vice President and Chief of Police
- Mr. Edgar Moctezuma - Assistant Vice President of Facilities Operations
- Ms. Gina Pomilla - Interim Director, Human Resources
- Dr. Reginald Brumfield - Chief Information Officer

## Strategic Partnerships and Community Engagement

- Mr. Arthur Ortiz - Chief Strategic Partnerships and Community Engagement Officer

## Athletics

- Mr. Todd Smith - Director, Athletics

## Faculty

Refer to <https://www.stthom.edu/Offices-and-Services/Directory/Index.aqf> for the most up to date listing.

**Shivas Amin**, 2012. Associate Professor, Biology. BS (2003) Texas A&M; PhD (2010) Rice University.

**James Anderson**, 1989. Assistant Professor, School of Theology. BA (1974) University of St. Thomas; STB (1977), STL (1979) and STD (1988) Pontifical Gregorian University.

**Dominic Aquila**, 2007. Professor, History. BMus (1977) Juilliard; MBA(1980) New York University; D. Litt et Phil. (2001) University of South Africa.

**Ulyses Balderas**, 2011. Associate Professor, International Studies;

PhD (2005) and MA (1999) University of Colorado; BA (1998) Instituto Tecnoligica.

**Catherine Romero-Barber**, 2010. Associate Professor, Education. Director, Research Program. MA (2000) Loyola University; PhD (2004) Loyola University.

**James Barloon**, 2001. Associate Professor, English. BA (1983) University of Notre Dame; MA (1987) University of Missouri; PhD (1995) University of Kansas.

**Sidika Gulfem-Bayram**, 2011. Associate Professor, Finance.; BS (1999) Ankara University, MBA (2002) University of Texas-RGV, Ph.D. (2011) University of Texas-RGV.

**Michael Boler**, 2011. Assistant Professor, Modern & Classical Languages. BA (2000) University of St. Thomas; MA (2007), PhD (2011) Fordham University.

**Elizabeth A. Borreca**, 2000. Associate Professor, Education; Chair, Exceptionality. BA (1970) and MS (1982) University of Wisconsin; EdD (1992) University of Houston.

**Clinton A. Brand**, 2001. Associate Professor, Chair, English. BA (1989) University of Dallas; MA (1990) and PhD (1995) Vanderbilt University.

**Lucindra Campbell-Law**, 2013. Professor, Nursing. BN (1994) Houston Baptist University; MN (1996) University of Texas Health Science Center; PhD (2004) Texas Women's University.

**Nicole Casarez**, 1990. Professor, Communication. BJ (1976) and JD (1979) University of Texas; MA (1991) University of Houston.

**Nicole Castellanos**, 2012. Assistant Professor, Beran Library. BA (2003) Tulane University; MS (2008) The University of Texas at Austin.

**Angelina Chambers**, 2012. Professor and Associate Dean, Nursing. BS (1976) Skidmore College; MS (1981) Yale School of Nursing; PhD (2006) University of Texas Medical Branch.

**Richa Chandra**, 2013. Assistant Professor, Chemistry and Physics. BA (2002) Austin College; PhD (2006) Texas A&M College Station.

**Yiyang Cheng**, 2013. Assistant Professor, Finance. BS (2002) Fudan University; PhD (2007) University of Rhode Island; PhD (2013) University of North Carolina Charlotte.

**James Clarage**, 2008. Associate Professor, Program Director, Physics. BA (1985) Illinois Wesleyan University; PhD (1990) Brandeis University.

**Elizabeth Coscio**, 2002. Associate Professor, Spanish; Director, Spanish Program; Cullen Foundation Chair in Spanish. BA (1969) University Of Houston; MA (1986) Rice University; PhD (2001) University of Houston.

**Emily Couvillon**, 2012. Assistant Professor, Public Services Librarian. BA (2010) Tulane University; MS (2012) The University of Texas at Austin

**Claudine Dufrene**, 2013. Assistant Professor, Nursing. AND (1991) Nicholls State University; BSN (1998), MSN (2000) University of Phoenix; PhD (2013) Texas Women's University.

**Christopher Evans**, 2007. Dean, School of Arts and Sciences; Associate Professor. BA (1996) Dallas Baptist University; ThM (2000) Dallas Theological Seminary; MA (2001) University of Dallas; PhD (2005) St. Louis University.

**Marie Faubert**, CSJ, 1994. Professor, Education, Cullen Trust for Higher Education/ Lloyd P. Webre Endowed Chair, Education. BA (1966) Regis College; MEd (1970) Boston State College; MEd (1989) and EdD (1992) North Carolina State University.

**Ramón Fernández**, 1983. CPA, CFP, CMA, CIA. Assistant Professor, Accounting. BA (1979) University of St. Thomas; MBA (1983) University of Houston.

**Mary Flagg**, 2013. Associate Professor, Mathematics. BS (1984) Rice University; MS (1986) California Institute of Technology; MS (2003), PhD (2006) University of Houston.

**Serena Flores**, 2012. Assistant Professor, Education; Chair, Counselor Education Program. BS (2006), MS (2008), PhD (2012) Texas A&M Corpus Christi.

**Jack Follis**, 2010. Associate Professor, Mathematics. MLA (2002) University of St. Thomas, MS (1999) Texas Tech University, BA (1994) University of St. Thomas

**Henry Foust**, 2012. Associate Professor, Mathematics, Computer Science, and Cooperative Engineering. BS (1995) University of New Orleans; MS (1995) Colorado School of Mines; PhD (2005) Tulane University.

**Donald R. Frohlich**, 1994. Professor, Biology. BS (1978) College of Idaho; MS (1983) and PhD (1989) Utah State University.

**Ray Garcia**, 2015. Professor; Director of the Ed.D Program. BS (1977) Texas A&I University. M.Ed (1981) Pan American University. D.Ed. (1989) University of Houston.

**Beena George**, 2003. Dean of Cameron School of Business. Professor, Management and Marketing; BS (1983) University of Kerala; MBA(1986) Indian Institute of Management, Calcutta.; PhD(2006) University of Houston.

**Chirine Ghaoui**, 1999. Assistant Professor, Chemistry and Physics. BS (1990) American University of Beirut; PhD (1997) University of Houston.

**Lynn R. Godwin**, 1994. Associate Professor, Marketing, Chair, Management and Marketing. BA (1981) University of Texas; MBA(1986) and PhD(1992) University of Memphis.

**Ana-Lisa Gonzalez**, 2004, 200, 2010. Associate Professor, Education; Chair, Reading and Field Experience. Med (2000) PhD (2005) University of Houston.

**Emiliano Gonzalez**, 1999. Professor, Education; Chair of the Graduate Curriculum & Instruction Program. BA (1987) University of Texas–Austin; MEd (1994) University of Texas–Pan American; PhD (1998) Indiana University.

**Terry Hall**, 1993. Associate Professor, Philosophy; Director, Honors Program. BA (1971) and MA (1975) Oklahoma State University; PhD (1990) Catholic University of America.

**Andrew Hayes**, 2011. Associate Professor, Theology. BA (2004) Christendom College; MA (2007), PhD (2012) Catholic University of America.

**John Hittinger**, 2006. Professor, Philosophy. Department Chair, Philosophy; BA (1974) University of Notre Dame; MA (1976) and PhD (1986) The Catholic University of America.

**Javoris Hollingsworth**, 2015. Assistant Professor. BA (2007) Georgia Southern University; MS (2009) PhD (2012) Louisiana State University

**Sujin Horwitz**, 2007. Professor, Management and Marketing. BS (1998) University of Maryland; MA (2000), PhD (2004) University of Minnesota.

**Nora Hutto**, 2011. Professor, Education. D.Ed. (1979), MS (1974) Texas Tech University; BS (1972) New Mexico State University.

**Steven Jensen**, 2007. Professor, Philosophy. BA (1987) University of St. Thomas; PhD (1993) University of Notre Dame.

**Michael Kane**, 2018. Instructor and Chair, Criminology, Law and Society. BS (1975) University of Tulsa. MA (1979) Sam Houston State University. M.Ed (2005) University of Houston Victoria. PhD (2017) Texas Southern University.

**Mary A. Kelleher**, 2004. Associate Professor, Periodical Reference Librarian; Chair, Beran Library, St. Mary's Seminary. BA (1985) University of St. Thomas; MA (1990) and PhD (1999) New York University; MLIS (2004) University of North Texas.

**Jean Kiekol**, 2012. Assistant Professor, Education; Chair of Secondary Education and Masters of Arts in Teaching. BS (1991), MBA (1993), PhD (2007) Kansas State University.

**Brady Knapp**, 2005. Associate Professor, Music, Chair of Music; Director of Choral Activities. B.Mus. (1994) Vanderbilt University; M.Mus. (1997) and DMA (2003) Rice University.

**Nicholas Kowalski**, 2011. Associate Professor, Collection Development Librarian, Doherty Library. BA (2001) John Carroll University; MLIS (2005) Kent State University.

**Phyllis Kritek**, 2014. Professor, School of Nursing; Archbishop Fiorenza Endowed Chair in Nursing. BSN (1967) Marillac College, MSN (1971), PhD (1980) University of Illinois at Chicago.

**Rick Krustchinsky**, 1981. Professor, Education; Program Chair, Undergraduate Education; Associate Dean, Undergraduate Education. BS (1973) and MEd (1974) Stephen F. Austin State University; EdD (1979) University of Southern Mississippi.

**Maia Larios-Sanz**, 2007. Associate Dean of Art and Sciences. Associate Professor, Biology. BA (1993) Schreiner College; MS (1997), PhD (2003) University of Houston.

**John Leavins**, 2003. Professor and Department Chair, Accounting. BBA (1968) Lamar State College; MBA (1972) Lamar University; PhD (1987) University of Houston.

**Robert M. LeBlanc**, 2002. Associate Professor, Education. BA (1969) University of St. Thomas; MA (1973) and EdD (1980) University of Houston.

**James LeBuffe**, 2007. Instructor, Education. BA (1970) Catholic University of America; MA (1974) Gallaudet University; EdD (1982) Temple University.

**Kristina Leyden**, 2012. Assistant Professor, Nursing. AS (1994), AAS (1996) Clark College; BA (1997) Washington State University; MS (1999) University of Texas Medical Branch.

**Victoria Liu**, 2017. Assistant Professor, Clinical Mental Health Counseling. BS (2004) University of Louisiana at Lafayette. MA (2013) PhD (2016) Sam Houston State University.

**Paul Lockey**, 2015. Associate Dean of the Graduate School of Theology, Associate Professor, Theology; BA (1968) Texas A&M; MT(1971) and MST (1974) Southern Methodist University; MA (1988) and PhD (1989) University of Dallas.

**Janet Lowery**, 1990. Professor, English; BS (1974) and MA (1980) State University of New York, Brockport; PhD (1990) State University of New York, Binghamton.

**Kerry J. MacArthur**, 1986. Associate Professor and Cullen Endowed Chair in English. BA (1979) St. John's University, Colledgeville; MA (1982) and PhD (1988) University of Notre Dame.

**Laura Manzo**, 2011. Assistant Professor, Theology. PhD (2009) Catholic University of America; MA (1996) BA (1990) University of St. Thomas.

**Christopher Martin**, 1999. Professor, Philosophy. BA (1979), BPhil (1981) and DPhil (1984) Oxford University.

**Claire M. McDonald**, 1984. Professor, Drama; Department Chair, Fine and Performing Arts. BA (1977) Rice University; MFA (1983) University of Texas.

**Jo Meier-Marquis**, 2005. Associate Professor, Psychology; BA (1994) University of Texas, San Antonio; MA (1995) and PhD (1999) Southern Methodist University.

**Birgit Mellis**, 2010. Assistant Professor, Physics and Department Chair of Physics. MS (1991) University of Aachen and PhD (2004) University of Duisburg-Essen.

**Steven Meyer**, 2012. Assistant Professor, Theology. BA (1993), MA (1995) Franciscan University of Steubenville.

**Roger D. Morefield**, 1980. Associate Professor, Economics, Finance and Decision Information Sciences. BS (1972) University of Alabama; MA (1975) and PhD (1977) Duke University.

**Elham Mousavidin**, 2010, Assistant Professor, Management. BS (1998) University of Tehran, Mechanical Engineering. MBA (2002) University of Houston; PhD (2010) University of Houston.

**Lisa Mundey**, 2007. Associate Professor and Department Chair History. BA (1998) Notre Dame College; MA and PhD (2006) Kansas State University.

**Romanus O. Muoneke**, 1991. Associate Professor, English. BD (1975) Bigard Memorial Seminary, Nigeria; BA (1981) University of Nigeria; HDip (1982) University College, Dublin; MA (1984) and PhD (1991) University of Houston.

**Edward Nam**, 2015. Assistant Professor, Biology. BS (2004) Duke University; PhD (2011) Vanderbilt University.

**Donald S. Nesti, CSSp**, 1994. Professor, School of Theology; Interim Director, Center for the Study of Faith and Culture. BA (1959) and BD (1964) St. Mary's Seminary, Norwalk; MA (1976) University of Pittsburgh; STL (1966) and STD (1970) Pontifical Gregorian University.

**Chau Nguyen**, 2017. Assistant Professor, Theology. MA (2010) M.Phil. (2015) PhD (2017) Catholic University of America

**Loan Nguyen**, 2008. Associate Professor, Doherty Library; Electronic Resources Librarian. BS (1992) Indiana-Purdue; MLIS (2001) University of North Texas.

**Ellis L. Nordyke**, 1974. Professor, Biology; Co-Director of Pre-Health Professional Program. BS (1968), MS (1970) and PhD (1972) University of Houston.

**Karen O'Brein**, 2018. Assistant Professor, Nursing. BSN (1993) Stephen F. Austin State University, MSN (2002) PhD (2008) The University of Texas Medical Branch at Galveston

**Mirela Olivia**, 2010. Associate Professor, Philosophy. MA (1999) La Sapienza University; BA (2000) University of Bucharest; PhD (2007) University of Freiburg I, Brsg.

**Thomas Osborne, Jr.**, 2003. Professor, Philosophy; Director, Center for Thomistic Studies. BA (1994) The Catholic University; MA (1995) Boston University; PhD (2001) Duke University; LMS (2002) Pontifical Institute of Mediaeval Studies.

## Accounting

### Degree Type

Bachelor of Business Administration & Master of Business Administration

**Department Chair:** John Leavins, [leavinj@sttom.edu](mailto:leavinj@sttom.edu)

The accounting degree program provides a broad-based education and promising employment prospects for future business leaders by equipping students with the business and accounting knowledge necessary to obtain professional positions after graduation, providing a sound knowledge base for continuing progress in the accounting profession, and creating an environment within which students and faculty exchange ideas and critically evaluate the profession and its role in society.

The undergraduate accounting curriculum is designed to provide learning and decision-making skills that will be invaluable throughout the graduate's career. Accordingly, the curriculum incorporates both accounting theory and practice. The BBA prepares students who do not wish to sit for the CPA exam in the following careers:

- Corporate
- Nonprofit
- Government accounting

Students interested in public accounting and planning to take the CPA exam must successfully complete 150 hours of college credit. Our BBA/MBA and Master of Science in Accounting degrees are designed to prepare them to sit for this exam.

## Bachelor's Degree Requirements

The following overall requirements are needed in order to earn a bachelor's degree. For a full explanation of the requirements, please see policy [A.04.01](#).

- Completion of the [core curriculum](#). Specific core plan is dependent upon accepted transfer credit, major, and Honor's Program participation.
- Successful completion of *at least* 120 credit hours, with the final 36 hours taken in Residence at UST. Total credits listed on the page only reflect the major.
- Completion of a major.
- Completion of 36 upper-division credit hours.
- A cumulative grade point average (GPA) above 2.0
- A cumulative GPA above 2.0 in your major
- [Freshman Symposium](#) is a one-credit hour, mandatory course exclusively for first-year students at the University of St. Thomas, introducing them to the UST mission and the Basilian Fathers' core values of goodness, discipline, and knowledge. Freshmen register for it during the Freshmen Registration/Orientation events and can choose a class that aligns with their interests, with course descriptions provided in advance.

## Business Foundation Courses

| MSDS 5361   | Data and Social Issues        | 3.0     |
| MSDS 6381   | Practicum I                   | 3.0     |
| MSDS 6382   | Practicum II                  | 3.0     |
|             | Total Credits                 | 30      |

## Applied Sports and Performance Psychology

### Degree Type

Master of Arts

## **Note: No longer enrolling new students. Program is on teach-out.**

Program Director: Dr. Victoria Wagner, [wagnerv@stthom.edu](mailto:wagnerv@stthom.edu)

The BA/MA in Applied Sports and Performance Psychology offers ambitious students an attractive option for earning a bachelor's degree and a master's in one program.

Solving the mysteries of human behavior and the mind is like cracking an intricate riddle. Psychology reveals how the pieces of the human mind interlock. As a Psychology major at UST, you'll learn to put the pieces together by thinking critically, conducting research and using analytical software. Combined with study abroad programs and internships, our unique curriculum emphasizes social justice and service to the community, paving your way toward a wide variety of careers in psychology.

The MA in Applied Sports and Performance Psychology (MAASP) prepares graduate students to work with individuals in sports, performing arts, and health and fitness arenas on psychological factors aimed at improving human performance. Through the coursework, students will learn how to help individuals meet their performance and growth goals using assessment and intervention. The program targets the coursework and applied experience needed to fulfil the Association of Applied Sport Psychology's Certification as a Mental Performance Consultant (CMPC). Ultimately, graduates will be equipped with the skills to work with athletes of various levels (youth, elite, masters, recreational), coaches, non-port performers (dancers, musicians), business professionals, and tactical occupations (military personnel) to enhance their performance and well-being from a psychological standpoint.

The MA degree requires completion of 36 credit hours with an overall grade point average of "B" (3.0 GPA) or better. Twenty-seven (24) credit hours are within the PSYC core and twelve (12) credit hours are within the Secondary Core Electives.

### **Core Courses**

| <b>Course Code</b> | <b>Title</b>  | <b>Credits</b> |
|--------------------|---|----------------|
| PSYC 5310          | Designing Mental Skills Training                                    | 3.0            |
| PSYC 5345          | Applied Sport and Performance Psychology                            | 3.0            |
| PSYC 5355          | Professional Ethics and Standards                                   | 3.0            |

| PSYC 6293   | Special Topics in Psychology                                   | 2.0            |
| PSYC 6393   | Special Topics in Psychology                                   | 3.0            |
| PSYC 6493   | Special Topics in Psychology                                   | 4.0            |

### CMPC Certification coursework

*Certain additional courses are required for the CMPC certification if an equivalent course was NOT already completed at the undergraduate level. Please check with the MASPP program director for equivalent courses that may satisfy the certification need.*

These courses include, but are not limited to:

| Course Code | Title                               | Credits    |
|-------------|-------------------------------------|------------|
| PSYC 5337   | Abnormal Psychology                 | 3.0        |
|             | <b>PSYC 5339 or PSYC 5341</b>       | <b>3.0</b> |
| PSYC 5339   | Human Growth and Development        | 3.0        |
| PSYC 5341   | Theories of Personality             | 3.0        |
| PSYC 6320   | Sociocultural Perspectives on Sport | 3.0        |
|             | Total Credits                       | 36         |

## BA in International Studies & MA in Diplomacy & Strategic Affairs (MDSA)

### Degree Type

Bachelor of Arts & Master of Arts

### Geography

| Course Code | Title                    | Credits |
|-------------|--------------------------|---------|
| GEOG 2332   | World Regional Geography | 3.0     |

## International Studies

| <b>Course Code</b> | <b>Title</b>                          | <b>Credits</b> |
|--------------------|---------------------------------------|----------------|
| INST 1351          | Introduction to International Studies | 3.0            |
| INST 2352          | Research Methods in Int' Stud         | 3.0            |
| INST 3351          | Comparative Political Systems         | 3.0            |
| INST 3352          | International Politics                | 3.0            |
| INST 3354          | International Political Economy       | 3.0            |
| INST 3355          | Intercultural Issues                  | 3.0            |
| INST 3366          | The American Foreign Policy Process   | 3.0            |

## Regional Studies

Choose **one** of the following:

| <b>Course Code</b> | <b>Title</b>                                       | <b>Credits</b> |
|--------------------|--|----------------|
| INST 3357          | Regional Study of Europe                           | 3.0            |
| INST 3359          | Regional Study of Latin America                    | 3.0            |
| INST 3360          | Regional Study of East Asia                        | 3.0            |
| INST 3363          | Regional Study of North Africa and the Middle East | 3.0            |

## International Studies Electives

Choose three additional International Studies elective courses.

Do not take INST 4364: will be an option as MLINS 6364

## Foreign Language

Depending on fluency, see department.

The ability to communicate in foreign communities is fundamental to effective international work.

Two sequential courses in a foreign language. Arabic, French, German, Greek, Italian, Irish, Japanese, Latin, Mandarin Chinese, Spanish

## Practical International Experience

Being immersed in an international environment is one of the most effective means for gaining an international perspective. Therefore, each student majoring in International Studies will complete one of the following practical international experiences:

- Study Abroad
- Internship in international business
- Structured experience abroad without academic credit

## MDSA Core Courses

| <b>Course Code</b> | <b>Title</b>  | <b>Credits</b> |
|--------------------|---|----------------|
| MDSA 5301          | Introduction to Diplomacy and Strategic Policy      | 3.0            |
| MDSA 5302          | Analytics in Strategic Affairs                      | 3.0            |
| MDSA 5303          | Advanced Seminar in Diplomacy and Strategic Studies | 3.0            |
| MDSA 6399          | Capstone Project                                    | 3.0            |

## MDSA Field Courses Core Courses

| Course Code | Title  | Credits |
|-------------|--|---------|
| MLINS 6364  | International Law                            | 3.0     |
| MLINS 6369  | Seminar in International Development Studies | 3.0     |
| MLPOS 5372  | Public Personnel Administration              | 3.0     |

## MDSA General Electives

Select 12 credit hours from MDSA, MLCOM, MLINS, MLPOS, MLPSY, MPPA (5000 & 6000 level).

|               |    |
|---------------|----|
| Total Credits | 72 |
|---------------|----|

## Business Administration

### Degree Type

Master of Business Administration

### Time Limit

Students are required to complete all coursework towards the MBA degree within 6 years from the date of entry into the MBA program.

## MBA Requirements

Complete all of the following courses.

- Note: MBA 6307 (*Organizational Leadership and Ethics*) should be taken in the first semester.
- Note: MBA 6370 (*Applied Strategic Management*) must be taken in the last nine hours and needs Department Chair approval before class can be taken.

| Course Code | Title  | Credits |
|-------------|--|---------|
| MBA 6307    | Organizational Leadership and Ethics           | 3.0     |
| MBA 6311    | Managerial Economics                           | 3.0     |
| ACCT 6313   | Managerial Accounting and Decision Making      | 3.0     |
| FINA 6318   | Financial Management                           | 3.0     |
| MBA 6320    | Marketing Strategy                             | 3.0     |
| MBA 6370    | Applied Strategic Management (Capstone Course) | 3.0     |

## Business Administration Electives/Concentration Option

Complete 12hrs from any MBA elective courses. A concentration can be earned by taking between 9hrs and 12hrs courses in a concentration area. Concentration areas and course options are the following:

- **Accounting**
- **Economics**
- **Entrepreneurship**
- **Finance**
- **Healthcare**
- **Innovation and Information Technology Management**
- **International Business**
- **Management Information Systems**
- **Marketing**
- **Nonprofit Management**
- **Strategic Leadership**
- **Sustainability**

To view the specific courses for each concentration area, please click the link below.

| <b>Course Code</b>                            | <b>Title</b> | <b>Credits</b> |
|---|--------------|----------------|
| <b>MBA Concentration Area Elective Groups</b> |              |                |

### Accounting (9hrs)

Complete 9hrs from the courses below.

|           |   |     |
|-----------|---|-----|
| ACCT 6314 | Contemporary Issues in Finance & Accounting   | 3.0 |
| ACCT 6330 | Advanced Accounting                           | 3.0 |
| ACCT 6333 | Auditing                                      | 3.0 |
| ACCT 6336 | Financial Statement Analysis                  | 3.0 |
| ACCT 6353 | Federal Tax Concepts for Individuals          | 3.0 |
| ACCT 6360 | Governmental/Not-for-Profit Accounting        | 3.0 |

| MBA 6318 | Program Evaluation in Nonprofit Management        | 3.0 |

## Strategic Leadership (12hrs)

*Note: MBA 6337 and MBA 6358 are required courses for this concentration. In addition to these courses, students must choose 2 graduate-level courses from the following areas:*

- Accounting
- Finance
- Marketing
- Technology
- Sustainability

Complete 12hrs from the courses below.

|          |                            |     |
|----------|----------------------------|-----|
| MBA 6337 | Developing Human Resources | 3.0 |
| MBA 6358 | Systems Project Management | 3.0 |

## Sustainability (12hrs)

*Note: MBA 6371 and MBA 6372 are required courses for this concentration.*

Complete 12hrs from the courses below.

|          |   |     |
|----------|---|-----|
| MBA 6371 | Sustainability and Corporate Governance | 3.0 |
| MBA 6372 | Sustainable Development Frameworks      | 3.0 |
| MBA 6339 | Sustainability and Modern Technology    | 3.0 |
| MBA 6337 | Developing Human Resources              | 3.0 |
| MBA 6373 | Planning for Sustainability             | 3.0 |
| MBA 6374 | Marketing for Sustainability            | 3.0 |
| MBA 6366 | Sustainable Sourcing Management         | 3.0 |

## Concentration Optional Course

Students may also take one of the following courses, conditional upon approval of the Dean, Associate Dean, or Department Chair, in their selected concentration area.

*Note: A student may take no more than 3 hours of out-of-class courses towards their degree.*

|          |   |     |
|----------|---|-----|
| MBA 6391 | Internship                                | 3.0 |
| MBA 6392 | Directed Reading/Independent Study in MBA | 3.0 |
| MBA 6393 | Special Topics                            | 3.0 |

## Business Foundation Proficiencies

Students who do not have a compressive business background, may be requested to complete all or several online modules below:

- Accounting
- Fundamentals of Business Statistics
- Fundamentals of Finance
- Fundamentals of Microeconomics
- Fundamentals of Macroeconomics
- Fundamentals of Management
- Fundamentals of Marketing
- Legal Environment of Business

New graduate business students with a GPA less than 3.0 will be required to complete online modules on:

- Business Communication
- Business Mathematics

*Note: Alternatively, taking the 3-credit-hour MBA 5300 Bootcamp course below will satisfy the requirements for all the proficiency courses above (this does not include Business Communications and Business Mathematics).*

| <b>Course Code</b> | <b>Title</b>               | <b>Credits</b> |
|--------------------|----------------------------|----------------|
| MBA 5300           | Graduate Business Bootcamp | 3.0            |
|                    | Total Credits              | 30             |

## Catholic Approaches to Sexuality and Gender

### Degree Type

Graduate Certificate

### Core Courses

Complete all of the following courses.

| CMHC 6340          | Internship I                                       | 3.0            |
| CMHC 6345          | Internship II                                      | 3.0            |
| CMHC 6320          | Addictions & Recovery                              | 3.0            |
| CMHC 6305          | Spiritual & Religious Themes in Counseling         | 3.0            |
| CMHC 6355          | Professional Ethics, Practice, and Social Justice  | 3.0            |
| CMHC 6350          | Internship III                                     | 3.0            |

## Elective Courses

| <b>Course Code</b> | <b>Title</b>                   | <b>Credits</b> |
|--------------------|--------------------------------|----------------|
| CMHC 5340          | Introduction to Play Therapy   | 3.0            |
| CMHC 5345          | Trauma: A Holistic Perspective | 3.0            |
| CMHC 6370          | Research Thesis I: Counseling  | 3.0            |
| CMHC 6375          | Research Thesis II: Counseling | 3.0            |

## Additional/Special Curriculum Requirements

Note: The following five courses must be passed with a grade of **B or higher** to advance to additional coursework. If a grade of B- or below is earned, the course must be repeated:

- CMHC 5305 Helping Relationships
- CMHC 6335 Practicum I/Crisis Intervention
- CMHC 6340 Practicum II
- CMHC 6345 Practicum III
- CMHC 6350 Practicum IV

Students enrolled in CMHC 6335, 6340, 6345, 6350 Practica I-IV will complete a total of 700 or more supervised clinical training hours.

In addition to the 20 required courses for the MS, students may also complete two elective thesis courses (CMHC 6370 Research Thesis I: Counseling & CMHC 6375 Research Thesis II: Counseling). These courses are offered in the summer terms. The prerequisite for CMHC 6370 Research Thesis I is CMHC 5330 Research Foundations. Students complete Research Foundations in the Summer I term, followed by Thesis I in the Summer II term.

Under special circumstances, students may also complete an individualized course in an area of interest to the student: CMHC 6360: Special Topics in Counseling & CMHC 6365: Special Problems in Counseling

|                    | Total Credits   | 30             |

## Cybersecurity Policy Management

### Degree Type

Graduate Certificate

The Graduate Certificate in Cybersecurity Policy Management builds on the foundational technical principles of cybersecurity in areas such as, enterprise cyber risks analysis, operational security best practices, artificial intelligence development and deployment, digital forensics, incident response and recovery, and regulatory compliance with primary emphasis on governance and ethics. Further, the policy management dimension encapsulates the entire program to align with business processes and organizational objectives. The design of the certificate is structured for those who have a purely technical, or business management background but need to hone their skills as a senior policy-maker for an organization that has developed, or is developing, a cybersecurity program needing skills that bridge the gap between the two cultures.

To accommodate industry professionals, particularly those intending to reskill, the program will be offered all on-line in an asynchronous format with two on-site residencies to enhance professional development. The total instruction hours required to complete the program will be 15 credit hours. In this way, students can complete the program in one year. Students will enter as a cohort in order to facilitate opportunities for team and project work within the program.

The residencies provide excellent networking and community building opportunities that are a key feature of the program. The certificate serves as an excellent companion to other business, or technical degree offerings for those interested in having the added benefit of professional level experience in this rapidly growing field.

## Cybersecurity Policy Courses

Complete all of the following courses.

| Course Code | Title  | Credits |
|-------------|--|---------|
| GCSE 5301   | Cybersecurity Program Fundamentals                             | 3.0     |
| GCSE 5302   | The Regulatory Compliance and Legal Landscape of Cybersecurity | 3.0     |
| GCSE 5303   | Organizational Resilience and Incident Response                | 3.0     |
| GCSE 5304   | Managing Cybersecurity Operations                              | 3.0     |
| GCSE 5305   | Program Development and Executive Reporting                    | 3.0     |
|             | Total Credits  | 15      |

## Diplomacy & Strategic Affairs

### Degree Type

Master of Arts in Diplomacy and Strategic Affairs

### MDSA Primary Core Requirements

| Course Code | Title   | Credits |
|-------------|---|---------|

## Doctor of Education

### Degree Type

Ed.D

The EdD program is a three-year, year-round, full-time, multi-track, Saturday-only, online, and in-person program. Cohorts of 25 students are admitted for a summer start. Applicants will have a master's degree, professional experience, and a commitment to academic research and writing. Targeted students will be from the following fields: education, non-profit, corporate, human resources, medical, law enforcement, and student affairs.

## Education Core Courses

Complete all of the following courses. EDUC 8384 is completed three times for a total of 9 hours.

| Course Code | Title                                   | Credits |
|-------------|---|---------|
| EDUC 8362   | Qualitative Research Methods            | 3.0     |
| EDUC 8361   | Quantitative Research Methods           | 3.0     |
| EDUC 8364   | Mixed Research Methods                  | 3.0     |
| EDUC 8363   | Statistics                              | 3.0     |
| EDUC 8366   | Philosophical Foundations of Leadership | 3.0     |
| EDUC 8351   | Leadership and the Soul                 | 3.0     |
| EDUC 8354   | Social Justice                          | 3.0     |
| EDUC 8369   | Interdisciplinarity and Leadership      | 3.0     |
| EDUC 8357   | Administrative Leadership I             | 3.0     |
| EDUC 8358   | Administrative Leadership II            | 3.0     |
| EDUC 8380   | Dissertation Introduction               | 3.0     |
| EDUC 8384   | Dissertation Completion                 | 3.0     |

## Concentration Areas

Complete ONE of the following concentration areas below for a total of 12 hours:

### Educational Leadership Concentration

| Course Code | Title                          | Credits |
|-------------|--------------------------------|---------|
| EDUC 8359   | Organizational Change          | 3.0     |
| EDUC 8352   | History of Education I         | 3.0     |
| EDUC 8356   | History of Education II        | 3.0     |
| EDUC 8365   | Educational Law and Leadership | 3.0     |

### Higher Educational Leadership Concentration

| Course Code | Title   | Credits |
|-------------|---|---------|
| EDUC 8334   | Assessment and Evaluation of Programs             | 3.0     |
| EDUC 8365   | Educational Law and Leadership                    | 3.0     |
| EDUC 8336   | Theories, Models, and Practice of Student Affairs | 3.0     |
| EDUC 8337   | Foundations of Leadership in Higher Education     | 3.0     |

### Strategic Leadership Concentration

| Course Code | Title                        | Credits |
|-------------|------------------------------|---------|
| EDUC 8359   | Organizational Change        | 3.0     |
| EDUC 8338   | Strategic Management         | 3.0     |
| EDUC 8339   | Models of Leadership         | 3.0     |
| EDUC 8372   | Strategic Law and Leadership | 3.0     |

### Human Resource Leadership Concentration

| <b>Course Code</b> | <b>Title</b>                           | <b>Credits</b> |
|--------------------|--|----------------|
| EDUC 8333          | Theory and Function of Human Resources | 3.0            |
| EDUC 8332          | Staffing and Succession Planning       | 3.0            |
| EDUC 8331          | Human Capital Strategy                 | 3.0            |
| EDUC 8335          | Human Resource Law                     | 3.0            |

### Law, Society, and Criminal Justice Leadership Concentration

| <b>Course Code</b> | <b>Title</b>                              | <b>Credits</b> |
|--------------------|---|----------------|
| CRIM 8350          | Philosophy of Criminal Justice            | 3.0            |
| CRIM 8352          | Advanced Criminology                      | 3.0            |
| CRIM 8354          | Advanced Public Policy and Social Justice | 3.0            |
| CRIM 8356          | Victimology and Social Justice            | 3.0            |

## Dissertation Requirement

The EdD dissertation is an original scholarly research document that addresses a problem of practice. It is traditionally divided into five chapters:

1. **Introduction:** The Introduction overviews the purpose of the study by stating the problem, detailing the background of the problem, and the significance of the study. Moreover, terms are defined, and assumptions and limitations are clearly explained, and the chapter provides a summary of results and their implications.
2. **Literature Review:** This chapter seeks to conduct an overview of the relevant literature on the topic (either chronologically, historically, theoretically, or thematically), analyzing strengths and weaknesses and synthesizing key insights.
3. **Research Methodology:** This chapter focuses on the methodology employed in the study (qualitative, quantitative, or mixed methods) and discusses the research design, research questions, data collection, participants, and analysis.
4. **Results and Analysis:** This chapter discusses in detail the results of the student's research, using statistics, tables, charts, and graphs to describe and summarize key findings to arrive at actionable conclusions.
5. **Discussion and Conclusions:** This chapter provides a summary of findings to illustrate the importance of the study and discuss implications, strengths, and weaknesses, as well as offer suggestions for future research and recommendations for the practical application of the study.

### The Chair and Committee

Students will be assigned a dissertation Chair according to the needs of their topic at the beginning of the Year 2 Fall semester. The Chair will guide the dissertation process, setting timelines, reading drafts, and making edits and substantial suggestions.

The dissertation committee consists of a minimum of three UST full-time faculty members. An (external) academic with appropriate experience outside UST may become a committee member if recommended in writing with an attached CV and approved by the Director. The committee will convene twice during the dissertation process, at the proposal and defense.

The Director of the EdD has final authority to recruit and approve chairs to ensure they have the appropriate expertise and the ability to serve throughout the dissertation process. Subject-related matches will be attempted by the Director as much as possible. Students should follow the APA style guide, which will be discussed in EDUC 8380 Dissertation Introduction.

Students will take EDUC 8380 in the Spring semester of Year 2, followed by three sequential semesters of EDUC 8384 Dissertation Completion (9 total Credit Hours) in Year 3. EDUC 8384 is a pass/fail research course in which students work with their Chairs to write all five chapters of the dissertation from proposal to final defense. Students who fail EDUC 8384 Dissertation Completion for any reason, including lack of progress or substandard work, will be required to repeat it at their own expense, thus delaying graduation. Students may not finish early and are required to have 9 Credit Hours of EDUC 8384.

## Economics

### Degree Type

Bachelor of Business Administration & Master of Business Administration

The economics degree program exposes students to social science concepts central to business and governmental decision-making, society's allocation of resources, international relations among competing economies and ethics in commerce. The economics program encompasses micro and macroeconomics, international economics, money and banking, labor markets, cost benefit analysis, economic development and theory. Career opportunities for economics majors include the following:

- Consulting
- Commercial banking
- Investment banking

## Bachelor's Degree Requirements

The following overall requirements are needed in order to earn a bachelor's degree. For a full explanation of the requirements, please see policy [A.04.01](#).

- Completion of the [core curriculum](#). Specific core plan is dependent upon accepted transfer credit, major, and Honor's Program participation.
- Successful completion of *at least* 120 credit hours, with the final 36 hours taken in Residence at UST. Total credits listed on the page only reflect the major.
- Completion of a major.
- Completion of 36 upper-division credit hours.
- A cumulative grade point average (GPA) above 2.0
- A cumulative GPA above 2.0 in your major
- [Freshman Symposium](#) is a one-credit hour, mandatory course exclusively for first-year students at the University of St. Thomas, introducing them to the UST mission and the Basilian Fathers' core values of goodness, discipline, and knowledge. Freshmen register for it during the Freshmen Registration/ Orientation events and can choose a class that aligns with their interests, with course descriptions provided in advance.

## Business Foundation Courses

| Course Code | Title   | Credits |
|-------------|---|---------|
| ACCT 1341   | Principles of Accounting I                              | 3.0     |
| ACCT 1342   | Principles of Accounting II                             | 3.0     |
| ECON 1331   | Principles of Macroeconomics                            | 3.0     |
| ECON 1332   | Principles of Microeconomics                            | 3.0     |
| MATH 1353   | Mathematics for Economics and Business                  | 3.0     |
| MATH 3332   | Elementary Statistical Methods for Economics & Business | 3.0     |
| MGMT 2347   | Principles of Management                                | 3.0     |
| MGMT 3320   | Business Communications                                 | 3.0     |

## Business Required Courses

| Course Code | Title                               | Credits |
|-------------|-------------------------------------|---------|
| DEIS 4333   | Principles of Operations Management | 3.0     |
| ECON 3331   | International Economics             | 3.0     |
| FINA 3339   | Corporate Finance                   | 3.0     |
| MGMT 3390   | Management Information Systems      | 3.0     |
| MGMT 4331   | Business Law                        | 3.0     |
| MKTG 3343   | Principles of Marketing             | 3.0     |

## Business Capstone

Take during final semester at UST

| Course Code | Title          | Credits |
|-------------|----------------|---------|
| MGMT 4399   | Senior Seminar | 3.0     |

## Economics Required Courses

| Course Code | Title                              | Credits |
|-------------|------------------------------------|---------|
| ECON 3301   | Intermediate Microeconomic Theory  | 3.0     |
| ECON 3302   | Intermediate Macroeconomic Theory  | 3.0     |
| ECON 3332   | Theory of Economic Development     | 3.0     |

## Education: Curriculum and Instruction

### Degree Type

Master of Education

### For

Experienced educators who are interested in becoming excellent classroom teachers, Instructional Specialists, District/camps Academic Coordinators, Curricular Consultants (District or State), Peer Mentors/Coaches, Curriculum Specialist in Subject Areas, Lead Teachers, Department/Grade Level or Director of Program(s), and other Curricular Roles.

### What You Learn

The program is geared towards teachers who want to become experts in their fields, who desire to become leaders and effectively work with colleagues and to influence curricular pedagogy, inform how students learn,

how teachers teach, help others how to work effectively with parents, families, and the community, and diverse populations, implement curriculum and instruction and assess in technology, art, mathematics, science, and better help English language learning (ESL), and students with special needs.

## How You Learn

Online: This is an online cohort program. Students will check in online to complete assignments and participate in online discussions and group activities. While there are no face-to-face requirements, some live online sessions and/or conference call sessions may be required. Students will finish two courses every 15 weeks.

## Career Outcomes

Upon completion of the program, students will earn a Master of Education degree in Curriculum & Instruction. Towards the end of the program, students will have the choice to complete the program on time, or defer their graduation to complete additional courses and earn one of the following: Principal Certification, Reading Certification, and/or English as a Second Language (ESL) Certification.

## Time Limit

All requirements for the Master's Program must be completed within the eight year time limit. This includes course work and two years' experience in an educational and/or professional setting. Exceptions and waivers may be appealed to the School of Education and Human Services Advisory Council.

## Degree Plan

| Course Code | Title   | Credits |
|-------------|---|---------|
| EDUC 5330   | Curriculum and Instruction                      | 3.0     |
| EDUC 5331   | Differentiating Instruction                     | 3.0     |
| EDUC 5325   | Diagnosis & Remediation of Reading Difficulties | 3.0     |
| EDUC 5303   | Cultural Foundations                            | 3.0     |
| EDUC 6326   | Educational Research and Scholarly Writing      | 3.0     |
| EDUC 6314   | Best Practices in Curriculum and Instruction    | 3.0     |
| EDUC 6311   | Issues & Trends in Curriculum & Instruction     | 3.0     |
| EDUC 6313   | Curriculum Praxis in the 21st Century           | 3.0     |
| EDUC 5397   | Curriculum Planning & Development               | 3.0     |
| EDUC 6315   | Curriculum Assessment & Evaluation              | 3.0     |

## Requirements

Candidates with teaching experience preferred.

## Education: Educational Leadership

### Degree Type

Master of Education

The Educational Leadership Program leads to a thorough understanding of the eleven competencies addressed in the Texas Principal as Instructional Leader Certificate that align with the national Interstate School Leaders Licensure Consortium Standards. Students are prepared to successfully complete the Texas Principal as Instructional Leader Examination at the end of the program. Course work integrates case studies with content and requires significant amounts of writing and presentations in preparation for the role of a

campus or district leader. The Principal as Instructional Leader Certificate is required to hold positions of assistant principal or principal and is frequently necessary for other leadership positions such as a curriculum director or assistant superintendent. These requirements are subject to change by the State of Texas, SBEC, and/or TEA.

### Time Limit

All requirements for the Master's Program must be completed within the eight year time limit. This includes course work and two years' experience in an educational and/or professional setting. Exceptions and waivers may be appealed to the School of Education and Human Services Advisory Council.

### Degree Plan

| Course Code | Title  | Credits |
|-------------|--|---------|
| COUN 6326   | Educational Research and Scholarly Writing         | 3.0     |
| COUN 6327   | Educational Research Design and Data Analysis      | 3.0     |
| EDUC 5310   | Instructional Leadership                           | 3.0     |
| EDUC 5390   | School Culture                                     | 3.0     |
| EDUC 5391   | School Law   | 3.0     |
| EDUC 5392   | The Principalship                                  | 3.0     |
| EDUC 5352   | Leadership for Curriculum Planning and Development | 3.0     |
| EDUC 6335   | Educational Administrative Practicum I             | 3.0     |
| EDUC 6336   | Educational Administrative Practicum II            | 3.0     |
| EDUC 6306   | Introduction to School Finance                     | 3.0     |

### Requirements

- Candidates for this program will be experienced teachers
- Texas Education Agency Identification Number
- Baccalaureate or advanced degree GPA of 3.0 or higher
- Official transcripts\*
- 250 – 300-word essay on career goals and how an M.Ed. will contribute
- Interview with the UST Faculty Program Director

***\*Transcripts (Arrange to have official transcripts of all college level work, showing proof of degree/credentials attained).***

### Education: Instructional Technology

#### Degree Type

Master of Education

The Instructional Technology M.Ed program leads to a thorough understanding of the instructional design and technology application addressed in the Technology Applications Certificate that align with the national technology standards and SBEC Standards. Student K-12 educators in the program are encouraged to complete testing for the supplemental certification at the end of the program\*. Course work integrates content specialization focused learning. The program requires significant amounts self-directed project based learning. Demonstration of competency in courses is designed for preparation across various instructional technology career tracks. An advanced degree in Instructional Technology is frequently required to hold positions of

instructional designer, technology specialist, professional development developer. The degree frequently becomes necessary for future leadership positions such as a technology director, or as a prerequisite for entry into certain doctoral degree programs.

Questions regarding this program should be directed to Anissa Jones-Thomas, Program Director, Instructional Technology at jonestad@stthom.edu or 713.525.3517.

*\*For students seeking K-12 Technology Application certification, they must have a valid teaching certificate, pass the certification exam(s), and pay for all exam(s) and certification fees directly to SBEC independently. This course aligns with SBEC standards but is not a certification program course, and is open to all interested students.*

### Time Limit

All requirements for the Master's Program must be completed within the eight year time limit. This includes course work and two years' experience in an educational and/or professional setting. Exceptions and waivers may be appealed to the School of Education and Human Services Advisory Council.

### Education Core

Complete all of the following courses.

| Course Code | Title  | Credits |
|-------------|--|---------|
| EDUC 6326   | Educational Research and Scholarly Writing                   | 3.0     |
| EDUC 6340   | Intro to Instructional Technology Design and Career Pathways | 3.0     |
| EDUC 6342   | Instructional Design of Learning and Cognition               | 3.0     |

### Instructional Technology Courses

Complete all of the following courses.

| Course Code | Title   | Credits |
|-------------|---|---------|
| EDUC 6341   | Instructional Technology Methods              | 3.0     |
| EDUC 6343   | Exploring Emerging Technology and Ethics      | 3.0     |
| EDUC 6344   | Differentiation with Instructional Technology | 3.0     |
| EDUC 6347   | Technology Assessment                         | 3.0     |

### Directed Study Courses

Complete three of the following courses.

*Note: The directed studies courses are determined with the program director based upon program focus. Students may choose to take courses related to STEM, preparation for doctoral programs, K-12, or design creatives.*

| Course Code | Title   | Credits |
|-------------|---|---------|
| EDUC 6327   | Educational Research Design and Data Analysis | 3.0     |
| EDUC 6345   | Creative Design Using Multimedia Methods      | 3.0     |
| EDUC 6346   | STEM Learning                                 | 3.0     |
| EDUC 6348   | Technology Leadership                         | 3.0     |
| EDUC 6349   | Technology Application K-12                   | 3.0     |
|             | Total Credits                                 | 30      |

## Education: School Counselor Education

### Degree Type

Master of Education

The School Counselor Education Program prepares students to qualify as professional school counselors. The 48-hour Professional School Counselor M.Ed. program is designed for those with 2 years of teaching experience. All of the Counselor Education Program courses probe the dynamics of language, privilege, oppression, interpersonal relationships, including those related to ethnicity, race, class, gender, and distinctive populations. In addition, the Counselor Education Program considers pertinent professional, ethical, and legal issues in professional school counseling. Research in professional counseling, role-playing, and in vivo experiences are included in the Counselor Education Program. This program meets the Texas Education Agency course requirements for professional school counselors. These requirements are subject to change by the State of Texas, SBEC, and/or TEA.

### Time Limit

All requirements for the Master's Program must be completed within the eight year time limit. This includes course work and two years' experience in an educational and/or professional setting. Exceptions and waivers may be appealed to the School of Education and Human Services Advisory Council.

|                    | <b>Total Credits</b>                          | <b>96</b>      |

## Finance

### Degree Type

Bachelor of Business Administration & Master of Business Administration

The finance degree program provides a solid body of theoretical and practical knowledge of domestic and international finance in the areas of corporate finance, risk management, investments, portfolio management, financial markets, financial planning, financial forecasting and financial institutions. The program prepares students for careers in the field of finance including:

- Commercial banking
- Financial management
- Risk management
- Portfolio management
- Post-baccalaureate study in business or law

## Bachelor's Degree Requirements

The following overall requirements are needed in order to earn a bachelor's degree. For a full explanation of the requirements, please see policy [A.04.01](#).

- Completion of the [core curriculum](#). Specific core plan is dependent upon accepted transfer credit, major, and Honor's Program participation.
- Successful completion of *at least* 120 credit hours, with the final 36 hours taken in Residence at UST. Total credits listed on the page only reflect the major.
- Completion of a major.
- Completion of 36 upper-division credit hours.
- A cumulative grade point average (GPA) above 2.0
- A cumulative GPA above 2.0 in your major
- [Freshman Symposium](#) is a one-credit hour, mandatory course exclusively for first-year students at the University of St. Thomas, introducing them to the UST mission and the Basilian Fathers' core values of goodness, discipline, and knowledge. Freshmen register for it during the Freshmen Registration/Orientation events and can choose a class that aligns with their interests, with course descriptions provided in advance.

### Business Foundation Courses

## Healthcare Administration

### Degree Type

Master of Healthcare Administration

## Transforming Students Who Aspire Into Healthcare Leaders Who Inspire

The University of St. Thomas Master of Healthcare Administration (MHA) program, offered within the Cameron School of Business, is designed for those individuals who are currently, or who aspire to be, leaders in a variety of healthcare settings. Today's health organizations need administrators who can manage the current components of healthcare, as well as lead the health sector in new directions.

Rooted upon the Catholic Moral Tradition, the MHA program offers students the opportunity to understand and master the organizational, legal, financial, ethical, political, and managerial aspects of health systems management. The MHA program offers a unique curriculum designed specifically to meet the career needs of future healthcare leaders.

### Cameron School of Business

At the Cameron School of Business, you will experience a highly **interactive** and **discussion-based** approach to business education.

Our professors often focus on the **moral** and **ethical** questions faced in today's marketplace. Programs at the Cameron School of Business focus on:

- Developing ethical leadership
- Taking high-level views of healthcare administration process
- To provide quality health-related products and services to diverse communities

### Become a Healthcare Leader by Learning How to do Good Business

#### Program Goals

The graduates will consistently be able to:

- Formulate a communication strategy that will cultivate professional relationships amongst a diverse group of stakeholders in order to achieve cooperation, promote teamwork, demonstrate
- Assess the level of professionalism necessary to succeed in the highly dynamic and demanding industry by maintaining personal and professional accountability, engaging in ongoing professional development, and demonstrating a commitment to the welfare of the facility/organization, surrounding community and the profession.
- Demonstrate the ability to function autonomously and take responsibility for managing a diverse group of professionals within a highly complex and changing healthcare environment.
- Develop a clear and achievable organizational vision for the future, which promotes the entrepreneurial spirit and contributes to the formation of a culture and climate that embraces change in order to achieve excellence in product and service delivery.
- Assess the healthcare environment and its constructs in order to pinpoint industry risks and opportunities, and then actively contribute to viable strategy formulation that effectively leverages internal competencies to achieve organizational success.
- Synthesize relevant internal and external data in order to position complex organizations for fiscal and operational success, despite existing barriers, in order to maintain a strong competitive advantage within a dynamic and demanding industry.
- Demonstrate advanced critical thinking skills in the construction of viable and ethical solutions to complex issues that may negatively impact product and service delivery.

## Degree Requirements

Complete all of the following courses.

| Course Code | Title   | Credits |
|-------------|---|---------|
| MHA 6307    | Leadership and Governance of Healthcare Organizations | 3.0     |
| MHA 6318    | Healthcare Financial Management                       | 3.0     |
| MHA 6320    | Healthcare Strategic Planning and Marketing           | 3.0     |
| MHA 6322    | Healthcare Organizational Communication               | 3.0     |
| MHA 6323    | Healthcare Economics and Policy                       | 3.0     |
| MHA 6324    | Healthcare Law and Policy                             | 3.0     |
| MHA 6325    | Healthcare Compliance and Ethics                      | 3.0     |
| MHA 6337    | Human Resource Management in Healthcare               | 3.0     |
| MHA 6357    | Information Management Systems in Health Services     | 3.0     |
| MHA 6370    | Capstone Practicum in Healthcare Management           | 3.0     |
|             | Total Credits   | 30      |

## Industrial Chemistry

### Degree Type

Bachelor of Science & Master of Science in Industrial Chemistry

### Bachelor's Degree Requirements

The following overall requirements are needed in order to earn a bachelor's degree. For a full explanation of the requirements, please see policy [A.04.01](#).

- Completion of the [core curriculum](#). Specific core plan is dependent upon accepted transfer credit, major, and Honor's Program participation.
- Successful completion of *at least* 120 credit hours, with the final 36 hours taken in Residence at UST. Total credits listed on the page only reflect the major.
- Completion of a major.
- Completion of 36 upper-division credit hours.
- A cumulative grade point average (GPA) above 2.0
- A cumulative GPA above 2.0 in your major
- [Freshman Symposium](#) is a one-credit hour, mandatory course exclusively for first-year students at the University of St. Thomas, introducing them to the UST mission and the Basilian Fathers' core values of goodness, discipline, and knowledge. Freshmen register for it during the Freshmen Registration/Orientation events and can choose a class that aligns with their interests, with course descriptions provided in advance.

## Chemistry

| <b>Course Code</b> | <b>Title</b>                          | <b>Credits</b> |
|--------------------|---------------------------------------|----------------|
| CHEM 1341          | General Chemistry I                   | 3.0            |
| CHEM 1141          | General Chemistry I Laboratory        | 1.0            |
| CHEM 1342          | General Chemistry II                  | 3.0            |
| CHEM 1142          | General Chemistry II Laboratory       | 1.0            |
| CHEM 2343          | Organic Chemistry I                   | 3.0            |
| CHEM 2143          | Organic Chemistry I Laboratory        | 1.0            |
| CHEM 3333          | Organic Chemistry II                  | 3.0            |
| CHEM 3133          | Organic Chemistry II Laboratory       | 1.0            |
| CHEM 3334          | Biochemistry                          | 3.0            |
| CHEM 3134          | Biochemistry Laboratory               | 1.0            |
| CHEM 3343          | Analytical Chemistry                  | 3.0            |
| CHEM 3143          | Analytical Chemistry Laboratory       | 1.0            |
| CHEM 4331          | Advanced Organic Chemistry            | 3.0            |
| CHEM 4131          | Advanced Organic Chemistry Laboratory | 1.0            |
| CHEM 4332          | Inorganic Chemistry                   | 3.0            |
| CHEM 4132          | Inorganic Chemistry Laboratory        | 1.0            |
| CHEM 4361          | Physical Chemistry I                  | 3.0            |
| CHEM 4161          | Physical Chemistry I Laboratory       | 1.0            |
| CHEM 4362          | Physical Chemistry II                 | 3.0            |
| CHEM 4112          | Scientific Communication              | 1.0            |
| CHEM 4150          | Laboratory Research Methods           | 1.0            |

## Additional Chemistry

Choose **two** from the following:

| <b>Course Code</b> | <b>Title</b>                   | <b>Credits</b> |
|--------------------|--------------------------------|----------------|
| CHEM 4334          | Advanced Biochemistry          | 3.0            |
| CHEM 4344          | Advanced Analytical Techniques | 3.0            |
| CHEM 4354          | Environmental Chemistry        | 3.0            |
| CHEM 4364          | Materials Science              | 3.0            |

## Mathematics

Must take in order.

| <b>Course Code</b> | <b>Title</b>             | <b>Credits</b> |
|--------------------|--------------------------|----------------|
| MATH 1431          | Calculus I               | 4.0            |
| MATH 1432          | Calculus II              | 4.0            |
| MATH 2343          | Differential Equations I | 3.0            |

## Physics

Choose one pair of courses

| <b>Course Code</b>                           | <b>Title</b>                    | <b>Credits</b> |
|--|---------------------------------|----------------|
| <b>General Physics I &amp; II w/ lab</b>     |                                 |                |
| PHYS 1331                                    | General Physics I               | 3.0            |
| PHYS 1111                                    | General Physics I Laboratory    | 1.0            |
| PHYS 1332                                    | General Physics II              | 3.0            |
| PHYS 1112                                    | General Physics II Laboratory   | 1.0            |
| <b>University Physics I &amp; II w/ Labs</b> |                                 |                |
| PHYS 2333                                    | University Physics I            | 3.0            |
| PHYS 2111                                    | University Physics I Laboratory | 1.0            |
| PHYS 2334                                    | University Physics II           | 3.0            |
| PHYS 2112                                    | University Physics II Lab       | 1.0            |

## Electives

Electives to reach a minimum of 117 undergraduate hours (8 credit hours)

## MSIPC Chemistry Courses

| <b>Course Code</b> | <b>Title</b>                               | <b>Credits</b> |
|--------------------|--|----------------|
| CHEM 5301          | Engineering Flow and Heat Exchange         | 3.0            |
| CHEM 5302          | Chemical Reactors and Separation Processes | 3.0            |
| CHEM 5303          | Analysis and Design of Chemical Processes  | 3.0            |
| CHEM 6301          | Industrial Organic Chemicals               | 3.0            |

Total Credits

111

---

## JD & MBA Joint Degree

### Degree Type

Master of Business Administration & Juris Doctor

UST and the South Texas College of Law/Houston established a joint academic program that allows qualified students to earn a Doctor of Jurisprudence (JD) and a Master of Business Administration (MBA) degree in as few as four years. Under the plan, a student attends South Texas for the first two years, UST's Cameron School of Business for the third year and South Texas for the fourth year.

Students must be admitted to both schools to participate in the program. The joint program is designed to train students to think more strategically and allow them to leverage the strengths of both fields.

### Time Limit

Students are required to complete all coursework towards the MBA/JD degree within 6 years from the date of entry into the program.

### YEAR ONE:

Full-time JD study [totaling thirty (30) hours as called for in the applicable South Texas College of Law Student Handbook]

### YEAR TWO:

Full-time JD study [totaling thirty (30) hours as called for in the applicable South Texas College of Law Student Handbook], including the course entitled "Professional Responsibility"

### YEAR THREE:

Full-time MBA study at the University of St. Thomas [totaling twenty-four (24) hours (See list of courses below), with South Texas College Professional Responsibility course to fulfill UST's ethics requirement]

### YEAR FOUR:

Full-time JD study [totaling thirty (30) hours as called for in the applicable South Texas College of Law Student Handbook]

## Recommended Sequence for Students with BBA Degrees

(24 HOURS TOTAL; PROFICIENCY COURSES MAY BE WAIVED)

## First Semester

| Course Code | Title                                     | Credits |
|-------------|---|---------|
| ACCT 6313   | Managerial Accounting and Decision Making | 3.0     |
| MBA 6320    | Marketing Strategy                        | 3.0     |
| MBA 6357    | Management Information Systems            | 3.0     |

## Second Semester at UST

| Course Code | Title  | Credits |
|-------------|--|---------|
| MBA 6315    | Operations Management and Supply Chain         | 3.0     |
| MBA 6311    | Managerial Economics                           | 3.0     |
| MBA 6322    | Organizational Behavior                        | 3.0     |
| MBA 6370    | Applied Strategic Management (Capstone Course) | 3.0     |

## Recommended Sequence for Students with Non-Business Degrees

(24-37.5 HOURS TOTAL, INCLUDING 1.5 TO 13.5 HOURS PROFICIENCY COURSES SEQUENCE OF SUMMER COURSES PLUS THIRD-YEAR COURSES)

### Summer after LAW1:

| Course Code | Title                                | Credits |
|-------------|--------------------------------------|---------|
|             | Up to 6 hours of proficiency courses |         |

### Summer after LAW:

| Course Code | Title                                  | Credits |
|-------------|--|---------|
|             | Up to 7.5 hours of proficiency courses |         |

### First Full-Time Semester:

| Course Code | Title                                | Credits |
|-------------|--------------------------------------|---------|
|             | 12 core hours                        |         |
|             | Up to 3 hours of proficiency courses |         |

### Second Full-time Semester:

| Course Code | Title         | Credits |
|-------------|---------------|---------|
|             | 12 core hours |         |

Students pursuing a joint JD/MBA are allowed to take 15 credit hours in their first semester. MBA 5370 must be taken in the last 12 hours of coursework.

|               |    |

| JPII 5335   | Mission, Culture and Evangelization       | 3.0     |
|             | Total Credits                             | 21      |

## Management

### Degree Type

Bachelor of Business Administration & Master of Business Administration

## Bachelor's Degree Requirements

The following overall requirements are needed in order to earn a bachelor's degree. For a full explanation of the requirements, please see policy [A.04.01](#).

- Completion of the [core curriculum](#). Specific core plan is dependent upon accepted transfer credit, major, and Honor's Program participation.
- Successful completion of *at least* 120 credit hours, with the final 36 hours taken in Residence at UST. Total credits listed on the page only reflect the major.
- Completion of a major.
- Completion of 36 upper-division credit hours.
- A cumulative grade point average (GPA) above 2.0
- A cumulative GPA above 2.0 in your major
- [Freshman Symposium](#) is a one-credit hour, mandatory course exclusively for first-year students at the University of St. Thomas, introducing them to the UST mission and the Basilian Fathers' core values of goodness, discipline, and knowledge. Freshmen register for it during the Freshmen Registration/Orientation events and can choose a class that aligns with their interests, with course descriptions provided in advance.

## Business Foundation Courses

| <b>Course Code</b> | <b>Title</b>  | <b>Credits</b> |
|--------------------|---|----------------|
| ACCT 1341          | Principles of Accounting I                              | 3.0            |
| ACCT 1342          | Principles of Accounting II                             | 3.0            |
| DEIS 4333          | Principles of Operations Management                     | 3.0            |
| ECON 1331          | Principles of Macroeconomics                            | 3.0            |
| ECON 1332          | Principles of Microeconomics                            | 3.0            |
| ECON 3331          | International Economics                                 | 3.0            |
| FINA 3339          | Corporate Finance                                       | 3.0            |
| MATH 1353          | Mathematics for Economics and Business                  | 3.0            |
| MATH 3332          | Elementary Statistical Methods for Economics & Business | 3.0            |
| MGMT 3320          | Business Communications                                 | 3.0            |
| MGMT 2347          | Principles of Management                                | 3.0            |
| MGMT 3390          | Management Information Systems                          | 3.0            |
| MGMT 4331          | Business Law  | 3.0            |
| MKTG 3343          | Principles of Marketing                                 | 3.0            |

## Management Required Courses

| <b>Course Code</b> | <b>Title</b>                              | <b>Credits</b> |
|--------------------|---|----------------|
| MGMT 3349          | Managing Behavior in Organizations        | 3.0            |
| MGMT 3391          | Business Intelligence and Decision-Making | 3.0            |

## Business Capstone

Take during final semester at UST.

| <b>Course Code</b> | <b>Title</b>   | <b>Credits</b> |
|--------------------|----------------|----------------|
| MGMT 4399          | Senior Seminar | 3.0            |

## Concentration Options

Students may complete 12-13hrs in the following areas in order to earn a concentration. Alternatively, general electives can be taken if no concentration is desired. Options are below.

### General Business Electives (No Concentration)

Complete 12hrs of business courses in the following areas:

- Accounting (6 credit hours maximum)
- Economics (6 credit hours maximum)
- Finance (6 credit hours maximum)

| MCTM 5999   | Capstone - Part II: Strategic Management    | 1.5     |
|             | Total Credits                               | 30      |

## Master in Liberal Arts

### Degree Type

Master of Arts

The **Master in Liberal Arts** at UST is a *multidisciplinary* Master's degree, a flexible *alternative* to a traditional Master's degree, with courses and electives from among several concentration areas. Students enjoy small classes and personal attention, with many evening options, along with study abroad and internship opportunities.

The Master in Liberal Arts degree is a great option for:

- Educators looking to advance practical and subject matter expertise
- Professionals looking to advance their careers or to expand job horizons
- Everyone looking to go deeper into the Great Books and Great Ideas in the pursuit of life-long learning.

Additionally, UST offers an **Executive MLA** program that is designed for working professionals who want to engage with the greatest books of world civilization. **The program is offered both in-person and online.**

### Time Limit

Students are required to complete all coursework towards the MLA degree within 10 years from the date of entry into the MLA program. The vast majority of students complete the degree in 2-3 years.

## MLA with Interdisciplinary Studies

The Master in Liberal Arts with Interdisciplinary Studies offers students the freedom to customize their degree plan to their interests, and appeals to a diverse range of students who seek professional advancement or personal enrichment.

### Interdisciplinary MLA Seminar

| Course Code | Title                    | Credits |
|-------------|--------------------------|---------|
| MLMLA 5338  | The Pursuit of Happiness | 3.0     |

#### Seminar: 1 course

Seminars are interdisciplinary graduate courses specifically designed for the MLA Program. Each MLA student must complete 1 seminar (3 credit hours) of his or her choosing. MLA seminars are courses structured to provide a graduate community centered on interdisciplinary discussion

#### Interdisciplinary Concentration: 8 courses

Students may select any combination of MLA electives or MLMLA seminars.

## MLA with Concentration

The Master in Liberal Arts with Concentration allows students to expand their liberal arts education, while focusing on a specific academic concentration within the humanities and social sciences.

**Concentrations include:** Applied Music, Communication, Drama, Education, English, History, International Studies, Irish Studies, John Paul II Studies, Philosophy, Polish Studies, Political Science, Theology

### Interdisciplinary MLA Seminar

| Course Code | Title                    | Credits |
|-------------|--------------------------|---------|
| MLMLA 5338  | The Pursuit of Happiness | 3.0     |

#### Seminar: 1 course

Seminars are interdisciplinary graduate courses specifically designed for the MLA Program. Each MLA student must complete 1 seminar (3 credit hours) of his or her choosing. MLA seminars are courses structured to provide a graduate community centered on interdisciplinary discussion.

#### Concentration: 6 courses

Each student selects a discipline or area of study in which to concentrate his or her studies. A concentration equals 6 courses (18 credit hours, maximum of 21) in the declared discipline or area of study.

#### Electives: 2 courses

A student selects 2 electives (6 credit hours), which may be:

- Any MLA course outside of his or her concentration course.
- A seventh concentration course and one non-concentration course.
- Optional thesis or project (6 credit hours) under the direction of a faculty member in the student's concentration area. Completion of thesis or project is not a degree requirement.

*\*Specific concentrations may have particular required courses. Consult with your MLA advisor for details.*

## MLA with Dual Concentration

The Master in Liberal Arts with Dual Concentration allows students to expand their liberal arts education, while focusing on two specific academic concentrations within the humanities and social sciences.

**Concentrations include:** Applied Music, Communication, Drama, Education, English, History, International Studies, Irish Studies, John Paul II Studies, Philosophy, Polish Studies, Political Science, Theology

### Interdisciplinary MLA Seminar (3 credit hours)

| Course Code | Title                    | Credits |
|-------------|--------------------------|---------|
| MLMLA 5338  | The Pursuit of Happiness | 3.0     |

#### Seminar: 1 course

Seminars are interdisciplinary graduate courses specifically designed for the MLA Program. Each MLA student must complete 1 seminar (3 credit hours) of his or her choosing. MLA seminars are courses structured to provide a graduate community centered on interdisciplinary discussion.

#### Concentrations: 12 courses

Each student selects two disciplines or areas of study in which to concentrate his or her studies. Each concentration equals 6 courses (18 credit hours) in the declared discipline or area of study.

*\*Specific concentrations may have particular required courses. Consult with your MLA advisor for details.*

## Executive MLA

The Executive Master in Liberal Arts is a new MLA track based on study of the Great Books. Designed as a continuing education in the liberal arts, this program is ideal for working professionals who want a deeper understanding of themselves and the world. The program is offered both in-person and online.

### Interdisciplinary MLA Seminar

| Course Code | Title                    | Credits |
|-------------|--------------------------|---------|
| MLMLA 5338  | The Pursuit of Happiness | 3.0     |

#### Seminars: 2 courses

Executive MLA students must complete an additional minimum 2 seminars (6 credit hours) of his or her choosing from the MLA great books seminars offered each semester, or from among the other interdisciplinary MLA graduate seminars offered each semester.

#### Electives: 7 courses

A student selects a minimum additional 7 electives (21 credit hours), which may be:

- Any MLA great books seminar courses, any other seminar courses, or any MLA course electives.

| Course Code | Title   | Credits |
|-------------|---|---------|
| ACCT 6399   | Professional Ethics and Social Responsibility | 3.0     |
| FINA 6333   | Real Estate Investment                        | 3.0     |
| FINA 6336   | Financial Statement Analysis                  | 3.0     |
| FINA 6292   | Independent Research in Finance               | 2.0     |
| FINA 6347   | Behavioral Finance                            | 3.0     |
| FINA 6348   | Mergers and Acquisitions                      | 3.0     |
| FINA 6391   | Internship                                    | 3.0     |
| FINA 6393   | Special Topics in Finance                     | 3.0     |
| MBA 6326    | International Economics                       | 3.0     |
|             | Total Credits                                 | 30-37.5 |

## Nonprofit Management

### Degree Type

Graduate Certificate

### Course Requirements

Complete all of the following courses.

| Course Code | Title   | Credits |
|-------------|---|---------|
| MBA 6316    | Nonprofit Management: Principles and Practice     | 3.0     |
| MBA 6317    | Financial Management & Fundraising for Nonprofits | 3.0     |
| MBA 6318    | Program Evaluation in Nonprofit Management        | 3.0     |
|             | Total Credits                                     | 9       |

## Nursing Practice: Psychiatric/Mental Health Nurse Practitioner Track

### Degree Type

Doctor of Nursing Practice

### **Note: No longer enrolling new students. Program is on teach-out.**

The DNP Program curriculum is designed for both Post-Baccalaureate and Post-Master's degree students. All students must fulfill the University of St. Thomas (UST) requirement of 72 credits for the doctoral degree. These credits are allocated to core courses, specialty courses (including those related to the DNP Project), and other relevant coursework.

Students who enter with a Master's Degree in nursing may transfer up to 30 credits, depending on their previous coursework completed at another accredited four-year institution. This transfer can be achieved through course credits or equivalency credits for post-Master's students.

The DNP Program offers a full-time three-year study plan, which includes a minimum of 1000 hours of clinical practice. These hours may be accrued through clinical experiences or a combination of hours and clinical credit equivalencies, especially for students who hold a relevant Master's degree. Therefore, degree plans are tailored individually for both Post-Master's DNP Leadership (42 credits) and PMHNP (Psychiatric-Mental Health Nurse Practitioner) tracks (52 credits).

### Time Limit

Program requirements must be completed within six years of initial registration, though extensions may be available by request.

## Psychiatric Mental Health Nurse Practitioner (PMHNP) Prerequisite Courses

Complete all of the following courses.

| Course Code | Title                         | Credits |
|-------------|-------------------------------|---------|
| NURS 5300   | Advanced Pathophysiology      | 3.0     |
| NURS 5310   | Clinical Pharmacotherapeutics | 3.0     |
| NURS 5305   | Advanced Health Assessment    | 3.0     |

## Core Course Requirements

Complete all of the following courses.

| Course Code | Title   | Credits |
|-------------|---|---------|
| NURS 7405   | Epidemiology: Optimizing Population Health  | 4.0     |
| NURS 7312   | Informatics and Technologies in Health Care   | 3.0     |
| NURS 7308   | Financial Management in Health Care   | 3.0     |
| NURS 7310   | Transforming Ethics, Law, and Policy Toward Healing Environments                                  | 3.0     |
| NURS 7301   | Creating Healing Environments: Foundations of Nursing Art and Science                             | 3.0     |
| NURS 7303   | Translating Research into Practice: Transformational Leadership in Enhancing Healing Environments | 3.0     |
| NURS 7202   | Diversity, Equity, Inclusion; Social Justice Dimensions of Transformational Healing Relationships | 2.0     |
| NURS 7307   | Transformational Leadership in Healing Environment  | 3.0     |
| NURS 7304   | Relational Dimensions of Healing: Communication and Conflict Engagement                           | 3.0     |
| NURS 7211   | Interprofessional Collaboration as Transformational Nursing Leadership                            | 2.0     |
| NURS 7306   | Healing Environments in Complex Adaptive Systems  | 3.0     |

## PMHNP Specialty and Project Courses

Complete all of the following courses. *Note: NURS 7014V is taken for a total of 2 credit hours and NURS 7015V is taken for a total of 2 credit hours.*

| Course Code | Title  | Credits |
|-------------|--|---------|
| NURS 7317   | Behavioral Neuroscience  | 3.0     |
| NURS 7221   | Neurobiology of Addictions: Advanced Practice Approach   | 2.0     |
| NURS 7222   | Telehealth/Telemedicine/TelePsych/Telemental: Rural Service Delivery                               | 2.0     |
| NURS 7220   | Clinical Psychopharmacology  | 2.0     |
| NURS 7218   | PMHNP Role Foundation: Psychiatric Mental Health Nurse Practitioner Roles                          | 2.0     |
| NURS 7401   | Psychiatric Mental Health Nurse Practitioner Clinical Applications Practicum I: Adult/Older Adults | 4.0     |
| NURS 7402   | Psychiatric Mental Health Nurse Practitioner Clinical Applications Practicum II: Children/Family   | 4.0     |
| NURS 7403   | Psychiatric Mental Health Nurse Practitioner Clinical Applications Practicum III: Integrated Care  | 4.0     |
| NURS 7113   | Transformational Nursing Leadership: Clinical Applications Seminar                                 | 1.0     |
| NURS 7014V  | Clinical Applications Practicum  | 1.0-6.0 |
| NURS 7015V  | DNP Project in Transformational Nursing Leadership   | 1.0-6.0 |
|             | Total Credits  | 72      |

## Nursing Practice: Transformational Leadership Track Degree Type

Doctor of Nursing Practice

**Note: No longer enrolling new students. Program is on teach-out.**

The DNP Program curriculum is designed for both Post-Baccalaureate and Post-Master’s degree students. All students must fulfill the University of St. Thomas (UST) requirement of 72 credits for the doctoral degree. These credits are allocated to core courses, specialty courses (including those related to the DNP Project), and other relevant coursework.

Students who enter with a Master's Degree in nursing may transfer up to 30 credits, depending on their previous coursework completed at another accredited four-year institution. This transfer can be achieved through course credits or equivalency credits for post-Master’s students.

The DNP Program offers a full-time three-year study plan, which includes a minimum of 1000 hours of clinical practice. These hours may be accrued through clinical experiences or a combination of hours and clinical credit equivalencies, especially for students who hold a relevant Master’s degree. Therefore, degree plans are tailored individually for both Post-Master’s DNP Leadership (42 credits) and PMHNP (Psychiatric-Mental Health Nurse Practitioner) tracks (52 credits).

**Time Limit**

Program requirements must be completed within six years of initial registration, though extensions may be available by request.

**Core Course Requirements**

Complete all of the following courses.

| <b>Course Code</b> | <b>Title</b>  | <b>Credits</b> |
|--------------------|---|----------------|

| NURS 5335          | Quality, Safety, and Information Management  | 3.0            |

## MSN in Nursing Leadership (Specialty Role Courses)

| <b>Course Code</b> | <b>Title</b>  | <b>Credits</b> |
|--------------------|---|----------------|
| NURS 5360          | Leadership Theory and Inquiry                                   | 3.0            |
| NURS 5365          | Program Development and Evaluation                              | 3.0            |
| NURS 5370          | Strategic and Operational Leadership in 21st Century Healthcare | 3.0            |
| NURS 5375          | Healthcare Financial and Resource Management                    | 3.0            |
| NURS 5380          | Leadership Role Practicum                                       | 3.0            |
|                    | Total Credits   | 30             |

## Nursing: Psychiatric/Mental Health Nurse Practitioner Track

### Degree Type

Master of Science in Nursing

## MSN Required Courses

Complete all of the following courses.

| Course Code | Title  | Credits |
|-------------|--|---------|
| NURS 5300   | Advanced Pathophysiology   | 3.0     |
| NURS 5305   | Advanced Health Assessment   | 3.0     |
| NURS 5310   | Clinical Pharmacotherapeutics  | 3.0     |
| NURS 5315   | Advanced Theoretical Foundations of Nursing  | 3.0     |
| NURS 5320   | Clinical Inquiry and Evidence Based Practice   | 3.0     |
| NURS 5325   | Nursing Ethics, Law, and Policy  | 3.0     |
| NURS 7218   | PMHNP Role Foundation: Psychiatric Mental Health Nurse Practitioner Roles                          | 2.0     |
| NURS 7220   | Clinical Psychopharmacology  | 2.0     |
| NURS 7222   | Telehealth/Telemedicine/TelePsych/Telemental: Rural Service Delivery                               | 2.0     |
| NURS 7221   | Neurobiology of Addictions: Advanced Practice Approach   | 2.0     |
| NURS 7401   | Psychiatric Mental Health Nurse Practitioner Clinical Applications Practicum I: Adult/Older Adults | 4.0     |
| NURS 7402   | Psychiatric Mental Health Nurse Practitioner Clinical Applications Practicum II: Children/Family   | 4.0     |
| NURS 7403   | Psychiatric Mental Health Nurse Practitioner Clinical Applications Practicum III: Integrated Care  | 4.0     |

## MSN Clinical Applications Seminar

Take five different instances of NURS 7113.

| Course Code | Title  | Credits |
|-------------|--|---------|
| NURS 7113   | Transformational Nursing Leadership: Clinical Applications Seminar | 1.0     |
|             | Total Credits  | 43      |

## Philosophy

### Degree Type

Master of Arts

The MA in Philosophy program consists of 30 hours, of which 18 hours are constituted by the following set of Center core courses (including either MA exam or thesis) and 12 of which are electives.

For the specific requirements of the MA Comprehensive Examination, please see the following page:

[Philosophy MA Comprehensive Examination Requirements](#)

## MA Philosophy Core Courses

Complete 18 hours of the following courses.

*Where necessary, and with the approval of the Director of the Center, students may substitute a three-hour elective for one of the courses not in the core.*

| <b>Course Code</b>                   | <b>Title</b>                      | <b>Credits</b> |
|--------------------------------------|-----------------------------------|----------------|
| PHIL 5314                            | Thomas Aquinas on Human Nature    | 3.0            |
| PHIL 5304                            | Thomistic Metaphysics             | 3.0            |
| PHIL 5338                            | Introduction to Thomistic Ethics  | 3.0            |
| PHIL 5359                            | Philosophical Latin               | 3.0            |
| <b>Philosophy Requirement Option</b> |                                   |                |
| PHIL 5311                            | Selected Problems in Epistemology | 3.0            |
| PHIL 5312                            | Natural Law                       | 3.0            |
| PHIL 5317                            | Philosophy Of Nature              | 3.0            |
| PHIL 5337                            | St. Thomas on Justice             | 3.0            |
| PHIL 5351                            | Independent Study                 | 3.0            |
| PHIL 5362                            | Aquinas and The Problem of Evil   | 3.0            |
| PHIL 5363                            | Law & Grace in Aquinas            | 3.0            |
| PHIL 5369                            | Thomistic Political Philosophy    | 3.0            |
| PHIL 5392                            | Twentieth Century Thomist Rev.    | 3.0            |
| PHIL 5393                            | Contemporary Thomism              | 3.0            |
| PHIL 6308                            | Essence and Existence             | 3.0            |

## MA Philosophy Elective Courses

Complete 4 additional graduate philosophy courses.

### Exam or Thesis Option 1

MA Comprehensive Exam

- A three credit-hour Comprehensive Exam Course: involves the student in the reading and outlining of twelve (12) books for the MA exam
  - A six-hour written examination, divided into two sessions.
  - A one-hour oral exam administered by three faculty examiners.
- This option is required for those proceeding to the Ph.D.

| <b>Course Code</b> | <b>Title</b>                 | <b>Credits</b> |
|--------------------|------------------------------|----------------|
| PHIL 5340          | MA Comprehensive Course Exam | 3.0            |

### Exam or Thesis Option 2

MA Masters Thesis. PHIL 5600 is offered additionally as needed.

| <b>Course Code</b> | <b>Title</b>        | <b>Credits</b> |
|--------------------|---------------------|----------------|
| PHIL 5300          | MA Thesis Direction | 3.0            |
| PHIL 5600          | Thesis Direction    | 6.0            |

## Latin Language Proficiency Exam

Pass Latin exam at MA level.

## Philosophy

### Degree Type

PhD in Philosophy

For the specific requirements of the PhD Comprehensive Examination and the PhD Dissertation, please see the following pages:

| SPTHEO 5313 | Johannine Literature                      | 3.0     |
|             | Total Credits                             | 36      |

## Teología Pastoral (MATP)

### Degree Type

Maestría de Artes en Teología Pastoral

La Palabra de Dios dice en Proverbios 4, 5: "Adquiere la sabiduría, adquiere la inteligencia..." Con este lema bíblico identificamos la Maestría de Artes en Sagradas Escrituras (MASE) y la Maestría de Artes en Teología Pastoral (MATP) cuya función primordial es que el estudio ayude a vivir mejor el llamado a la santidad (relación con Dios), servir en la construcción del Reino en la Iglesia y la sociedad (relación con el prójimo) y ayude a la persona a nutrir y enriquecer su fe personal (relación consigo mismo).

¿Tienes una licenciatura universitaria, bachelors o carrera profesional en cualquier ramo sea de tu país o de Estados Unidos? Tú calificas para esta maestría. La University of St Thomas es pionera como universidad católica en ofrecer estas maestrías 100% online y en español. Puedes realizar cualquiera de estos posgrados de manera presencial o en línea desde la comodidad de tu casa y a un precio muy accesible. Todos los profesores tienen nivel doctorado. El tiempo para terminar la maestría puede ser de uno a dos años o dependiendo el ritmo que quieras llevar. El plan de estudios para cualquiera de las maestrías consta de 12 cursos.

El mundo hoy necesita de laicos encendidos en el amor a Cristo preparados a nivel teológico y académico, dispuestos a servir en una sociedad multicultural y diversa. Estudiar Sagradas Escrituras y teología pastoral católica en español a nivel posgrado en los Estados Unidos y con la opción en línea, ha sido realmente histórico y providencial.

## Requisitos para la Admisión

### Los requisitos son:

- Llenar solicitud: [solicitudmaestria.com](http://solicitudmaestria.com)

- Comprehensive Exam Students: Complete **15hrs** of coursework from the options below.
- Thesis Students: Complete **12hrs** of coursework from the options below.

| Course Code | Title                      | Credits |
|-------------|----------------------------|---------|
| THEO 5349   | Christ and the Moral Life  | 3.0     |
| THEO 5339   | Christ the Savior          | 3.0     |
| THEO 5382   | The Triune God             | 3.0     |
| THEO 5332   | Theology of the Sacraments | 3.0     |
| THEO 5361   | Biblical Exegesis          | 3.0     |
| THEO 5362   | Theology of Grace          | 3.0     |

## Capstone

Choose from the following options:

- Comprehensive Exam Students: Complete **3hrs**, completing THEO 5369.
- Thesis Students: Complete **6hrs**, completing THEO 5367 *two times*.

| Course Code | Title                             | Credits |
|-------------|-----------------------------------|---------|
| THEO 5367   | MA Thesis Direction               | 3.0     |
| THEO 5369   | MA Comprehensive Exam Preparation | 3.0     |
|             | Total Credits                     | 36      |

## Theology

### Degree Type

Bachelor of Arts & Master of Arts

The school also offers a five-year [BA/MA Combined degree in Theology](#) which enables high-achieving undergraduate students to earn both the bachelor's and master's degrees in a streamlined program combining undergraduate and graduate studies. The BA/MA requires 120 undergraduate credit hours and 30 graduate credit hours of study and allows students to take undergraduate and graduate courses concurrently during the senior year. The BA and MA degrees will be conferred only after the BA/MA student completes the 120 undergraduate credit hours and 30 graduate credit hours of study successfully. The undergraduate hours for the Theology coursework are reduced to 36 hours from 42 hours. The chair of the Theology major will advise the student on which courses to take

## Bachelor's Degree Requirements

The following overall requirements are needed in order to earn a bachelor's degree. For a full explanation of the requirements, please see policy [A.04.01](#).

- Completion of the [core curriculum](#). Specific core plan is dependent upon accepted transfer credit, major, and Honor's Program participation.
- Successful completion of *at least* 120 credit hours, with the final 36 hours taken in Residence at UST. Total credits listed on the page only reflect the major.
- Completion of a major.
- Completion of 36 upper-division credit hours.
- A cumulative grade point average (GPA) above 2.0
- A cumulative GPA above 2.0 in your major
- [Freshman Symposium](#) is a one-credit hour, mandatory course exclusively for first-year students at the University of St. Thomas, introducing them to the UST mission and the Basilian Fathers' core values of goodness, discipline, and knowledge. Freshmen register for it during the Freshmen Registration/Orientation events and can choose a class that aligns with their interests, with course descriptions provided in advance.

### Theology

| Course Code | Title                           | Credits |
|-------------|---------------------------------|---------|
| THEOC 1301  | Faith, Reason, and Revelation   | 3.0     |
| THEOC 2301  | Scripture and Salvation History | 3.0     |
| THEO 2314   | Theological Methods             | 3.0     |
| THEOC 3301  | The Return to God               | 3.0     |
| THEO 3339   | Christ the Savior               | 3.0     |
| THEO 3349   | Christ and the Moral Life       | 3.0     |
| THEO 4390   | Triune God                      | 3.0     |

### Sacred Scripture: Old and New Testament

Choose one from the following:

| Course Code | Title                          | Credits |
|-------------|--------------------------------|---------|
| THEO 3351   | Prophets of Ancient Israel     | 3.0     |
| THEO 3353   | Pentateuch                     | 3.0     |
| THEO 3355   | Book of Psalms                 | 3.0     |
| THEO 4351   | Wisdom in Israel               | 3.0     |
| THEO 3352   | Paul: His Letters and Theology | 3.0     |
| THEO 3354   | Synoptic Gospels               | 3.0     |
| THEO 3365   | Gospel and Letters of John     | 3.0     |
| THEO 4321   | Catholic Epistles              | 3.0     |
| THEO 4368   | Book of Revelation             | 3.0     |

### Additional Theology Electives

Choose any two THEO 3000/4000 level courses

## Foreign Language

Choose one sequence: The required reading knowledge of Latin, biblical Greek or biblical Hebrew may also be met by a departmental examination.

| Course Code | Title                              | Credits |
|-------------|------------------------------------|---------|
| CLASS 1331  | Introduction to Latin I            | 3.0     |
| CLASS 1332  | Introduction to Latin II           | 3.0     |
| CLASS 1341  | Introduction to Classical Greek I  | 3.0     |
| CLASS 1342  | Introduction to Classical Greek II | 3.0     |
| HEBR 2331   | Elementary Biblical Hebrew I       | 3.0     |
| HEBR 2332   | Elementary Biblical Hebrew II      | 3.0     |

## Electives

Electives to reach the 120 hour minimum to graduate (40 credit hours)

## MA Historical Courses

Complete all of the following courses.

| Course Code | Title                | Credits |
|-------------|----------------------|---------|
| THEO 5375   | Patristics I         | 3.0     |
| THEO 5376   | Patristics II        | 3.0     |
| THEO 5377   | Medieval Theology I  | 3.0     |
| THEO 5378   | Medieval Theology II | 3.0     |
| THEO 5383   | Modern Theology I    | 3.0     |
| THEO 5384   | Modern Theology II   | 3.0     |

## MA Elective Courses

Elective Course Requirement: **Complete 6hrs** of 5000/6000-level Theology courses with approval of Director **if Capstone is Thesis OR Complete 9hrs** of 5000/6000-level Theology courses with approval of Director **if Capstone is Comprehensive Exam.**

## MA Option 1: Capstone Thesis Direction

Complete 6hrs of Thesis Direction.

| Course Code | Title               | Credits |
|-------------|---------------------|---------|
| THEO 5367   | MA Thesis Direction | 3.0     |

## MA Option 2: Capstone Comp Exam

Complete the following course.

| Course Code | Title                             | Credits |
|-------------|-----------------------------------|---------|
| THEO 5369   | MA Comprehensive Exam Preparation | 3.0     |
|             | Total Credits                     | 66      |

## Theology and Philosophy Degree Type

## Core Philosophy Courses

| Course Code | Title                            | Credits |
|-------------|----------------------------------|---------|
| PHIL 5314   | Thomas Aquinas on Human Nature   | 3.0     |
| PHIL 5304   | Thomistic Metaphysics            | 3.0     |
| PHIL 5338   | Introduction to Thomistic Ethics | 3.0     |

## Core Theology Courses

Choose one Patristic, one Medieval, and one Modern course.

| Course Code | Title                | Credits |
|-------------|----------------------|---------|
| THEO 5375   | Patristics I         | 3.0     |
| THEO 5376   | Patristics II        | 3.0     |
| THEO 5377   | Medieval Theology I  | 3.0     |
| THEO 5378   | Medieval Theology II | 3.0     |
| THEO 5383   | Modern Theology I    | 3.0     |
| THEO 5384   | Modern Theology II   | 3.0     |

## Electives

Electives can be taken from either graduate THEO or PHIL options. Please note:

- For students taking the comprehensive exam option, 15 credit hours are required.
- For theology or philosophy thesis option, 12 credit hours are required.

## Capstone Options: Exam or Thesis

### Comprehensive Exam Option

- Choose one of the following comprehensive exam courses.

| Course Code | Title                             | Credits |
|-------------|-----------------------------------|---------|
| THEO 5369   | MA Comprehensive Exam Preparation | 3.0     |
| PHIL 5340   | MA Comprehensive Course Exam      | 3.0     |

### Thesis Option

- Theology thesis: 2 consecutive semesters of THEO 5367 MA Thesis Direction
- Philosophy thesis: 2 consecutive semesters of PHIL 5300 Thesis Direction

| Course Code | Title               | Credits |
|-------------|---------------------|---------|
| THEO 5367   | MA Thesis Direction | 3.0     |
| PHIL 5300   | MA Thesis Direction | 3.0     |

Philosophy Thesis Additional Requirement: Philosophy thesis must take both CLASS 5331 & 5332 Latin for Graduate Study.

| Course Code | Title                       | Credits |
|-------------|-----------------------------|---------|
| CLASS 5331  | Latin for Graduate Study I  | 3.0     |
| CLASS 5332  | Latin for Graduate Study II | 3.0     |
|             | Total Credits               | 36-42   |

## Women's Health and Wellness

### Degree Type

Graduate Certificate

### Women's Health and Wellness Core

Complete all of the following courses.

| <b>Course Code</b> | <b>Title</b>   | <b>Credits</b> |
|--------------------|--|----------------|
| WGS 5340           | Standards for Women's Health and Wellness                              | 3.0            |
| WGS 5341           | Advances in Women's Healthcare   | 3.0            |
| WGS 5342           | Catholic Medical Ethics and Women's Healthcare                         | 3.0            |
| WGS 5343           | Practical and Professional Applications of Women's Health and Wellness | 3.0            |
|                    | Total Credits  | 12             |

**MCTM 5311 : Introduction to Clinical Translation Management**

The course will draw from diverse academic science and business disciplines to explore the evolving landscape of biotechnology from the standpoint of entrepreneurial ventures. The course will focus on changes and challenges in the industry, as well as opportunities for startups and new entrants. Students will learn about the different stages and processes associated with the translation of life science research into applied products/ services and the commercialization of technologies.

**Credits** 3.0**Course ID**

008083

**Grading Basis**

Lecture

**MCTM 5326 : Introduction to Statistics and Clinical Research**

This course is designed to provide the student with a background and fundamental working knowledge in applied statistics for use in health, science, government, and technology based research. The course will emphasize the statistical tools required to analyze and test the quality and integrity of research data. Students will also learn how this analysis integrates with the steps involved in conducting clinical research. The course will review and evaluate the main study designs used in clinical research: case-control, cohort, clinical trials, and practical examples of statistical analyses of clinical research studies. Time permitting students will prepare and review a research project. Introduction to Statistics and Clinical Research

**Credits** 3.0

**Course Component**

Lecture

**MCTM 5331 : Ethics of Translational Medicine**

Moving a compound from pre-clinical studies into humans is a necessary step in the translational process. The current system of demonstrating safety and efficacy in animals, then first-in-human phase I trials, to larger cohorts and multi-center trials has many scientific and ethical decision points and challenges that investigators, review boards, and regulatory agencies must address in readying a novel therapeutic for wide- spread use. Important consideration will be given to conflicts of interest that involve both clinical issues of ethics, existing guarantees for clinical trials participants , and how anticipated risks are weighed against predicted benefits to society. Students will evaluate case studies of actual clinical trials to see what contributed to the outcome.

**Credits** 3.0

**Course Component**

Lecture

**MCTM 5341 : Financial and Managerial Accounting**

The goal of the course is to provide the student with a basic understanding of the uses of accounting information in business. This is done in three segments: 1) Financial accounting and reporting; 2) Budgeting and Pro Forma financial statements; and 3) Decision making and control. The successful student will be able to use data to plan, implement, and measure the performance of projects, departments and firms at a basic level

**Credits** 3.0

**Course Component**

Lecture

**MCTM 5355 : Intellectual Property Protection**

This course will describe what constitutes intellectual property, how to determine what patents or intellectual property currently exist, the process for application, and different mechanisms for patent approval. Students will learn different aspects of patent portfolio management in the global market. Students will be introduced to the process of technology licensing that gives the private sector the opportunity to control the intellectual asset for development. Finally, students will learn how regulations differ depending on the type of intellectual property under review.

**Credits** 3.0

Lecture

**MCTM 5366 : Idea to Clinic II -- Into the Clinic**

The course will cover Clinical trials: Phase 0 through IV; utilizing special regulatory considerations as: Regenerative Medicine; Biomarkers; In Vitro Diagnostics; Contrast Agents. The students will learn about funding strategies for clinical trials and begin work on a new model: The Translational Research Initiative. This type of study will enhance the students' strategic perspectives on clinical trials from the point of view of the academic, major corporate, and biotech spin-off worlds. Students will learn about the profiles of key personnel roles in all phases of the Idea-to-Clinic transition; as well as the options for entrepreneurship and leadership in translational management.

# Master of Healthcare Admin

## **MHA 6307 : Leadership and Governance of Healthcare Organizations**

This course will focus on the foundation and principles of leadership and governance roles and their application to health service organizations. The foundation and principles of leadership are emphasized and their impact on organizational functionality. Students will examine methods and tools for managing quality in health facilities, physician practices, managed care, patient satisfaction and their impact on organizational functionality. In addition, students will explore governing boards' primary roles and responsibilities to ensure organizational standards for patient care quality are met. Students will gain insight addressing governing boards' responsibility for the overall operation of a healthcare facility and additional issues that affect care and shareholders

## Accounting

Department Chair: John Leavins, [leavinj@sttom.edu](mailto:leavinj@sttom.edu)

The accounting degree programs offer a broad-based education and promising employment prospects for future business leaders by equipping students with the business and accounting knowledge necessary to obtain professional positions after graduation, providing a sound knowledge base for continuing progress in the accounting profession, and creating an environment within which students and faculty exchange ideas and critically evaluate the profession and its role in society.

The undergraduate accounting curriculum is designed to provide learning and decision-making skills that will be invaluable throughout the graduate's career. Accordingly, the curriculum incorporates both accounting theory and practice. The BBA prepares students to sit for the CPA exam under the current regulations. Students who do not wish to sit for the CPA exam can use the degree in the following careers:

- Corporate
- Nonprofit
- Government accounting

Students interested in public accounting and planning to be certified as a CPA must successfully complete 150 hours of college credit. Our BBA/MBA degree is designed to help students to sit for the exam. The Texas State Board of Accountancy makes the final determination regarding a CPA candidate's courses and other qualifications to sit for the CPA exam. The requirements are listed on their website at [www.tsbpa.texas.gov](http://www.tsbpa.texas.gov).

**ACCT 5910X : Understanding and Interpreting Financial Statements**

The purpose of this course is to introduce the students to the basic financial statement of a business entity. The course emphasizes the understanding, interpretation, and analysis of financial reporting.

**MBA 5909X : Legal Environment of Business**

This course provides a study of law as it relates to organizational activity. Emphasis is placed on current legal problems, together with evolving theories or trends within the law. Primary emphasis is placed on business, the formation of contracts, the problems with sales contracts, secured sales contracts and security interests, and the proper forms of business organizations including sole-proprietorships, partnerships, limited liability companies and corporations. The course introduces the student to the problems that currently beset the business community, the origins of those problems, the consequences anticipated and, basically, what is to be expected in the future. The student should come to an understanding of the dangers to be encountered with such problems as changes in corporate structures, mergers and acquisitions, changes in employment responsibilities, civil rights considerations and violations, harassment problems, early buy-outs, forced retirements, etc. At the end of the course it is hoped that the student will be familiar with not only the problems to be encountered in the business world, but the language and legal thinking surrounding these problems. Prerequisites: None.

**MBA 6345 : Non-for-Profit Management: Principles and Practice**

This course introduces students to non-profit management at the graduate level by combining an overview of management practices in the profession with an exploration of the student's interest areas (e.g. case management; child advocacy; social and community services management). Students also explore aspects of managing self, employees, and relationships with external stakeholders. This interactive course provides students with real-life learning opportunities through readings, lectures, and class discussions.

**MBA 6351 : International Management**

The purpose of this course is to provide the student with an in-depth study of the impact of cultural variations on managerial practices within global organizations. Topics include cultural variations in organizational strategy, motivating employees, leadership styles, group dynamics, and managerial direction and control. Political and economic risk and human resource implications are addressed. This course utilizes lectures, case studies and/or experiential assignments in addition to readings.

**MBA 6357 : Management Information Systems**

This course presents the major issues in the realm of managing cross-functional information in complex organizations. Topics include planning, designing, acquiring, evaluating, and financing information systems and technologies. Students will understand competing perspectives of the end-user client and the information system manager with opportunities to work together to improve competitive advantage through effective management of information. The course is largely a discussion-based class with a case study emphasis including extensive Internet research to solve business problems and make decisions. Assignments include written and oral presentations.

**NURS 7014V : Clinical Applications Practicum**

This course provides students with planned clinical practicum experiences designed to demonstrate skills and knowledge learned in the classroom through self-designed clinical experiences in collaboration with selected clinical partners and their clinical practice coaches. Students will focus their clinical experiences on the roles and competencies of transformational nurse leaders creating healing environments for a self-selected patient population. The clinical practicum provides students with an opportunity to integrate the diverse dimensions of their DNP learning experiences in a “real world” situation and capture for themselves the meaning of these experiences through self-reflective journaling and maintenance of a clinical log. Students will work collaboratively with their clinical partners to ensure all practicum experiences concurrently benefit the student and the clinical partner through the creation of healing environments.

**NURS 7202 : Diversity, Equity, Inclusion; Social Justice Dimensions of Transformational Healing Relationships**

This interdisciplinary course provides the student with an opportunity to embed the distinctive themes of the UST DNP program within a working framework of ethical principles and practices that enable the creation of transformational healing relationships among diverse persons involved in a given setting, situation or culture. Using the professional nursing Code of Ethics and the four pillars of the DNP program's conceptual framework, students will explore the ethical dimensions of a holistic healing ministry for nurses in the diverse and complex 21st century healthcare environment, where the nurse serves as an instrument of healing, committed to social justice and healthcare equities pursued through transformational healing relationships. Expansion of consciousness and self-awareness as essential components of ethical healing relationships will be emphasized, giving students an opportunity to craft a personal narrative about these expanding capacities as a dimension of transformative nursing leadership that pursues social justice for their patient populations. Students will have an opportunity to identify and explore the potential ethical challenges implicit in the planning and implementation of their DNP projects and design potential responses to these challenges.

**NURS 7211 : Interprofessional Collaboration as Transformational Nursing Leadership**

This course provides the student with a structured process for establishing informed relationships with diverse members of interprofessional health care teams and through the lens of the Catholic intellectual tradition, developing collaborative approaches to transforming health care practices in complex practice, political and organizational settings. A variety of health care professionals will serve as guest faculty to provide students with an expanded understanding of potential collaborations on all aspects of population focused health care programs. Students will experiment with leadership initiatives grounded in an analysis of complex population health care challenges and the design of interprofessional responses to these challenges. The synergistic impact of interprofessional teams on the outcomes of population health initiatives will be documented through student learning experiences.

**NURS 7301 : Creating Healing Environments: Foundations of Nursing Art and Science**

This course provides the student with an introduction and orientation to the distinctive characteristics of the UST DNP shaped by the Catholic intellectual tradition. Students explore the conceptual threads of the program of study and link these to the theoretical and scientific grounding of the practice leadership in professional nursing. Conceptual threads include the UST Nursing philosophy, pillars and framework; the IOM Future of Nursing report and its emphasis on transformational leadership; the conceptual model of complex adaptive systems including diversity as its source of creativity and as an innovative patient care context; interprofessional and clinical partnerships; and nurses' engagement in health care environments to create the conditions, relationships, partnerships and practices necessary for healing outcomes for a specified population's health.

**NURS 7303 : Translating Research into Practice: Transformational Leadership in Enhancing Healing Environments**

This course provides the student with a systematic exploration of the nature of research, both in nursing and related disciplines, and its role in creating healing environments in complex adaptive systems through transformational leadership. Grounded in an analysis of the formal processes of inquiry, students will explore clinical research, evaluation research, evidence based practice processes, and quality improvement protocols. Differentiation of these knowledge resources will be analyzed as essential to transformational leadership initiatives, shaped by the creative use of health care information systems and technologies available in healthcare environments. Students will explore potential inquiry-guided leadership initiatives that create change toward best practices and the crafting of transformational policies responsive to patients' and their unique needs. Dissemination of outcomes will be discussed as a final expression of inquiry processes, linking them to transformational leadership research and the potential for expanding the spread of healing environments and the healing ministry of nurses.

**NURS 7304 : Relational Dimensions of Healing: Communication and Conflict Engagement**

This course provides the student with a systematic exploration of the role of right relationship in the creation of healing environments for specific populations. Grounded in an evidence-based analysis of current disruptions in health care environments and their impact, students will explore the ethical, fiscal, quality control, safety and personal cost of such disruptions, and examine and practice specific competencies essential to addressing these disruptions and engaging effectively with relevant participants. Models of collaboration and teamwork as alternatives to or enhancements of current practices will be explored, linking them to the unique value focus of the UST program of study. Unique traits of complex adaptive systems will be linked to communication patterns, diversity as opportunity, and conflict engagement processes. Through the lens of the Catholic intellectual tradition, the role of the transformational nurse leader in pursuing social justice; enhancing quality, cost effectiveness, and patient safety through competent right relationship; creating collaborative partnerships and engaging others in skillful advocacy for patients will be emphasized through group and individual course experiences.

**NURS 7306 : Healing Environments in Complex Adaptive Systems**

This course provides students with a systematic analysis of existing conceptual maps descriptive of health care organizations and systems, identifying their characteristics and outcomes as these relate to nursing as a healing ministry. With this backdrop, an in depth exploration of the specific conceptual map of complex adaptive systems (CAS) shapes the course as students investigate the creative and humanizing impact of this mental map. Students explore implications of the map for managing diversity, ensuring interprofessional collaboration, reframing policy and practices, initiating transformational changes, and ensuring desired outcomes. The role of healthcare informatics, social media and rapidly changing technologies will be examined within a CAS framework of meaning, both as challenges and opportunities. This examination, informed by the Catholic intellectual tradition, will focus particularly on challenges and opportunities as they relate to issues of social justice in health care. CAS will be discussed as a mental map to relate to and understand communities, environmental and occupational health, cultural variances and the unique needs of the students' self-selected populations of interest.

**NURS 7307 : Transformational Leadership in Healing Environment**

This course is designed to prepare students to deal with the intellectual and practical responsibilities and accountabilities of transformational leadership in healing environments, informed by the Catholic intellectual tradition. Students will learn how to use evidence-based practices to apply nursing's hierarchy of knowledge to real world patient problems, focusing on health care delivery phenomena. These explorations will include the fiscal, risk management, quality control, outcome and safety dimensions of care systems in diverse organizations. The practical processes of development, implementation, refinement and evaluation of practice models and guidelines, standards of care and peer review procedures will be explored through simulations and case studies, providing students with experiences focused on culture sensitive problem solving and the real world challenges of ensuring that nurses can embrace their unique ministry. Students will have the opportunity to apply these experiences to their self-selected population, focusing on health promotion, disease prevention, access to care and gaps in current services. Innovative strategic decision-making will be tested through this process of application.

**NURS 7308 : Financial Management in Health Care**

This course provides the student with a comprehensive review of financial concepts and principles applied to the financial decisions of health care agencies including capital budgeting, capital structure, and budgeting for personnel. Concepts informing financial management in health care include financial performance evaluation, asset valuation, capital budgeting, and both short-term and long-term financial planning, budgeting and forecasting. Students will study the development and interpretation of accounting information as a managerial tool for decision-making. Students will have the opportunity to apply their learning to financial management issues confronting those who lead care programs for their self-selected populations. In addition, the course emphasizes the importance of ethical responsibility in the conduct of business financial operations in health care.

**NURS 7310 : Transforming Ethics, Law, and Policy Toward Healing Environments**

This course is grounded in and shaped by the relationship between the IOM Future of Nursing report of 2010 and the distinctive mission and vision of the School of Nursing and the unique characteristics of the UST DNP program. An evidence-based analysis of extant policy patterns, both nationally and locally, will serve as a backdrop to the students' exploration of policies shaped by the goal of creating healing environments. Grounded in the Catholic intellectual tradition and Catholic social teaching, students will have the opportunity to investigate a policy issue specific to their self-selected populations and field test a policy role they can assume to address this issue, including germane financing, regulatory, ethical and delivery issues. Students will take the initiative with diverse stakeholders to advocate for the policy and nursing's role in reframing extant health policies. These diverse policy activities will be linked to the students' role as a transformational nurse leader.

**NURS 7312 : Informatics and Technologies in Health Care**

This course provides the student with a comprehensive understanding of the essential role of informatics and health care technologies in the transformation of population focused health care services. Students will develop skill in analyzing and communicating to interprofessional teams, patients, and families information necessary to optimize the use of available technologies and information extracted from health care databases and information systems that may benefit a patient population. Guided by the Catholic intellectual tradition, the emergent ethical dilemmas shaped by the rapid development of complex technologies, digital data sources and social media will be explored, and students will identify and demonstrate transformational leadership competencies essential to grappling with these issues guided by the ANA Professional Code of Ethics. Criteria for the evaluation of available information systems and patient care technologies will be explored by students who will craft professional measures to guide future leadership decision-making.

### **NURS 7405 : Epidemiology: Optimizing Population Health**

This course provides the student with a review of the basic concepts, principles and methods of epidemiology applied to population focused health care and nursing practice for evaluation and implementation of evidence-based decision-making in health care to investigate inequities, enhance quality, control cost, and predict and analyze outcomes. Emphasis is placed on the use of epidemiologic reasoning in deriving inferences about the multi-factorial etiology of health phenomena from population data and in guiding the design of responsive health service programs. Attention to demographic, cultural and social dimensions of health problems and programs will focus on the ethical use of epidemiological reasoning. Through this course the student will be able to critically read and evaluate epidemiological data, extract implications of these data, and apply their knowledge to decision-making using epidemiological principles. Additionally, this course is designed to widen the lens students use to understand population health, expanding boundaries to capture global health issues, creating context for national, regional, state, city and local community perspectives as potential healing environments. Study of specific international organizations and NGOs such as WHO and UNICEF, with a focus on creating healing environments will be complemented by the roles played globally by nurses through organizations such as ICN and STTI. Nationally, comparable analyses will include the PPACA, CDC, EPA, etc. and the ANA, AACN, AONE and the NLN. State and local expressions of these resources will be identified and explored for intent, impact, and potential partnerships. Guided by the Catholic intellectual tradition and Catholic social teaching, the role of the transformational nurse leader as an actor in these formal structures will be explored, along with the effective use of resources such as epidemiological studies; global, national, state and local data bases; models of and opportunities for inter-professional collaboration; emergent technologies and policy crafting opportunities; and innovative approaches to unanticipated challenges.

## Faith and Culture

### **FC 5000 : Theological Methods and Reflections**

In faith and ministerial formation, theological reflection is a foundational skill in processing and integrating life experiences through the lens of faith as experienced in community. This course is an introduction to systematic reflective praxis in theological reflection through collaborative dialogue and written reflection, culminating in the guided construction and presentation of a formal reflection paper using a four task approach. Prerequisites include completion of the UST Core Theology and Philosophy sequences, as learners are expected to apply foundational theological knowledge and skills in reflective exercises. Additional emphasis will be placed on rhetoric, development of formal writing and speaking skills, oral presentation, dialogue and group processing.

**FC 5002 : Theology of the Human Person**

This course will address the dignity of the human person. This will include the Biblical foundations of our origin, our being made male and female, in God's image; that, as incarnate spirits, we are created for and fulfilled in relationship (communio), destined as God's adopted children in baptism for eternal life. It is the vocation to Trinitarian love in imitation of Christ that marks our destiny; it is lived out in family, church and community, and our baptismal call to discipleship in carrying out His mission in the world in the particular state in life to which we are called (missio). The importance of our capacity for moral integrity as a response to God's initiative will be explored. Special emphasis will be placed on how the discipleship (communio and missio) of man and woman is lived out in the Sacrament of Marriage, an intimate partnership of mutual self-giving.

**FC 5004 : Theology of Marriage**

This course is an introduction to the history and development of the Church's understanding and teachings on marriage of which God is the author. This will include: how Church law has changed in the last 100 years, away from a juridical to a personalist, spiritual understanding of marriage as a path to holiness (Lumen gentium, V) and "an intimate partnership of life and love" (Gaudium et spes, no. 48ff); marriage as covenant, sacrament and "vocation in service to communion" (Catechism, no. 1602 ff) is central to the call and mission of the domestic church. This will include an understanding of the goods of marriage, including the quality of intimacy and communication, as well as the quality of freedom required for valid consent to mutual self-giving of the vows. The contemporary challenges of fertility management, divorce, and related concerns will be addressed within the overall charism of marriage as covenant love, a living sign of Christ and his church.

**FC 5006 : Theology of Family**

This course is an introduction to the theology of the family and will include the Judeo-Christian tradition of the family. It will also explore the history and development of the Church's understanding of the family as a domestic church and will include a study of the family's inclusion in documents of Vatican II, particularly *Gaudium et Spes* and *Lumen Gentium*, as well as *Gravissimus Educationis* and Pope Paul's *Evangelii Nuntiandi*. A primary focus will be on Pope John Paul's *Familiaris Consortio*, and his Letter to Families, both of which followed the 1980 Synod on the Family. Special attention will be given to those resources published by the U.S. Catholic Bishops (*A Family Perspective in Church & Society*, *Putting Children & Families First*, and *Follow the Way of Love*) that were designed to explain in detail how to bring this perspective to parish and diocese. Pope Francis' 2016 *Amoris Laetitia* will be covered in detail. In addition, the family as one of the basic principles of Catholic social teaching will be explored.

**FC 5008 : Marriage and the Family**

This course will focus on the growth and development of a person – including their faith formation – in the context of family. The purpose of the course is to understand the need for lifelong formation in the areas of marriage and family. The vision of John Paul II and Pope Francis– and other Church documents (e.g. Revised Code of Canon Law) stressed that preparation for marriage begins in the earliest years (“remote preparation”), through the immediate preparation prior to the wedding, with follow-up support necessary throughout the life of a marriage and family. Every area of ministry (catechetical, youth, social, etc.) should play a role in this formation. This vision also involves an understanding of the family as a system of relationships that develop and change over time. The focus should be on working with families to strengthen and support their own mission and their everyday “ministry” as spouses, as parents, as extended family members.

**FC 5010 : Family Today**

This course will include an overview of the available research and current statistics on marriage and family in today's world. Sources will be varied and will include both ecclesial and secular sources. The latest statistics on cohabitation, out of wedlock births, and civil (vs) sacramental marriages will be covered. Given the number of growing population of immigrants from Mexico, Latin America and Africa, their influence will be addressed. Other topics to be addressed will be the changing societal trends that impact the Church's ministry to families, such as: What are the pressing issues for the variety of structures/forms of marriage and family life? What are the special needs of the most vulnerable populations, e.g. the economically deprived, the elderly, the sick, those with no extended family or community support? In addition, the increase of childless marriages and the decreasing focus on children will be discussed in depth; abortion is only one of the multiple effects of a culture that overlooks the role and importance of new life in building a healthy society.

**FC 5012 : Family Partnerships**

This course gives a historical overview of the family's place in society across the ages. Whereas the family has always been the primary agent for performing certain tasks from birth to death, there have been significant changes in family responsibilities over the past 150 years. Many family functions have shifted to other institutions, and thus the family is often dependent on "experts" in health care, education, recreation, protection of children, etc. Pope John Paul II called a Synod to address such issues because of the family's essential role as "the basic cell of church and society." Pope Francis called another Synod thirty years later, asking once again how do we support and strengthen the family, how to "accompany" them through these challenging times. His post synodal exhortation *Amoris Laetitia* articulates the synodal teaching in today's context. The focus of the course will be on the "partnership model" proposed in the U.S. Bishops' document, *A Family Perspective in Church & Society*, and used successfully in a growing number of other institutions such as schools, hospitals, and social welfare agencies.

**FC 5301 : Faith and the Dominant American Culture**

This course seeks to develop an appreciation of the strengths and challenges of the dominant American way of life as embodied in the Declaration of Independence and the Constitution of the United States. It studies the roots of the American Republic, the formulation of its worldview, its principal values, representative character, codes of behavior, and institutions. It then views these through the lens of the Gospel. The course is designed to lead students to appreciate what it means to be faithful citizens and American Catholics, enabling them to bring the Catholic voice into the public discourse.

**FC 5303 : Virtue: Personal and Civic**

American political life, in attempting to separate religion from politics, has, at times, tried to separate politics from ethics and the development of virtue. The first part of this course will argue that such a separation, however well intentioned, cannot sustain effective civic life, and in fact runs the risk of falling into authoritarianism. In the classical and medieval periods—and in the formation of the United States of America—certain personal virtues have been thought to be foundational for a healthy society. This course will consider how those virtues still constitute that foundation. It will show how various political theories are based in suppositions about human nature, and examine those suppositions critically.

Given the number of growing population of immigrants from Mexico, Latin America and Africa, their influence will be addressed. Other topics to be addressed will be the changing societal trends that impact the Church’s ministry to families, such as: What are the pressing issues for the variety of structures/forms of marriage and family life? What are the special needs of the most vulnerable populations, e.g. the economically deprived, the elderly, the sick, those with no extended family or community support? In addition, the increase of childless marriages and the decreasing focus on children will be discussed in depth; abortion is only one of the multiple effects of a culture that overlooks the role and importance of new life in building a healthy society.

**FC 5324 : Family Partnerships**

This course gives a historical overview of the family's place in society across the ages. Whereas the family has always been the primary agent for performing certain tasks from birth to death, there have been significant changes in family responsibilities over the past 150 years. Many family functions have shifted to other institutions, and thus the family is often dependent on "experts" in health care, education, recreation, protection of children, etc. Pope John Paul II called a Synod to address such issues because of the family's essential role as "the basic cell of church and society." Pope Francis called another Synod thirty years later, asking once again how do we support and strengthen the family, how to "accompany" them through these challenging times. His post synodal exhortation *Amoris Laetitia* articulates the synodal teaching in today's context. The focus of the course will be on the "partnership model" proposed in the U.S. Bishops' document, *A Family Perspective in Church & Society*, and used successfully in a growing number of other institutions such as schools, hospitals, and social welfare agencies.

Lecture

**FC 6354 : Faith and Science**

There is fascinating evidence from the far reaches of the outer universe to the inner workings of the atom that bear striking analogies to theistic religious beliefs. This class will discuss four ways that science and religion can relate: conflict, independence, dialogue, and integration. It will be made accessible in language that non-scientists can understand. A dialogue then will ensue on the analogies of those discoveries to theistic religious beliefs with particular emphasis on Christianity and Catholicism. The course starts with assumptions, and then proposes convergence trends in four broad categories: physics to metaphysics, chemistry to life, biology to consciousness, and psychology to mysticism. A discussion of the science of the brain will coincide with the experience of mysticism. The objective of the course is for students to have a better understanding of how faith and science in recent times have come to be mutually affirming over a broad range of disciplines including physics, chemistry, biology, and psychology.

**FC 6356 : Faith and Economics**

This course aims to equip students to identify issues of economic justice, and then define effective paths of proper conduct and just action. In this sense, the course has two objectives. The first is to develop a broader vision and deeper understanding of economic justice issues in America. The second is more practical; it is to put students within case-study situations where they must confront the complexities of economic justice and attempt to devise effective action plans. Three sources provide the motivation for this course. First, many people of faith are deeply aware of the economic injustices that exist in American society. By better understanding the Catholic Church's social justice teachings, and also the objectives and proper workings of the market economy, a deeper framework will emerge for addressing economic justice issues within the American culture. A second motivation comes from the intensifying cycle of economic scandal which has inflicted the American economy from 1987-present. This course will provide a diagnosis of this cycle, and how this points to new frontiers for economic justice activism. The final motivation involves a perception that people of faith often enter their professional lives unprepared for the tensions they will encounter. This course aims to provide students with an opportunity to prepare for such conflicts between their faith and their work life.

The MAFC Program requires that all candidates of the MA degree complete a Service-Learning and Leadership Practicum as the final component of their degree program. This practicum is designed to provide the candidate with the opportunity to integrate and apply, in practical terms, their learning gained throughout the MAFC curriculum. Candidates, in collaboration with an approval of the MAFC Program Director and Site Supervisors, will develop projects in which they will show how they will work with various groups to communicate and instruct others how to integrate faith development with civic and social responsibility. The object of the project is to enhance the life of people of faith through the service provided by the candidates. At the end of the project, candidates will provide the MAFC Program Director with a self-evaluation and the evaluation of their performance given by their Site Directors.

## Chemistry

Department Chair: Dr. Michelle Steiger, [steigerm@stthom.edu](mailto:steigerm@stthom.edu)

Chemists and biochemists study matter and the changes it undergoes. They recognize that there are many different substances in everyday life created by a world of atoms and molecules whose nature and actions account for the properties of these substances. Studying chemistry or biochemistry requires thoughtfulness, analysis, and imagination. It also requires exactness as predictions are tested and views of the atomic and molecular world modified based upon the results of measurements.

Admission to courses beyond CHEM 1341 requires a "C" or better in their prerequisites at the University of St. Thomas or their equivalents at another appropriately accredited institution. The decision on the adequacy of an equivalent rests with the department chair.

The Bachelor of Science (BS) degrees in Chemistry and Biochemistry are accredited by the American Chemical Society (ACS) Committee on Professional Training.

**CHEM 5301 : Engineering Flow and Heat Exchange**

Course aims to equip students with the practical tools needed to apply fluid mechanics and heat transfer in an industrial setting. Topics covered include: Mechanical energy balance; flow of Newtonian and non-Newtonian fluids in pipes; flow through packed beds; compressible flow of gases; conduction, convection, and radiation; heat transfer resistances; and heat exchangers.

## Communication

The Communication Department includes the fields of digital media, journalism, public relations, film studies, communication theory and media studies. Through both course offerings and professional activities, students learn written and oral communication, professional and technical competencies, critical and creative thinking, and develop an understanding of the historical, theoretical, ethical, and legal parameters of the field. By participating in a creative and dynamic program that approaches the field both theoretically and practically, students are prepared for either professional careers and/or graduate study.

**COMM 6310 : Media, Technology, & Society**

This course explores the reciprocal relationship between digital media, society, and technology. Drawing from Marshall McLuhan's theories and the concept of media ecology, students examine how digital media shapes and is shaped by active audience engagement. Through theoretical readings, case studies, and discussions, topics such as identity formation, social relationships, and cultural production are explored. Students gain insights into the holistic nature of media ecosystems and develop a nuanced understanding of the dynamic interplay between digital media and society. The course focuses heavily on the socio-cultural, ethical, moral, and humanistic questions that arise with the advent of new technologies. Practical assignments allow for hands-on exploration of digital media phenomena, equipping students with critical thinking skills for navigating the everevolving digital landscape.

**COMM 6312 : Media Theory and Criticism**

This course introduces media criticism and theory, examining the ways in which media shapes our culture and society. Key theorists such as Marshall McLuhan, Stuart Hall, Bill Nichols, Vivian Sobchack, Jean Baudrillard, Michael Renov will be discussed, and students will develop skills in analyzing and critiquing media representations across different platforms. By examining filmic texts and other media artifacts as case studies, students learn to analyze various representational strategies and modes of mediation and manipulation through media. We also consider strategies for employing media theory as a structuring vehicle for applied production.

**COMM 6318 : Documentary Production**

This course provides an intensive, hands-on experience in documentary media production, including logistics, research, planning, project-management, and delivery/exhibition. Working in teams, students conceptualize, develop, and implement a documentary film, video, or digital media project over the course of the semester. All students will receive training in core aspects of the documentary production process, but the course will culminate in a team project with students filling specific crew roles based on prior coursework and individual experience – research, producing, directing, cinematography, production sound, and editing.

**COMM 6328 : Visual Anthropology & Media Ecology**

This course in visual anthropology takes a media ecology approach, examining how visual media shape culture. Drawing inspiration from Marshall McLuhan and other media theorists, the course explores the dynamic relationship between visual media and society. Additionally, the course highlights the contributions of a notable anthropologists and media theorists grounded in the Catholic intellectual tradition, including such scholars as Rene Girard (mimesis and the triangulation of desire through media), James Carey (media ethics, community, and ritual view of communication), Walter Ong (sensory inscription and the relationship between orality, literacy, and technology). Course readings provide a theoretical and historical context, while contemporary case studies, guest speakers, and class exercises offer insights into the intersection of visual culture, anthropology, communication, and Catholic philosophy.

**COMM 6338 : Representing Reality – Mediating Fact, Fiction, and Truth**

Filmmaker Werner Herzog famously claims, "Facts create norms, but truth creates illumination." In this course, we explore the important functional distinction between facts, actuality, and truth in representation and human experience by examining documentary film, Reality TV, documentary-realism in fiction media, and other intersections of what Herzog refers to as "stylization, fabrication, and imagination." We also survey the art and rhetoric of filmmaking by examining some of the most profound documentary films of the past and present, in order to analyze the strategic use of "reality" and "factuality" in media.

### **COMM 6346 : Advanced Cinematography and Sound Production**

The course introduces students to advanced techniques in cinematography and sound in film, video, and digital media, with an emphasis on controlling and constructing the cinematic experience. Students gain a foundational understanding of visual theory and aesthetic techniques – contrast/affinity, composition, hue/saturation, spatial depth, visual progression, etc. Focus topics include visual theory, cinematic lighting, camera, sound production/design, and production planning. The course culminates in a crew experience, where students conceptualize, plan, and produce a team-based digital media project. Students also learn the principles of sound recording, editing, and mixing, as well as the use of sound effects and music in various media productions. Through hands-on projects, students will develop practical skills and techniques for creating effective and engaging soundscapes.

## English

To read well and to write well are fundamental tasks of the literate person. Since the founding of the University, the mission of the English Department has been to teach students those literary texts written or translated into English that express “the best that has been known and said.” The curriculum emphasizes literature because of its power “to teach and to delight” and its attention to truth and beauty. It stresses critical reading to develop analytical skills. The major in English develops language and writing skills because there is a fundamental relationship between accurate reading, clear thinking and well-organized oral and written expression. The ability to write and speak well is, moreover, good in and of themselves. The English major also recognizes the need to nurture the imagination both in its emphasis on the aesthetic values of literature and in its courses in creative writing. The English major prepares students for graduate work in departments of English and in other fields, as well as for careers in writing and in primary and secondary education; the major imparts knowledge, attitudes, and skills appropriate for many types of professional careers.

English majors follow a program of readings in periods of English and American literature; they also take courses that concentrate on single authors. Many courses include the study of films. English majors study literary criticism in a specialized course, but they explore important critical approaches to literature in many classes. Courses in creative writing and in advanced prose writing are important components of the English major curriculum. The department encourages English majors to take elective courses in nontraditional literary studies to increase their appreciation of diverse cultures and points of view.

## Objectives

- 1. Students majoring in English will be competent in oral and written expression and research methods.
- 2. Students majoring in English will demonstrate a basic knowledge of the major authors, the major literary texts, and the cultural, intellectual, and philosophical backgrounds of the traditional historical periods of English and American literature.

- 3. Graduates will be capable of analyzing and criticizing literary texts according to historical, formal (generic), and reader-response critical schools. They will understand the major tenets of archetypal and psychological critical schools and of postmodern criticism.

The department assesses students' achievement in the major by a variety of means, including examinations, oral presentations, and papers in required courses. In their senior year, all English majors must present a thesis or produce a portfolio of creative writing or expository prose prepared under the direction of a professor in a chosen area. A jury of professors before whom the students present and defend their work will judge the thesis or portfolio.

**ENGL 5380 : Introduction to Film as Literature**

A study of film as literary text and the primary form of dramatic presentation in contemporary culture. The course will offer students the opportunity to view film masterpieces in various genres as well as adaptations of major theatrical or literary works in a seminar format. Students will be introduced to the critical apparatus necessary to view motion pictures as a literary medium.

## Global Cybersecurity

**GCSE 5301 : Cybersecurity Program Fundamentals**

The foundational course for the program will examine the overall concept of cybersecurity within a business enterprise and/or public sector organization. It will work students through the CIA Triade (Confidentiality, Integrity, and Availability) which forms the basis of all network operations. In addition, the course will introduce the concept of the Threat, Vulnerability and Risk matrix and how to develop a computer system security program through the process of system auditing, threat intelligence, vulnerability assessment and risk analysis.

**Credits** 3.0

## **MDSA 5301 : Introduction to Diplomacy and Strategic Policy**

This seminar is intended to provide a deeper, graduate-level analysis of the art and practice of diplomacy, and the statecraft fundamental to the formulation and successful pursuit of persuasive strategic policy. The nature of leaders and their leadership, the psychology which underpins the proclivities of individual leaders, and their ability to communicate persuasively to both domestic and international influencers will be a course focus. We will examine the practical dimensions of diplomacy as practiced in the 21st century: the “special” role of the US; changing diplomatic practices; the growing need to manage public, social media; the increasingly powerful influence of non-state actors; the impact of revolutionary and post-colonial states; the need for moral leadership and innovative concepts such as the “responsibility to protect”; and, finally, alternatives to diplomacy as appropriate means for mediating relations between an ever-growing number of groups and states in a more complex world. The course will utilize a largely case study method, taking a deep dive into 4-6 major issues. One to two will be watershed historical events, to examine how diplomatic tools were used in support of an overall strategic policy. How was strategic policy developed, how was diplomacy used to advance that chosen strategic policy, and what blowback was experienced? Another 3-4 case studies will analyze seminal, central current issues; students will prepare both a strategic policy and negotiations talking points, among other activities. How could or can the strategic policy and diplomacy be deployed for a better result?

**MDSA 5303 : Advanced Seminar in Diplomacy and Strategic Studies**

This course provides an in-depth investigation into one of the essential topics in Diplomacy and Strategic Studies. The potential topics are theories of politics, economics, diplomacy, and/or strategic studies in the decision-making process that generates foreign policy. In addition, students will be exposed to a broad range of contemporary diplomatic events and puzzles in which the United States and other nations have encountered in the past, is facing currently, and will envision in the near future. The key essence of this course is to facilitate a strong understanding of these issues and develop a number of strategic approaches to manage or even resolve them through theoretical and practical perspectives provided in this course. Students are expected to acquire substantial knowledge of a specific topic in Diplomacy and Strategic Studies after finishing this course.

**MDSA 6359 : Latin America Cultures: Diversity, Paradoxes and Transformation**

This course examines how the interplay of cultures affects our daily lives and how values and beliefs can shape cultural regions. While the course will cover broad theory, particular focus will be on Latin America. The key question is: who is the Latin American? This course will review and deconstruct the paradigm of Latin American character and how it impacts and is impacted by the church, work relations, family, race and gender. The influences of particular historical, geographic and socio-economic forces in Latin America build an image of a coherent cultural region. This is an image, however, full of intra-regional diversity. To what extent then does the cultural ideal type accommodate this diversity? Mexico, Brazil and Argentina will be examined for answers to these questions.

**MDSA 6360 : Perspectives on Modern China**

This course presents the history of modern China from 1860s to today. The course begins with China's forced opening to the West after the Opium Wars and concludes with China's transition at the start of the 21st Century. While emphasizing the chronological record of China's development, discussion also focuses on the changing images of China at home in the West over one and a half centuries. Reliance upon text material is accented by frequent use of film to bring these images and events to life.

**MDSA 6361 : Global Energy**

This course explores the political, social and economic issues surrounding the global exploration, supply, and consumption of energy. The politics of energy examines the national, multinational, and transnational actors that compete for energy resources. The relationship between energy and security is investigated with special attention to the Middle East, China, India, and the United States. The social consequences of the search for and use of fossil fuels is examined, as well as the economics of fossil fuels, biomass, and renewal energy resources. Considerable attention will be granted to studies forecasting future supply and demand, as well as the cost benefit analysis of alternative energy sources.

**MDSA 6376 : Contemporary Taiwan**

This course is a survey of the contemporary history, politics, economics, and external relations of the Republic of China on Taiwan, known to most of the world as simply Taiwan. While founded on mainland China in 1912, the Republic of China we know today has been shaped largely by events after 1949. On the verge of total defeat near the end of China's civil war, the Nationalist government reestablished itself on the island of Taiwan. Since 1949, Taiwan has transitioned from abject poverty to one of the wealthiest societies in the world; from fascism to liberal democracy; and from near universal diplomatic recognition to nearly complete diplomatic isolation. This course will explore the immense challenges faced by Taiwan's people and government and investigate the manner in which such an imperiled island managed such a fascinating process of change. Highlighted as well is the prominent role played by the United States in guaranteeing the regional security necessary for Taiwan's ascendance.

**MDSA 6379 : Cyber Warfare**

This course overviews the growth and scope of cyber warfare and its impacts on national power in the domains of government, diplomacy, international law, international commerce/economic power, social media/privacy, science/technology, and civil society. It traces the evolution of conflict from traditional information gathering to the development of cyber weaponry with destructive capabilities and the use of those capabilities to advance national foreign policy interests. Through the use of case studies and selective readings from a variety of sources (government policy directives, cyber security industry studies, and defense related academic papers), the course guides students through the emergent quality of the broadening scope of cyber conflict and the multifaceted response to the challenge. Ultimately, students are confronted with the impact of the ongoing threat as they interface with cyberspace in their day-to-day interactions. The goal is for a deeper understanding of the scope and complexity of the cyber domain and the global conflict that is raging out of view.

**MDSA 6381 : International Security in East Asia**

This course will provide a broader understanding of security and geopolitics in East Asia. With the rise of China and the nuclear threat from North Korea, the security dynamics within and beyond East Asian states is of critical importance to both the United States and the world. To better comprehend such complex security dynamics in East Asia, this course will review the historical progress of diplomatic and security related interactions between East Asian countries, and their relations with the United States as well. After a profound understanding of the history is acquired, this course will guide students to analyze the current events and potential changes in this region and derive policy implications and strategic proposals for the East Asian countries and the United States.

**MPPA 5301 : Economic Analysis for Public Policy**

Economic analysis is widely used in various public policy fields such as environmental policy, social welfare, and labor market analysis. Economic principles of consumer and producer theory, social welfare economics, public goods and externalities, market failure, market structure, production theory, and fiscal policy offer many insights into use of economics to derive solutions for public policy problems. This course will provide students with an understanding of how economic theory can be used to assess the desirability of government interventions, their justification, and implications for efficiency and fairness, using specific policy areas as examples.

**Course Component**

Lecture

**MPPA 5302 : Decision Making for Public Policy**

The objective of this course is to make the student a better producer, consumer, and evaluator of public policy analyses. It will strengthen decision making ability and skills regarding public policy issues. The course does not focus on methodology per se, but rather looks at the results of methodology as they frame and shape public policy issues. Thus the focus of the course is on the role of managers and executives in systematically seeking, organizing and analyzing information to address policy problems.

**Credits** 3.0

**MPPA 5309 : U.S. Science and Technology Policy**

Prior to WW II, the American government played a relatively small role in the support of science, especially outside of its own institutions. That situation changed dramatically with the war and the Cold War that followed. We explore how these events transformed the role of science in American life, vastly enhancing the prestige of scientists, and shaping the extent and the nature of federal involvement in science. These and later developments, including the commercialization of academic research, raise important questions about the appropriate role of science and scientists in a democracy. In particular: How can we reconcile the need for scientific and technological expertise on the one hand, and for the democratic control of science on the other? We consider different theoretical approaches to this issue, and illustrate the dilemmas it poses with a number of empirical examples.

**Credits** 3.0

## Master Liberal Arts Program

### Mission/Goals

The Master in Liberal Arts is an exceptional opportunity for those who would like to obtain a master's degree and add to their knowledge, especially in areas not covered in their undergraduate education. The MLA program is designed to supplement and enrich a student's previous education in the liberal arts. Unlike conventional graduate programs with their narrower specializations, the MLA program encourages, in fact by its very nature requires, students to expand their knowledge in various disciplines. The program therefore aims not only at a deeper understanding of each subject studied, but also at an integration of the various aspects of knowledge, art, and life.

In an environment infused by the tradition of Catholic higher education, the MLA program at UST gives students the opportunity to stretch their minds to full capacity, to ponder issues that give full meaning to life and to cultivate wisdom. It invites you to undertake the journey of cultivating the mind in light of truth.

**MLA 5312 : Conducting**

The director's role in presenting liturgical choral music, including rehearsal techniques, diction, balance, phrasing, interpretation and working with instruments.

# MLA-Communication

## **MLCOM 5329 : Intro to Media Studies**

This course introduces students to the discipline of media studies and the fundamentals of rhetoric, strategic communication, representation theory, history of media, genre studies, analysis, and other key themes that allow students to better understand the business, circulation, socio-cultural implications, rhetorical strategies, and humanistic considerations of media, communication, and representation. These foundational skills translate across media modes, genres, and platforms by empowering students to understand and gain a critical awareness of how media and communication impacts our lives, and how our subjective understandings, in turn, impact the processes of production.

## **MLCOM 5330 : Profoundly Disturbing – The Art of Horror Cinema**

From the culturally rooted folk horror of *Nosferatu* (1922) to the socio-psychological terror of *Psycho* (1960) to the xenophobia of *Hostel* (2005), we recognize the horror genre as a profound and uncomfortably visceral discursive front for exploring our deepest personal and cultural fears. This course explores the rich and diverse world of horror cinema, including the narrative, literary, and artistic traditions from which it emerged. We examine horror films as a literary vehicle that allows (ideally) for the confrontation of complex issues of social trauma, violence, and terror.

**MLCOM 6310 : Media, Technology, & Society**

This course explores the reciprocal relationship between digital media, society, and technology. Drawing from Marshall McLuhan's theories and the concept of media ecology, students examine how digital media shapes and is shaped by active audience engagement. Through theoretical readings, case studies, and discussions, topics such as identity formation, social relationships, and cultural production are explored. Students gain insights into the holistic nature of media ecosystems and develop a nuanced understanding of the dynamic interplay between digital media and society. The course focuses heavily on the socio-cultural, ethical, moral, and humanistic questions that arise with the advent of new technologies. Practical assignments allow for hands-on exploration of digital media phenomena, equipping students with critical thinking skills for navigating the ever-evolving digital landscape.

**MLCOM 6361 : Project-Based Practicum in Communication**

This is a project-based practicum course that focuses on design thinking, leadership/teamwork, and the real-world application of academic and professional skills. Students work in teams of 4-5 to execute an industry sponsored project with the guidance of a faculty mentor. The course consists of a series of structured class meetings, followed by a field practice period of approximately 9 weeks. During the fieldwork phase, students meet weekly to debrief in small groups with a faculty or industry advisor. Students maintain a weekly progress report, as well as an ongoing self-assessment of performance and lessons learned. The course culminates in a Leadership Project Review, which includes a written overview and an oral presentation on the overall project experience and learning outcomes.

**MLINS 6359 : Latin American Cultures: Diversity, Paradoxes and Transformation**

This course examines how the interplay of cultures affects our daily lives and how values and beliefs can shape cultural regions. While the course will cover broad theory, particular focus will be on Latin America. The key question is: who is the Latin American? This course will review and deconstruct the paradigm of Latin American character and how it impacts and is impacted by the church, work relations, family, race and gender. The influences of particular historical, geographic and socio-economic forces in Latin American build an image of a coherent cultural region. This is an image, however, full of intra-regional diversity. To what extent then does the cultural ideal type accommodate this diversity? Mexico, Brazil and Argentina will be examined for answers to these questions.

**MLINS 6360 : Perspectives on Modern China**

This course presents the history of modern China from 1860s to today. The course begins with China's forced opening to the West after the Opium Wars and concludes with China's transition at the start of the 21st Century. While emphasizing the chronological record of China's development, discussion also focuses on the changing images of China at home in the West over one and a half centuries. Reliance upon text material is accented by frequent use of film to bring these images and events to life.

**MLINS 6361 : Global Energy**

This course explores the political, social and economic issues surrounding the global exploration, supply and consumption of energy. The politics of energy examines the national, multinational, and transnational actors that compete for energy resources. The relationship between energy and security is investigated with special attention to the Middle East, China, India, and the United States. The social consequences of the search for and use of fossil fuels is examined, as well as the economics of fossil fuels, biomass, and renewal energy resources. Considerable attention will be granted to studies forecasting future supply and demand, as well as the cost benefit analysis of alternative energy sources.

**MLINS 6369 : Seminar in International Development Studies**

This course sees individuals as active agents of change in any given society. Through an integrated analysis of economic, social and political activities involving a variety of institutions and many interactive agencies it seeks to understand and analyze the roles and interconnections between certain crucial instrumental freedoms and their prospects for development. In part, these include economic opportunities, political rights, social facilities, transparency guarantees, and protective security. Course format will present opportunities for exploring development, including a formal debate on the role of societal arrangements.

**MLINS 6370 : Global Health**

The study of global health requires the examination of predominant health issues and current health policy from the local to international perspectives and analysis. The increasingly open flow of resources, including human capital, and the potential of the catastrophic impact of epidemics and pandemics has transformed health from a domestic to a multi-national concern and challenge. Emphasis will be on the international health regime characterized by the institutional rules, norms, and organizations that address global health. Specifically, this course examines and discusses topics in health – and organization–related issues, including a current survey of global health problems, surveillance of diseases and injuries, basic methods for outbreak investigation, international health policies and treaties, and introduction to organizational theories relevant to global health.

**MLINS 6372 : International Organizations and Global Governance**

A course that inquires into global governance as a policy arena and examines the contributions that international organizations make. Economic and cultural integration over recent decades have given rise to new problems facing requiring concerted solutions. In addition to states increasing numbers of intergovernmental and non-governmental organizations seek input into the shaping of global policy. How ell do they do? The course asks "what is global governance?" and "what should it be?" It then delves into the workings of several intergovernmental and non-governmental organizations and evaluates their potential for finding innovative answers to the challenges facing the world community.

**MLINS 6376 : Contemporary Taiwan**

This course is a survey of the contemporary history, politics, economics, and external relations of the Republic of China on Taiwan, known to most of the world as simply Taiwan. While founded on mainland China in 1912, the Republic of China we know today has been shaped largely by events after 1949. On the verge of total defeat near the end of China's civil war, the Nationalist government reestablished itself on the island of Taiwan. Since 1949, Taiwan has transitioned from abject poverty to one of the wealthiest societies in the world; from fascism to liberal democracy; and from near universal diplomatic recognition to nearly complete diplomatic isolation. This course will explore the immense challenges faced by Taiwan's people and government and investigate the manner in which such an imperiled island managed such a fascinating process of change. Highlighted as well is the prominent role played by the United States in guaranteeing the regional security necessary for Taiwan's ascendance. Prerequisite: 60+ credit hours

This course explores the country risks businesses and non-profits face in the developing world, including government instability, the lack of government capacity, insecurity, dysfunctional legal systems, corruption, human rights violations, poverty, poor infrastructure, and a low level of social services, including poor education and health care. We will look at how entities evaluate these risks before entering a country and how they manage these risks once on the ground. We will also discuss the ethical issues encountered in doing business in developing countries. The course will provide a foundation for anyone interested in doing business or otherwise working in developing countries. While the course is organized around specific risks, it will also review the broader issues common to developing countries. Prerequisites: [INST 1351](#) and INST 1352

**MLINS 6379 : Cyber Warfare**

This course overviews the growth and scope of cyber warfare and its impacts on national power in the domains of government, diplomacy, international law, international commerce/economic power, social media/privacy, science/technology, and civil society. It traces the evolution of conflict from traditional information gathering to the development of cyber weaponry with destructive capabilities and the use of those capabilities to advance national foreign policy interests. Through the use of case studies and selective readings from a variety of sources (government policy directives, cyber security industry studies, and defense related academic papers), the course guides students through the emergent quality of the broadening scope of cyber conflict and the multifaceted response to the challenge. Ultimately, students are confronted with the impact of the ongoing threat as they interface with cyberspace in their day-to-day interactions. The goal is for a deeper understanding of the scope and complexity of the cyber domain and the global conflict that is raging out of view.

**MLINS 6380 : Global Conflict Resolution**

This course begins with the premise that conflict is a part of everyday life that spans across every inch of the globe and is found in all careers and relationships, so it is designed to be a practical course that provides a comprehensive overview of conflict resolution from a micro (person-to-person) to a global perspective. This course reviews the theoretical components while exploring conflict within different contexts, including intergroup, interpersonal, cross-cultural, legal, and international, by analyzing select global conflicts and learning to identify its primary and secondary participants. This course introduces positive conflict management skills, including active listening, communication skills, principled negotiation, facilitation, and peacekeeping skills. This skill-based course will explore how these variables and behavioral attributes have, and can, influence global conflicts through escalation and de-escalation. Upon completion of this course and attendance in class for at least 40 hours, as designated by Texas State Statute, graduate and undergraduate students will be able to mediate globally with their basic mediation certificate.

**MLIRS 5368 : Northern Ireland: Conflict and Peace**

This course is divided into three parts: (i) Historical Context, (ii) the "Conflict", and (iii) the "Peace". The historical context explores some of the key events that led to the conflict and the current situation in Northern Ireland. This part begins with a look at the British plantations and settlements throughout Ireland, Britain's first colony. The historical context reviews some of the laws imposed upon Ireland to subvert Irish heritage and culture, such as outlawing the Catholic religion and the Irish language as well as taking away Irish Catholic civil rights. The course reviews the conquest of Cromwell, the rebellions of the Irish, such as the United Irishmen, and the laws imposed on the Irish by the British in response. The course explains the Act of Union, which made Ireland part of the United Kingdom and took away Ireland's Parliament, Ireland's desire for self-determination, the 1916 Easter Rising seeking independence, the partition of Northern Ireland from Ireland and the Irish Civil War of 1922. The Conflict portion reviews the current dispute between the various political parties in Northern Ireland and the groups they represent: nationalists (who want to reunite Northern Ireland with Ireland) and unionists (who want to keep Northern Ireland separate from Ireland and united with Britain). The Conflict also reviews the use of physical force (violence) to achieve these goals versus constitutional, peaceful means (the ballot box & dialogue). The Peace portion discusses the various agreements and movements among Britain, Ireland and Northern Ireland from 1922 to today to stop the violence and to bring peace to Northern Ireland, as well as Britain and Ireland. The course also covers current events in Northern Ireland, such as ongoing elections and other governmental, political, social and cultural issues.

003788

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 5315 : Ancient Philosophy**

A study of being, nature, knowledge, man and the state, as developed by the pre- Socratics, Plato, Aristotle, the Epicureans, the Stoics and Plotinus.

**Credits** 3.0

**Course ID**

003789

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 5316 : Hist Intr Phil:Mediaeval Phil**

Medieval Philosophy A continuation of the study of classical philosophical problems from the Christian perspectives of St. Augustine, St. Thomas Aquinas, St. Anselm, St. Bonaventure and others, while also noting Islamic and Jewish influences.

**Credits** 3.0

**Course ID**

006110

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 5317 : Modern Philosophy**

A study of the rise of secular views of knowledge, ethics and politics, as discussed by such philosophers as Machiavelli, Hobbes, Descartes, Locke, Rousseau and Hume.

**Credits** 3.0

**Course ID**

002983

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 5318 : Bioethics**

A second course in ethics with emphasis on the moral issues that arise in modern health care. Issues to be discussed include patient autonomy, life issues, the right to refuse treatment and the right to health care.

**Credits** 3.0

**Course ID**

003790

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 5319 : Philosophy of Mind**

A study of major approaches to dealing with the nature of mind, mental causation, mental content and consciousness.

**Credits** 3.0

**Course ID**

008719

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 5333 : Logic**

(Traditional Logic) A practical study of the rules of correct reasoning, both inductive and deductive, together with analysis of the concept, the proposition and fallacies.

**Credits** 3.0

**Course ID**

007857

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 5336 : Political Philosophy**

An evaluation of the historically significant political theories in the Western tradition: classical, medieval and modern.

**Credits** 3.0

**Course ID**

004659

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 5338 : God in Philosophy**

A study of the teachings of some of the major philosophers, including St. Thomas Aquinas, concerning the existence and attributes of God and the consequences of theism and atheism in philosophy.

**Credits** 3.0

**Course ID**

004660

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 5340 : Philosophy Politics, and Economics**

This course will be a required gateway course for the minor in Catholic Social Thought. It explores the Catholic philosophical pillars of the political and economic life in the Western tradition. The main topics are human nature, natural law, virtue, providence and salvation, common sense, and free-market. Authors discussed: Aristotle, Aquinas, Maritain, Novak, Weber. Students will be asked to apply this knowledge to contemporary public life.

**Credits** 3.0

**Course ID**

009592

**Grading Basis**

Graded

**Course Component**

Lecture

**Semester Offered**

Spring semester

**MLPHL 5350 : Contemporary Logic**

This course aims to introduce students to the significant philosophical advances made in the past 150 years in the field of logic. Some of this material can be grouped under the rubric of symbolic logic, but this course will go beyond the field of mathematical logic by discussing theories of modal and tense logic, and, more generally, by discussing why 20th century philosophers see such formal logic as the most suitable tool for the discovery and development of logical truth.

**Credits** 3.0

**Course ID**

005780

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 5353 : Aquinas Seminar**

A study of the philosophy of St. Thomas Aquinas based on selected texts from his works.

**Credits** 3.0

**Course ID**

009693

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 6312 : Philosophy of Knowledge**

A study of how we know, covering the kinds of knowledge, the role of the senses and the intellect, abstraction, intentionality and the challenge of various forms of skepticism. Spring, day.

**Credits** 3.0

**Course ID**

003791

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 6318 : Contemporary Philosophy**

A study of recent philosophical developments from Kant and Hegel to the existentialists and pragmatists. Fall, day.

**Credits** 3.0

**Course ID**

002984

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 6324 : Faith and Reason**

A study of the relationship between faith and reason. Examines possible conflicts between what reason (or science) discovers and what faith believes. Considers classical, modern, and contemporary authors.

Prerequisite: [PHIL 2314](#) or 2316/3316

**Credits** 3.0

**Course ID**

007534

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 6327 : Philosophy of Wojtyla**

This course will study the thought of Karol Wojtyla, (Blessed John Paul II). The course will consider his poetic, dramatic, philosophical and theological works as they pertain to these themes: the dignity of the person, love and marriage, work and society, politics and human rights, the existence of God and humanism. Prerequisites: two/three course philosophy sequence.

**Credits** 3.0

**Course ID**

008769

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 6329 : Pascal**

This course will study the thought of the 17th century genius Blaise Pascal. In the course the Pensees will be examined closely; the student shall understand how Pascal addresses the question of the relationship of the human being to God in light of fundamental features of human existence.

**Credits** 3.0

**Course ID**

007856

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 6331 : The Phil of Art and Beauty**

The metaphysics of beauty and its role in the metaphysics of art; artistic creation and the work of art (form, medium, style); the experience of art and aesthetic appreciation. Selected writings and works of art. Fall, even years.

**Credits** 3.0

**Course ID**

004663

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 6335 : Analytical Philosophy**

A study of the origins, development and doctrine of the Analytical Schools. Selected readings.

**Credits** 3.0

**Course ID**

004664

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 6350 : Phil of Law:Trdtn of Nat Law**

A critical study of the various versions of natural justice theory in historical perspective from the classical philosophers and jurists through the Christian conceptions of St. Augustine, St. Thomas Aquinas, Scotus and the Spanish scholastics up to the modern secular schools of natural right.

**Credits** 3.0

**Course ID**

004668

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 6352 : Philosophy of Science**

A study of the methods of science and the extent of scientific knowledge from classical cosmology through the Newtonian and Darwinian revolutions, with an assessment of more recent scientific achievements

**Credits** 3.0

**Course ID**

004669

**Grading Basis**

Graded

**Course Component**

Lecture

**MLPHL 6364 : Philosophical Themes in Literature**

Philosophical reflection on themes of good and evil, sin and grace; suffering and fortitude; personal identity and authenticity; the human and the divine; time and eternity; love and death; fidelity and betrayal; the tragic and the comic. Exploration of these themes is carried out with the aid of enduring works of the imagination: novels, short stories and poetry. Close reading and discussion of texts such as *The Brothers Karamazov* (Dostoevsky); *Til We Have Faces* (C.S. Lewis); *Four Quartets* (T.S. Eliot); *The End of the Affair* (Graham Greene); *Wise Blood* and selected short stories (Flannery O'Connor); *Brideshead Revisited* (Evelyn Waugh); *The Moviegoer* (Walker Percy); *Go Down, Moses* (William Faulkner) *One Day in the Life of Ivan Denisovich* (Solzhenitsyn). Prerequisite: [PHIL 2314](#) or 2316/3316

**Credits** 3.0

**Course Component**

Lecture

**MLPOS 6379 : Cyber Warfare**

This course overviews the growth and scope of cyber warfare and its impacts on national power in the domains of government, diplomacy, international law, international commerce/economic power, social media/privacy, science/technology, and civil society. It traces the evolution of conflict from traditional information gathering to the development of cyber weaponry with destructive capabilities and the use of those capabilities to advance national foreign policy interests. Through the use of case studies and selective readings from a variety of sources (government policy directives, cyber security industry studies, and defense related academic papers), the course guides students through the emergent quality of the broadening scope of cyber conflict and the multifaceted response to the challenge. Ultimately, students are confronted with the impact of the ongoing threat as they interface with cyberspace in their day-to-day interactions. The goal is for a deeper understanding of the scope and complexity of the cyber domain and the global conflict that is raging out of view.

**Semester Offered**

Spring semester

**MLPOS 6380 : Global Conflict Resolution**

This course begins with the premise that conflict is a part of everyday life that spans across every inch of the globe and is found in all careers and relationships, so it is designed to be a practical course that provides a comprehensive overview of conflict resolution from a micro (person-to-person) to a global perspective. This course reviews the theoretical components while exploring conflict within different contexts, including intergroup, interpersonal, cross-cultural, legal, and international, by analyzing select global conflicts and learning to identify its primary and secondary participants. This course introduces positive conflict management skills, including active listening, communication skills, principled negotiation, facilitation, and peacekeeping skills. This skill-based course will explore how these variables and behavioral attributes have, and can, influence global conflicts through escalation and de-escalation. Upon completion of this course and attendance in class for at least 40 hours, as designated by Texas State Statute, graduate and undergraduate students will be able to mediate globally with their basic mediation certificate.

**MLPOS 6381 : International Security in East Asia**

This course will provide a broader understanding of security and geopolitics in East Asia. With the rise of China and the nuclear threat from North Korea, the security dynamics within and beyond East Asian states is of critical importance to both the United States and the world. To better comprehend such complex security dynamics in East Asia, this course will review the historical progress of diplomatic and security related interactions between East Asian countries, and their relations with the United States as well. After a profound understanding of the history is acquired, this course will guide students to analyze the current events and potential changes in this region and derive policy implications and strategic proposals for the East Asian countries and the United States.

## **MLELEC 5301 : Critical Thinking**

Critical thinking is an examination of how to determine the differences between effective and ineffective ideas -- between how something does or does not "make sense." This course studies the quality of thinking used in reaching conclusions. Thinking that is clear and accurate results in behavior and communication that is effective, appropriate and responsive to the situation. Thinking that is confused, foggy or distorted can lead to misunderstandings, frustration, inappropriate responses, inconsistency and even ill will.

# MLA-School of Business

## **MLCSB 5909 : Legal Environment of Business**

This course provides a study of law as it relates to organizational activity. Emphasis is placed on current legal problems, together with evolving theories or trends within the law. Primary emphasis is placed on business, the formation of contracts, the problems with sales contracts, secured sales contracts and security interests, and the proper forms of business organizations including sole-proprietorships, partnerships, limited liability companies and corporations. The course introduces the student to the problems that currently beset the business community, the origins of those problems, the consequences anticipated and, basically, what is to be expected in the future. The student should come to an understanding of the dangers to be encountered with such problems as changes in corporate structures, mergers and acquisitions, changes in employment responsibilities, civil rights considerations and violations, harassment problems, early buy-outs, forced retirements, etc. At the end of the course it is hoped that the student will be familiar with not only the problems to be encountered in the business world, but the language and legal thinking surrounding these problems. Prerequisites: None.

## MS Applied Data Science

**MSDS 5301X : Programming for Data Science**

An introduction to programming and using Python, a modern programming language used in data science. Computational will be emphasized through solving problems by writing and testing and debugging programs.

**Credits** 3.0

**Course ID**

008490

**Grading Basis**

Non-Degree Grading Basis

**Course Component**

Lecture

**MSDS 5302X : Statistics for Data Science**

Fundamental statistical concepts used in data science, including types of data, the collection of data, summarizing data, estimation and an introduction to hypothesis testing.

**Credits** 3.0

**Course ID**

008491

**Grading Basis**

Non-Degree Grading Basis

**Course Component**

Lecture

**MSDS 5311 : Introduction to Analytics**

Data analytics is a process that turns data into usable information for answering questions. This course will introduce the process of acquiring, managing and analyzing data. Readily available real-world data sets will be analyzed using supervised and unsupervised learning methods.

**Credits** 3.0

**Course ID**

008492

**Grading Basis**

Graded

**Course Component**

Lecture

**Requisites**

[MSDS 5311](#) Co/Prerequisite: [MSDS 5302X](#) or equivalent.

**MSDS 5312 : Data Visualization**

Appropriate visualizations of data are a key to revealing patterns and communicating important findings in research. This course will build on statistical and analytical thinking by emphasizing the role and use of visualizations in the analysis of data. Theories, techniques and software for managing, exploring, analyzing, displaying and communicating information about various types of data will be introduced. Visualizations will be produced using readily available real-world data sets.

**Credits** 3.0

**Course ID**

008692

**Grading Basis**

Graded

**Course Component**

Lecture

**Requisites**

[MSDS 5312](#) Prerequisites: [MSDS 5302X](#) or equivalent.

**MSDS 5315 : Databases and Data Management**

Organization concepts and terminology of data models and the underlying data structures needed to support them. Presentation of the relational database management system including an introduction to SQL programming, normalization and database design. Introduction to the programming interface to databases.

**Credits** 3.0

**Course ID**

008493

**Grading Basis**

Graded

**Course Component**

Lecture

**Requisites**

[MSDS 5315](#) Co/Prerequisites: [MSDS 5311](#), 5301X or equivalent.

**MSDS 5321 : Data Science Research Methods**

Fundamentals of the research process including formulating questions to assess data needs, determining how to collect and manage the necessary data, and putting results in the correct context.

**Credits** 3.0

**Course ID**

008693

**Grading Basis**

Graded

**Course Component**

Lecture

**Requisites**

[MSDS 5321](#) Prerequisites: [MSDS 5311](#)

**MSDS 5350 : Statistical Models**

The analysis of data using linear and non-linear regression models, including techniques for building models and diagnostics for assessing models.

**Credits** 3.0

**Course ID**

008694

**Grading Basis**

Graded

**Course Component**

Lecture

**Requisites**

[MSDS 5350](#) Prerequisites: [MSDS 5302X](#) or equivalent.

**MSDS 5361 : Data and Social Issues**

An examination of algorithmic bias, legal and privacy issues about data that arise in the phases of a data science project and how data is related to social issues. Case studies from various disciplines will be used to explore these issues.

**Credits** 3.0

**Course ID**

008695

**Grading Basis**

Graded

**Course Component**

Lecture

**Requisites**

[MSDS 5361](#) Prerequisites: [MSDS 5321](#)

**MSDS 6311 : Big Data Analytics**

The tools and techniques of managing and analyzing big data will be covered. Students learn how to use cloud services and data mining techniques for analyzing big data.

**Credits** 3.0

**Course ID**

008696

**Grading Basis**

Graded

**Course Component**

Lecture

**Requisites**

[MSDS 6311](#) Prerequisites: [MSDS 5311](#)

**MSDS 6331 : Machine Learning**

An overview of the key concepts of machine learning through practical examples and applications. Programming projects will be used for learning techniques, for interpreting results and understanding scaling up from thousands of records to millions/billions.

**Credits** 3.0

**Course ID**

008697

**Grading Basis**

Graded

**Course Component**

Lecture

**Requisites**

[MSDS 6331](#) Prerequisites: [MSDS 6311](#)

**MSDS 6381 : Practicum I**

Hands-on experience as a part of a data science team covering all phases of a data science project, with a focus on the design and data collection phases.

**Credits** 3.0

**Course ID**

008698

**Grading Basis**

Pass/Fail Option

**Course Component**

Practicum

**Requisites**

[MSDS 6381](#) Prerequisites: [MSDS 5321](#)

**MSDS 6382 : Practicum II**

A continuation of the hands-on experience, with a focus on the analytics phase. Teams will present their results to the stakeholders.

# Classics

Dealing directly with the classical texts, students return to the beginnings of a philosophical, political and literary tradition that spans three millennia. The goal is to provide a cultural and artistic understanding of classical civilizations and to equip students with the grammatical skills necessary to handle competently ancient Latin and Greek texts of a moderate complexity.

## **CLASS 5331 : Latin for Graduate Study I**

This course begins an introduction to Latin grammar, at a level oriented towards the study of Latin philosophical and theological texts in graduate studies.

**Credits** 3.0

**Course ID**

009572

**Grading Basis**

Graded

**Course Component**

Lecture

**Semester Offered**

Fall semester, even years

## **CLASS 5332 : Latin for Graduate Study II**

This course completes an introduction to Latin grammar, at a level oriented towards the study of Latin philosophical and theological texts in grammar studies.

**Credits** 3.0

**Course ID**

009573

**Grading Basis**

Graded

**Course Component**

Lecture

**Semester Offered**

Spring semester, odd years

## **CLASS 5335 : The Stoic and the Saint**

Does happiness consist in autonomy or is grace required? This course will examine two responses to this question by comparing the letters of the stoic Seneca and the writings of St. Augustine.

**Credits** 3.0

**Course ID**

009303

**Grading Basis**

Graded

**Course Component**

Lecture

# Irish Studies

## **IRST 5366 : Historical and Political Perspectives on Irish Law and Culture**

This course is a study of the indigenous Irish culture and how political and religious movements in Ireland and around the world shaped the Irish identity and history. Emphasis will be placed on Ireland in an international context, including the effects of Christianity, conquest, imperialism, war and rebellion, nationalism, independence and self-government on the Irish identity and history. This course explores how law reflects society and provokes change among people of different racial, political, cultural and religious backgrounds.

**Credits** 3.0

### **Course ID**

006777

### **Grading Basis**

Graded

### **Course Component**

Seminar

## **IRST 6339 : Celtic Spirituality**

Systematic study of the concepts and practices of the Christian spiritual life, with a special emphasis placed upon an understanding of Celtic Spirituality and the influences of Anglo-Saxon spirituality on it. This study will be undertaken by a reading and study of selected texts by the great spiritual masters and writers of the Church from the Celtic and Anglo-Saxon tradition.

# Master of Sacred Music

## **MSM 5114 : Private Music Instruction/ Applied Music**

Private study Organ, piano accompaniment, or voice

**Credits** 1.0

**Course ID**

007967

**Grading Basis**

Graded

**Course Component**

Applied Studies

## **MSM 5201 : Research Methodology and Bibliography**

The Bibliography course is usually taken during the first year of study and is taught by the music librarian. It introduces students to the resources necessary to do research in music courses.

**Credits** 2.0

**Course ID**

007966

**Grading Basis**

Graded

**Course Component**

Lecture

## **MSM 5224 : Applied Voice/Keyboard**

Private study in area needed to strengthen student's skills.

**Credits** 2.0

**Course ID**

008152

**Grading Basis**

Graded

**Course Component**

Applied Studies

## **MSM 5300 : Sacred Music Seminar I**

Masses, Passions and Requiems. An historical survey of Western sacred vocal repertoire, from Gregorian chant to the development of polyphony in Masses, Passions and Requiems by composers such as Leonin and Perotin, Shutz, Bach and Mozart.

**Credits** 3.0

**Course ID**

007964

**Grading Basis**

Graded

**Course Component**

Lecture

**MSM 5301 : Survey of Sacred Choral Literature**

Historical survey of choral repertory from the 14th century to the beginning of the 20th century.

**Credits** 3.0

**Course ID**

007970

**Grading Basis**

Graded

**Course Component**

Lecture

**MSM 5302 : Children's Choirs**

Techniques for working with children singing in choirs. Including a survey of children's liturgical music literature. Home-schooled students may often be used as a resource.

**Credits** 3.0

**Course ID**

008155

**Grading Basis**

Graded

**Course Component**

Lecture

**MSM 5303 : Chant**

A study and practice of chant. An historical survey of Gregorian chant and its place in the liturgy. Latin chant and chant in other languages.

**Credits** 3.0

**Course ID**

008157

**Grading Basis**

Graded

**Course Component**

Lecture

**MSM 5304 : Diocesan Choir**

Participation in Diocesan Choir rehearsals, singing at masses, and other services.

**Credits** 3.0

**MSM 5313 : Anatomy and Function of the Singing Voice**

Techniques for singing as a soloist/cantor and the role of the voice in a choral setting. The student should have at least two semesters of previous collegiate-level private studio voice study for success in this course. A pianist/organist should have two semesters of voice lessons as a prerequisite and is required to accompany a student singer during several voice lessons. Students will be required to teach a short sequence of lessons to a non-major student, and demonstrate teaching for the class.

**MSM 5330 : Practicum**

1) MSM students will be invited to two or three larger Houston-area parishes with thriving amateur choral programs for adults and children to observe rehearsals and liturgies directed by professional church musicians. 2) MSM students will be mentored by musicians who have worked in the field and better understand how clergy and church musicians collaborate to prepare meaningful and thoughtful music appropriate for the liturgical year. They will accomplish this by attending worship committee and/or liturgy planning meetings; by learning fundamentals of administration, including planning, finances and budgeting; by developing procedures for forming a choir and engaging the congregation in the musical life of the church. 3) MSM students will write a paper on a topic related to observations made. 4) The MSM student will be required to plan and conduct or accompany a mass with appropriate liturgical music in the Chapel of St. Basil on the UST campus, with the permission of the clergy of the Chapel. 5) It is strongly suggested that the student sing with the RC Diocesan Choir as well as being more fully connected to the larger diocesan community. In the Houston area there often are opportunities also to sing larger oratorio and mass settings with an orchestra.

# Philosophy

Philosophy is the science which by the natural light of reason studies the first causes or highest principles of all things. It is in other words, the science of things in their first causes in so far as these belong to the natural order. Philosophy on the level of natural reason, like theology on the level of supernatural faith, pursues answers to the deepest questions concerning reality and the meaning of life. As St. Thomas Aquinas argued, faith and reason cannot ultimately be in conflict; and any apparent conflict is the result of faulty understanding on one side or the other. While all major philosophers are studied at the University of St. Thomas, the philosophy of St. Thomas provides the unifying viewpoint. Pope John Paul II explained that "Thomas Aquinas possessed supremely the courage of the truth, a freedom of spirit in confronting new problems, the intellectual honesty of those who allow Christianity to be contaminated neither by secular philosophy nor by a prejudiced rejection of it. He passed therefore into the history of Christian thought as a pioneer of the new path of philosophy and universal culture." *Fides et Ratio* #43

**PHIL 5304 : Thomistic Metaphysics**

As the culmination of this trio of fundamental courses in Thomistic philosophy, this course in metaphysics, the highest of the philosophical sciences according to Aquinas, has as its first task the nature of metaphysical inquiry itself. This inquiry will involve a crucial set of distinctions, including the distinctions between natural philosophy and metaphysics, substance and accident, essence and existence, act and potency. The Thomistic texts for this course are chosen at the discretion of the instructor.

**PHIL 5314 : Thomas Aquinas on Human Nature**

This investigation of Aquinas's philosophy of the human person will have as its primary focus Aquinas's solution to the question of how the human soul can be identified both as the form in the human form-matter composite and as a subsistent entity capable of surviving the corruption of the body. Among other key issues to be discussed are the nature of the passions and the relationship between the intellect and will. Readings from the Prima pars of the Summa theologiae will play a central role in the discussion, with other readings from the Thomistic corpus chosen at the instructor's discretion.

**PHIL 5338 : Introduction to Thomistic Ethics**

Building on the achievements of the course in Thomistic anthropology, this course highlights the human person as agent, as moving toward ends or goods, and finally toward the ultimate end which Aquinas calls beatitudo: happiness. The nature of the ultimate end will thus be the centerpiece of the course discussion, with other key concepts and distinctions which contribute to Aquinas's understanding of the ultimate end coming strongly into play, e.g., the nature of the human act, the distinction between right and wrong action, the nature of and the distinctions between the virtues, and the role of law in human happiness. Discussion will be focused on but need not be limited to questions in the Secunda pars of the Summa theologiae.

**PHIL 5359 : Philosophical Latin**

The objective of this course is to produce facility in reading medieval, philosophical Latin, and in particular the Latin of Thomas Aquinas. Every student in the Center must take this course unless granted a waiver by the Director of the Center for Thomistic Studies. The course must be taken in one semester during the first year of graduate study. The format and content of the course will be set by the faculty member who is responsible for teaching the course that year. It will be taught as part of the regular course load by a member of the Center faculty or another person competent to teach the course. The grade in the course will be determined by the outcome of the Latin test, with grades determined in the following way: Pass at the MA level = "A-". Pass at the PhD level = "A". No grade will be given for the course until the Latin test is passed at one of these two levels. For an entering student who passes the Latin exam at the PhD level this course is waived.

**PHIL 5363 : Law & Grace in Aquinas**

Aquinas's Commentary on the Metaphysics stands out as perhaps the clearest commentary ever written on the metaphysical treatise(s) of Aristotle. This course will offer a guided reading of the Commentary, exploring several questions, including: To what extent do Aquinas's own distinctive metaphysical views appear in his Commentary? How does Aquinas understand the structure of metaphysical science? What are some of the influences on Aquinas's interpretation of the Metaphysics? Some previous familiarity with Aristotle's Metaphysics is encouraged but not required.

**PHIL 5392 : Twentieth Century Thomist Rev.**

This course discusses the genuinely twentieth-century philosophical phenomenon of Thomistic Revival. In almost quixotic manner, literally thousands of Catholic authors worldwide, in monographs, periodicals, and in the entire standard teaching venues, offered Thomistic cures for modern ills. Who were these authors? What motivated them? Why did the Neo-Thomist revival die at Vatican II? Do any hopes exist for a Neo-Thomist revival today? We will address these questions from the perspective of the history of philosophy and from the perspective of philosophy itself.

Lecture

**PHIL 5393 : Contemporary Thomism**

This course will consider the work of John Finnis, Alasdair MacIntyre, and Servais Pinckaers, who are arguably the three most significant Thomists of the past twenty-five years. Each represents a different background and scholarly community. John Finnis has a background in analytical jurisprudence and has been influential in the revival of natural law in political philosophy and philosophy of law. Alasdair MacIntyre's background is in Anglo-American philosophy, sociology and the New Left. His book *After Virtue* was enormously influential in philosophical circles and he has since developed a more Thomist position. He has had great influence in moral philosophy, both Protestant and Catholic theology, and political philosophy. Servais Pinckaers is a francophone Dominican and his theological formation was at LaSartre and Rome. He was a professor at the University of Fribourg. His attempt to revive Thomist moral theology is the best known. Although the content of his work is closer to that of MacIntyre than that of Finnis, his Dominican background and theological concerns set him off sharply from MacIntyre. The course will focus on these figures' various approaches to such themes as moral goodness, practical reasoning, the common good and justice.

## Psychology

Department Chair: Dr. Crystal D. Tran, [trandn1@stthom.edu](mailto:trandn1@stthom.edu)

Psychologists use the scientific method to study behavior and mental processes. The Psychology Department offers courses that develop students' understanding of human nature and functioning, train students in the methods of scientific psychology, and prepare them to solve important human problems. The department provides:

- A curriculum that integrates scientific, ethical and social justice perspectives on the nature of humans.
- A program of undergraduate study in psychology that emphasizes empirical research methods, focuses on social justice issues, and prepares students for employment and graduate or professional training.

**PSYC 5310 : Designing Mental Skills Training**

This course focuses on teaching students how to design mental skills training programs for groups, teams, and individuals. Students will explore program development, evaluation, and have the opportunity to gain practical experience working in performance settings and designing mental skills training. This course will provide students with a hands-on experience working with individuals seeking to improve their mental skills. Mentorship hours earned during this class will partially fulfill the requirements for the CMPC certification.

**PSYC 6320 : Sociocultural Perspectives on Sport**

This course will examine the social institution of sport, and its role in the various multicultural contexts within the United States and other societies. The course will examine topics such as the social organization of sport from play to professional, deviance and violence in sport, the influence of sport on different social groups, and the effects on socialization from participating in and spectating in sport. Sports reflect the values of society and culture, and we find all types of social issues in sports: incidents of racism, sexism, and violence in sports, as well as teamwork, leadership, and cooperation.

## John Paul II Studies

**JPII 5300 : Redemptor Hominis and the witness of John Paul II**

A study of the life and thought of John Paul II through a consideration of his autobiographical writings and very brief selections from his works; the convergence of his artistic, philosophical, theological, spiritual and pastoral gifts will lead to a focus upon his first encyclical, Redemptor Hominis ("The Redeemer of Man"), as hermeneutical key to his project and works.

**JPII 5305 : Faith and Reason according to John Paul II**

This course is an exploration of the encyclical Fides et Ratio (On the Relationship between Faith and Reason). While carefully reading through the entire work, we shall explore two overarching claims made about the relationship between faith and reason: (a) "Each contains the other, and each has its own scope for action." (§17); (b.) "Each without the other is impoverished and enfeebled." (§48). We aim to understand these claims as they pertain to the works of John Paul II and those specific thinkers named as exemplars such as Edith Stein, Etienne Gilson, and Jacques Maritain.

# Theology

Department Chair: Dr. David Deavel, [david.deavel@stthom.edu](mailto:david.deavel@stthom.edu)

The major in theology seeks to instill competency in major topics in the study of Catholicism and in the methods of investigation and research appropriate to the discipline of theology. Theology plays a particularly important role in the synthesis of knowledge as well as in the dialogue between faith and reason. The study of theology, as part of a liberal arts education, aids the University community in its "constant effort to determine the relative place and meaning of each of the various disciplines within the context of the human person and the world that is enlightened by the Gospel," and thus in preserving "the sense of the transcendence of the human person over the world and of God over the human person." (John Paul II, *Ex corde Ecclesiae*, 16, 19).

Students who successfully complete the major program will be able to: read and use scripture in accordance with theological methods; interpret documents in Church history according to their historical and theological contexts; and assess, from within the ecclesial tradition, arguments in systematic and moral theology. Fulfillment of these objectives will be determined by means of an exit examination.

The school also offers a five-year BA/MA Combined degree in Theology which enables high-achieving undergraduate students to earn both the bachelor's and master's degrees in a streamlined program combining undergraduate and graduate studies. The BA/MA requires 120 undergraduate credit hours and 30 graduate credit hours of study and allows students to take undergraduate and graduate courses concurrently during the senior year. The BA and MA degrees will be conferred only after the BA/MA student completes the 120 undergraduate credit hours and 30 graduate credit hours of study successfully. The undergraduate hours for the Theology coursework are reduced to 36 hours from 42 hours. The chair of the Theology major will advise the student on which courses to take.

For graduate students, the department offers an MA in Historical Theology. Through its six-course sequence in historical courses and its offering of systematic courses based in the Catholic dogmatic tradition and integrating Sacred Scripture, students will be given a solid basis in Catholic theology that is informed by both Scripture and the Tradition. Students will complete the MA by passing a set of comprehensive exams or, with the permission of the director, an MA thesis.

**CMHC 5340 : Introduction to Play Therapy**

through the process of counseling. The content of the course introduces a distinct group of interventions including play and communication skills as integral components of the therapeutic process. A major focus of the course involves instructional and experiential opportunities for the student counselor to develop skills that provide children with appropriate developmental materials and facilitate a safe relationship for the child to express models that can be applied to elementary age children. This course provides an overview of the essential elements and principles of play therapy, including history, theories, modalities, techniques, applications, and skills. Further, an experiential component focuses on basic play therapy skill development within the context of ethical and diversity-sensitive practice. It also includes assessment and techniques for working with children and adolescents in personal and family systems along with parent/guardian involvement interventions.

**COUN 5368 : Counseling Practicum**

Counseling Practicum is the first of two semesters required for the capstone experiences. Students will be enrolled in a 3 credit counseling practicum class which meets once a week for one semester. Students must complete supervised practicum experiences that total a minimum of 100 clock hours during the semester. At least 40 clock hours of direct service with actual clients will contribute to the development of counseling skills. Weekly interaction that averages one hour per week of individual or triadic supervision with a site supervisor is required. Consultation regarding counselor practicum students between the counselor educator and onsite supervisor is required every two weeks. Evaluation of the student's counseling performance throughout the counseling practicum, including documentation of a formal evaluation after the student completes the practicum.

**COUN 6305 : Counseling Internship**

Counseling Internship is the second of two semesters required for the capstone experiences. Students will be enrolled in a 3-credit counseling internship class which meets once a week for one semester. This course requires completion of a supervised internship of 600 clock hours in students' designate program areas, begun after successful completion of the counseling practicum. The internship is intended to reflect the comprehensive work experience of professional counselors appropriate to the designated program areas. Students' internship includes all of the following: (1) At least 240 clock hours of direct service, including experience leading groups. (2) Weekly interaction that averages one hour per week of individual or triadic supervision throughout the internship performed by the onsite supervisor. (3) One class per week in the 3-credit Counseling Internship class. (4) The opportunity for students to become familiar with a variety of professional activities and resources in addition to direct services (for example, record keeping, assessment instruments, supervision, information and referral, in-service and staff meetings. (5) The opportunity for students to develop program-appropriate DVD recording for use in supervision or to receive live supervision of their interactions with clients. (6) Evaluation of students' counseling performance throughout the internship, including documentation of a formal evaluation after students complete their internship by the professor of the counseling internship class in consultation with the onsite supervisor.

**EDUC 6305 : Counseling Internship**

Counseling Internship is the second of two semesters required for the capstone experiences. Students will be enrolled in a 3-credit counseling internship class which meets once a week for one semester. This course requires completion of a supervised internship of 600 clock hours in students' designated program areas, begun after successful completion of the counseling practicum. The internship is intended to reflect the comprehensive work experience of professional counselors appropriate to the designated program areas. Students' internship includes all of the following: (1) At least 240 clock hours of direct service, including experience leading groups. (2) Weekly interaction that averages one hour per week of individual or triadic supervision throughout the internship performed by the onsite supervisor. (3) One class per week in the 3-credit Counseling Internship class. (4) The opportunity for students to become familiar with a variety of professional activities and resources in addition to direct services (for example, record keeping, assessment instruments, supervision, information and referral, in-service and staff meetings. (5) The opportunity for students to develop program-appropriate DVD recording for use in supervision or to receive live supervision of their interactions with clients. (6) Evaluation of students' counseling performance throughout the internship, including documentation of a formal evaluation after students complete their internship by the professor of the counseling internship class in consultation with the onsite supervisor.

**EDUC 6355 : Principalship in Catholic Education**

This course will provide an overview of the role of the Catholic school principal as spiritual, educational, and managerial leader in the elementary, middle/intermediate, or high school setting. Exercises will be provided in decision making, maintaining required documents, and strategic planning, similar to what principals encounter on site. Special attention will be given to instructional supervision, instructional evaluation, and professional development, with an emphasis on the integration of Catholic identity in the curriculum. An overview of the Catholic school system, primarily within the Archdiocese of Galveston-Houston, will also be provided. Other private school systems are to be explored as necessary. Students will also delve into how the principal relates to teachers, pastors, parents, and the larger community. The course will presume an understanding of the distinctive nature and unique mission of Catholic schools and therefore seek to prepare the principal for effectiveness and success within this context.

**EDUC 8350 : Technology Leadership**

This course investigates the complex and rapidly changing nature of technology and how the digital divide impacts organizations and society in the 21st Century. The digital divide represents the gap between underprivileged members of society such as the poor, rural, elderly, and individuals with disabilities sectors of the population who do not have access to computers or the Internet. An introduction to the study of technology leadership with an emphasis on leaders developing a shared vision, planning, and promulgating policies and utilizing resources for the comprehensive integration of technology to address the digital divide are addressed. Learned skills include technology planning and leadership that incorporate instructional design, curriculum integration with standards, logistics of technology implementation, professional development, and the modeling of responsible digital citizenship. Students will develop an understanding of how to create and support technological change through a systems approach by learning management systems, social media, webinars, image repositories, and document sharing.

Lecture

**CG 5315 : Gospels**

This graduate introduction to the Gospels (Matthew, Mark, Luke and John) will focus on the text of each of these Gospels and their respective literary, historical and social contexts. The course will begin with an overview of the OT traditions that the canonical Gospels build upon. Following an introduction to the canonical Gospels, special attention will be given to key texts that will help to provide a greater understanding of the teaching of Jesus as well as insight into the theological perspective of each of the individual evangelists. Attention will also be given to the origin and growth of these Gospels and the communities they address within the context of early Christianity. Included is the study of how each gospel is fashioned in such a way so as to make them unique and effective in deepening the faith of their own particular churches and of us today as well. This is a Roman Catholic approach to the Scriptures in light of Dei Verbum that makes use of the critical tools of contemporary biblical scholarship of historical, literary, theological (that includes the spiritual) and pastoral interest.

**YLSO 8308 : Mary & Popular Piety**

The first part of Mary & Popular Piety is an investigation of the Church's Marian doctrine in an attempt at synthesis founded on the analysis of the elements furnished by the Sacred Scripture and Tradition regarding the Virgin Mary, the Mother of God and the Mother of the Church. A study of Mary's cooperation in the establishment of the Covenant; the truth of her perpetual virginity as inseparable from her divine motherhood; her collaboration in the order of grace; her Immaculate Conception and Assumption; and her place in ecumenical dialogue/ The second part of Mary and Popular Piety is designed to study the principles and guidelines for the celebration and evaluation of the various devotions and rituals which make up the popular piety of the many peoples of the Church and how these ritual celebrations harmonize with the liturgy of the Church. Basing our study on the principles and guidelines found in the Directory of Popular Piety and the Liturgy from the Congregation for Divine Worship and the Disciples of the Sacraments, we will critique the rituals and devotions commonly found today, especially Marian devotion and Eucharistic Devotion.

**YLSS 5305 : Synoptic Gospels**

This graduate introduction to the Synoptic Gospels (Matthew, Mark and Luke) focuses on the text of each of these gospels in their own historical, literary and pastoral contexts. Attention is given to the origin and growth of each gospel within early Christianity, their message and theology, including similarities and distinctive emphases that make each effective in enlivening the faith of their own particular communities.

**YLSS 5308 : Prophets**

This course offers a basic foundation in OT prophecy that begins with the narratives in the Deuteronomistic Historical Books, especially focusing on important texts in the books of Samuel and Kings. After this introduction, the course then moves to an in-depth study of the classical prophets, both northern and southern, that takes us through the time of Exile and finally, the restoration of Israel. This course looks at all of Israel's prophets, with special emphasis on Elijah, the Major Prophets, Isaiah of Jerusalem, Deutero-Isaiah, Jeremiah and Ezekiel, and the 12 minor prophets. Emphasis will be given to the prophets' message and style of communication as God's spokespersons, as well as the role of the prophets in the NT and in society.

**YSD 8305 : Mariology**

Mariology is an investigation of the Church's Marian doctrine with discussion of the elements furnished by Sacred Scripture and Tradition regarding the Virgin Mary, the Mother of God, and the Mother of the Church. A study of Mary's cooperation in the establishment of the Covenant; the truth of her perpetual virginity as inseparable from her divine motherhood; her collaboration in the order of grace; her Immaculate Conception and Assumption; and her place in ecumenical dialogue. Also to be considered are other pious traditions and their relationship to the ecclesial community.

**YSD 8308 : Mary & Popular Piety**

The first part of Mary & Popular Piety is an investigation of the Church's Marian doctrine in an attempt at synthesis founded on the analysis of the elements furnished by the Sacred Scripture and Tradition regarding the Virgin Mary, the Mother of God and the Mother of the Church. A study of Mary's cooperation in the establishment of the Covenant; the truth of her perpetual virginity as inseparable from her divine motherhood; her collaboration in the order of grace; her Immaculate Conception and Assumption; and her place in ecumenical dialogue/ The second part of Mary and Popular Piety is designed to study the principles and guidelines for the celebration and evaluation of the various devotions and rituals which make up the popular piety of the many peoples of the Church and how these ritual celebrations harmonize with the liturgy of the Church. Basing our study on the principles and guidelines found in the Directory of Popular Piety and the Liturgy from the Congregation for Divine Worship and the Disciples of the Sacraments, we will critique the rituals and devotions commonly found today, especially Marian devotion and Eucharistic Devotion.

## YSS-Sacred Scripture

**YSS 5303 : Pentateuch**

This course is a study of the first five books of the Hebrew Bible (Genesis, Exodus, Leviticus, Numbers, Deuteronomy) that are essential for understanding Israelite history and theology and may also provide the lens through which the entire Bible was intended to be read. Greater focus will be placed on key texts in Exodus, their adaptation and development in Deuteronomy, and on the major themes in Genesis. This will include an introduction to the four major sources of this formative biblical tradition.

**YSS 5308 : Prophets**

This course offers a basic foundation in OT prophecy that begins with the narratives in the Deuteronomic Historical Books, especially focusing on important texts in the books of Samuel and Kings. After this introduction, the course then moves to an in-depth study of the classical prophets, both northern and southern, that takes us through the time of Exile and finally, the restoration of Israel. This course looks at all of Israel's prophets, with special emphasis on Elijah, the Major Prophets, Isaiah of Jerusalem, Deutero-Isaiah, Jeremiah and Ezekiel, and the 12 minor prophets. Emphasis will be given to the prophets' message and style of communication as God's spokespersons, as well as the role of the prophets in the NT and in society.

## Interdisciplinary Studies

**IDST 6305 : Culturally Sustainable Education, Global Health, and Economic Development Initiatives**

This three-credit hybrid elective interdisciplinary study abroad course provides students the opportunity to participate fully as members of a collaborative, global community of practice. The outcome objective focuses on development of global-oriented critical reasoning and in-country cross-cultural service learning, with emphasis on professional and academic development. The study abroad trip will provide ongoing opportunities to engage with global partners and host communities in developing regions of the world. The course consists of: (a) pre-departure academic coursework and travel/mission orientation training, (b) in-country guided service learning field applications with daily written reflections, (c) re-entry faculty guided reflective-debriefing-data mining towards interdisciplinary study abroad course semester project.
